(v) An employee who is in qualified military service, within the meaning of section 414(u)(1) of the federal internal revenue code, shall be treated as receiving compensation from the employer during such period of qualified military service equal to: (a) The compensation the employee would have received during such period if the

employee were not in qualified military service, determined based on the rate of pay the employee would have received from the employer but for the absence during the period of qualified military service; or (b) if the compensation the employee would have received during such period was not reasonably certain, the employee's average compensation from the employer during the ~~twelve-month~~ 12-month period immediately preceding the qualified military service, or if shorter, the period of employment immediately preceding the qualified military service.

(vi) Back pay, within the meaning of treasury regulation section 1.415(c)-2(g)(8), shall be treated as compensation for the limitation year to which the back pay relates to the extent the back pay represents wages and compensation that would otherwise be included under this definition.

(7) On and after January 1, 2009, for purposes of applying the limits under section 415(b) of the federal internal revenue code, the following shall apply:

(A) A member's applicable limit shall be applied to the member's annual benefit in the first limitation year without regard to any automatic cost-of-living increases;

(B) to the extent the member's annual benefit equals or exceeds such limit, the member shall no longer be eligible for cost-of-living increases until such time as the benefit plus the accumulated increases are less than such limit;

(C) thereafter, in any subsequent limitation year, the member's annual benefit including any automatic cost-of-living increase applicable shall be tested under the then applicable benefit limit including any adjustment to the dollar limit under section 415(b)(1)(A) or 415(d) of the federal internal revenue code and the regulations thereunder; and

(D) in no event shall a member's annual benefit payable from a retirement plan in any limitation year be greater than the limit applicable at the annuity starting date, as increased in subsequent years pursuant to section 415(d) of the federal internal revenue code and the regulations thereunder. If the form of benefit without regard to the automatic benefit increase feature is not a straight life annuity, then the preceding sentence is applied by reducing the limit under section 415(b) of the federal internal revenue code applicable at the annuity starting date to an actuarially equivalent amount determined using the assumptions specified in treasury regulation section 1.415(b)-1(c)(2)(ii) that take into account the death benefits under the form of benefit. This subsection applies to distributions made on and after January 1, 1993. A distributee may elect to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a transfer made from the retirement system.

(i) An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: (a) Any distribution that is one of a series of substantially equal periodic payments, not less frequently than annually, made for the life or the life expectancy of the distributee or the joint lives or joint life expectancies of the distributee and the distributee's designated beneficiary or for a specified period of 10 years or more; (b) any distribution to the extent such distribution is required under section 401(a)(9) of the federal internal revenue code; (c) the portion of any distribution that is not includable in gross income; and (d) any other distribution that is reasonably expected to total less than \$200 during the year. Effective January 1, 2002, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of

after-tax employee contributions that are not includable in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in section 408(a) or (b) of the federal internal revenue code, or to a qualified defined contribution plan described in section 401(a) of the federal internal revenue code or to a qualified plan described in section 403(a) of the federal internal revenue code, that agrees to separately account for amounts so transferred and earnings on such amounts, including separately accounting for the portion of the distribution that is includable in gross income and the portion of the distribution that is not so includable, or on or after January 1, 2007, to a qualified defined benefit plan described in section 401(a) of the federal internal revenue code or to an annuity contract described in section 403(b) of the federal internal revenue code, that agrees to separately account for amounts so transferred and earnings thereon, including separately accounting for the portion of the distribution that is includable in gross income and the portion of the distribution that is not so includable.

(ii) An eligible retirement plan is any of the following that accepts the distributee's eligible rollover distribution:

(a) An individual retirement account described in section 408(a) of the federal internal revenue code;

(b) an individual retirement annuity described in section 408(b) of the federal internal revenue code;

(c) an annuity plan described in section 403(a) of the federal internal revenue code;

(d) a qualified trust described in section 401(a) of the federal internal revenue code;

(e) effective January 1, 2002, an annuity contract described in section 403(b) of the federal internal revenue code;

(f) effective January 1, 2002, a plan eligible under section 457(b) of the federal internal revenue code that is maintained by a state, political subdivision of a state or any agency or instrumentality of a state or a political subdivision of a state that agrees to separately account for amounts transferred into the plan from a retirement plan; or

(g) effective January 1, 2008, a roth IRA described in section 408(A) of the federal internal revenue code.

(iii) Effective January 1, 2002, the definition of eligible rollover distribution also includes a distribution to a surviving spouse, or to a spouse or former spouse who is an alternate payee under a domestic relations order, as defined in section 414(p) of the federal internal revenue code.

(iv) A distributee includes an employee or former employee. It also includes the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the federal internal revenue code. Effective July 1, 2007, a distributee further includes a nonspouse beneficiary who is a designated beneficiary as defined by section 401(a)(9)(E) of the federal internal revenue code. However, a nonspouse beneficiary may rollover the distribution only to an individual retirement account or individual retirement annuity established for the purpose of receiving the distribution and the account or annuity will be treated as an "inherited" individual retirement account or annuity.

(v) A direct rollover is a payment by the retirement system to the eligible retirement plan specified by the distributee.

(8) Notwithstanding any law to the contrary, the board may accept a direct or

indirect eligible rollover distributions for the purpose of the purchase of service credit. In addition, the board may accept a direct trustee to trustee transfer from a deferred compensation plan under section 457(b) of the federal internal revenue code or a tax sheltered annuity under section 403(b) of the federal internal revenue code for: (A) The purchase of permissive service credit, as defined under section 415(n)(3)(A) of the federal internal revenue code; or (B) a repayment to which section 415 of the federal internal revenue code does not apply pursuant to section 415(k)(3) of the federal internal revenue code. Any such transfer shall be allowed as provided in this subsection to the extent permitted by law, subject to any conditions, proofs or acceptance established or required by the board or the board's designee.

(9) Where required by the act, an employer shall pick up and pay contributions that would otherwise be payable by members of a retirement plan in accordance with section 414(h)(2) of the federal internal revenue code as follows:

(A) The contributions, although designated as employee contributions, are being paid by the employer in lieu of contributions by the employee;

(B) the employee must not have been given the option of receiving the amounts directly instead of having them paid to the retirement plan; and

(C) the pickup shall apply to amounts that a member elects to contribute to receive credit for prior or participating service if the election is irrevocable and applies to amounts contributed before retirement.

(10) (A) Notwithstanding any provision of this plan to the contrary, contributions, benefits and service credit with respect to qualified military service will be provided in accordance with section 414(u) of the federal internal revenue code and the uniformed services employment and reemployment rights act of 1994.

(B) Effective with respect to deaths occurring on or after January 1, 2007, while a member is performing qualified military service, as defined in chapter 43 of title 38, United States code, to the extent required by section 401(a)(37) of the federal internal revenue code, survivors of a member in the system, are entitled to any additional benefits that the system would provide if the member had resumed employment and then died, such as accelerated vesting or survivor benefits that are contingent on the member's death while employed. A deceased member's period of qualified military service must be counted for vesting purposes.

(C) Effective with respect to deaths or disabilities, or both, occurring on or after January 1, 2007, while a member is performing qualified military service, as defined in chapter 43 of title 38, United States code, to the extent permitted by section 414(u)(9) of the federal internal revenue code, for the benefit accrual purposes and in the case of death, for vesting purposes, the member will be treated as having earned years of service for the period of qualified military service, having returned to employment on the day before the death or disability, or both, and then having terminated on the date of death or disability. This provision shall be applied to all similarly situated individuals in a reasonably equivalent manner.

(D) Beginning January 1, 2009, to the extent required by section 414(u)(12) of the federal internal revenue code, an individual receiving differential wage payments, as defined under section 3401(h)(2) of the federal internal revenue code, from an employer shall be treated as employed by that employer, and the differential wage payment shall be treated as compensation for purposes of applying the limits on annual additions under section 415(c) of the federal internal revenue code. This provision shall be

applied to all similarly situated individuals in a reasonably equivalent manner.

(11) Upon the complete or partial termination of a retirement plan, the rights of members to benefits accrued to the date of termination, to the extent funded, or to the amounts in their accounts are nonforfeitable, and amounts in their accounts may be distributed to them.

(d) The plan year for the retirement plan begins on July 1.

(e) The limitation year for purposes of section 415 of the federal internal revenue code is the calendar year.

(f) The board may not engage in a transaction prohibited by section 503(b) of the federal internal revenue code.

(g) (1) For purposes of determining an "actuarial equivalent" or of an "actuarial computation" for members hired prior to July 1, 2009, the board shall use the following:

(A) The applicable mortality table is specified in revenue ruling 2001-62 or revenue ruling 2007-67, as applicable; and

(B) the applicable interest factor is the actuarially assumed rate of return established by the board.

(2) For purposes of determining an "actuarial equivalent" or an "actuarial computation" for members hired on or after July 1, 2009, the board shall use the following:

(A) The applicable mortality table is the  $^{50}/_{50}$  male/female blend of the RP 2000 health annuitant mortality table, projected to 2025; and

(B) the applicable interest factor is the actuarially assumed rate of return established by the board.

(3) For converting amounts payable under the partial lump sum option, the board shall use the following:

(A) The applicable mortality table is a  $^{50}/_{50}$  male/female blend of the 1983 group annuity mortality table; and

(B) the applicable interest factor is the actuarially assumed rate of return established by the board.

(4) For benefit testing under section 415(b) of the federal internal revenue code, the factors required by treasury regulations shall be used. The applicable mortality table is specified in revenue ruling 2001-62 for years prior to January 1, 2009, and notice 2008-85 for years after December 31, 2008.;

Sec. 4. K.S.A. 2020 Supp. 8-1103 is hereby amended to read as follows: 8-1103. (a) (1) Whenever any person providing wrecker or towing service, as defined by law K.S.A. 66-1329, and amendments thereto, while lawfully in possession of a vehicle, at the direction of a law enforcement officer or the owner or as provided by a city ordinance or county resolution, renders any service to the owner thereof by the recovery, transportation, protection, storage or safekeeping thereof, a first and prior lien on the vehicle is hereby created in favor of such person rendering such service and the lien shall amount to the full amount and value of the service rendered. The lien may be foreclosed in the manner provided in this act.

(2) If the name of the owner of the vehicle is known to the person in possession of such vehicle, then within 15 days, notice shall be given to the owner that the vehicle is being held subject to satisfaction of the lien. Any vehicle remaining in the possession of a person providing wrecker or towing service for a period of 30 days after such wrecker or towing service was provided may be sold to pay the reasonable or agreed charges for such recovery, transportation, protection, storage or safekeeping of such vehicle and personal property therein, the costs of such sale, the costs of notice to the owner of the vehicle and publication after giving the notices required by this act, unless a court order has been issued to hold such vehicle for the purpose of a criminal investigation or for use as evidence at a trial.

Failure to give such written notice shall invalidate any lien established for such storage fee.

The person intending to sell such vehicle and personal property pursuant to this act shall cause a notice of the time and place of sale, containing a description of the vehicle and personal property, to be published in a newspaper published in the county or city where such sale is advertised to take place, and if there is no newspaper published in such county, then the notice shall be published in some newspaper of general circulation in such county. Notices given under this section shall state that if the amount due, together with storage, publication, notice and sale costs, is not paid within 15 days from the date of mailing, the vehicle and personal property will be sold at public auction. (a) "Funeral procession" means two or more vehicles accompanying the body of a deceased person, or traveling to the cemetery, church, chapel or other location where the funeral service is to be held, in the daylight hours, including a funeral lead vehicle or a funeral escort.

(b) "Funeral lead vehicle" means any authorized law enforcement or nonlaw enforcement motor vehicle properly equipped pursuant to K.S.A. 8-1723, and amendments thereto, or a funeral escort vehicle being used to lead and facilitate the movement of a funeral procession. (c) "Funeral escort" means a person or entity that provides escort services for funeral processions, including law enforcement personnel and agencies and groups designated to escort military funeral processions.

New Sec. 2. (a) Notwithstanding any provision of state law, city ordinance or county resolution relating to traffic control devices or right-of-way provisions, pedestrians and operators of all vehicles, except as provided in subsection (b), funeral escorts may reasonably direct vehicle and pedestrian traffic to allow funeral processions to pass through intersections and disregard traffic control devices. When the funeral lead vehicle is directed by a funeral escort to lawfully enter an intersection, the remaining vehicles in the funeral procession may follow such funeral lead vehicle through the intersection regardless of any traffic control devices or right-of-way provisions prescribed by state law, city ordinance or county resolution.

(b) Funeral processions shall have the right-of-way at intersections regardless of traffic control devices, subject to the following conditions and exceptions:

(1) Operators of vehicles in a funeral procession shall yield the right-of-way to an approaching authorized emergency vehicle, as defined in K.S.A. 8-1404, and amendments thereto, using an audible signal meeting the requirements of K.S.A. 8-

New Sec. 3. (a) All vehicles comprising a funeral procession shall follow the preceding vehicle in the funeral procession as closely as is practical and safe.

(b) In accordance with K.S.A. 8-1523, and amendments thereto, any state law, city ordinance or county resolution stating that motor vehicles shall be operated to allow sufficient space, enabling any other vehicle to enter and occupy such space without danger, shall not be applicable to funeral processions.

(c) Each vehicle that is a part of a funeral procession shall have such vehicle's headlights, either high beam or low beam, and tail lights lighted and may also use flashing hazard lights if the vehicle is so equipped.

New Sec. 4. Nothing in sections 1 through 3, and amendments thereto, shall be construed to prohibit any city or county from requiring:

(a) A law enforcement or nonlaw enforcement funeral lead vehicle or funeral escort for a funeral procession. A city or county may require prior notice of a planned funeral procession be given to the city police department or the county sheriff; or

(b) compliance with any other city ordinance or county resolution not in conflict with the provisions of sections 1 through 3, and amendments thereto.

(b) The driver of a vehicle shall yield the right-of-way to any authorized utility or telecommunications vehicle or pedestrian actually engaged in work on the highway whenever such vehicle displays flashing lights meeting the requirements of K.S.A. 8-1731, and amendments thereto.

(c) The driver of a motor vehicle, upon approaching a stationary authorized utility or telecommunications vehicle that is obviously and actually engaged in work upon a highway, when such authorized utility or telecommunications vehicle is displaying flashing lights meeting the requirements of K.S.A. 8-1731, and amendments thereto, shall do either of the following:

(1) If the driver of the motor vehicle is traveling on a highway that consists of at least two lanes that carry traffic in the same direction of travel as that of the driver's motor vehicle, the driver shall proceed with due caution and, if possible and with due regard to the road and weather and traffic conditions, shall change lanes into a lane that is not adjacent to that of the stationary authorized public utility or telecommunications vehicle; or

(2) if the driver is not traveling on a highway of a type described in paragraph (1), or if the driver is traveling on a highway of that type described in paragraph (1) but it is not possible to change lanes or if to do so would be unsafe, the driver shall proceed with

due caution, reduce the speed of the motor vehicle and maintain a safe speed for the road and weather and traffic conditions.

(d) This section shall not operate to relieve the driver of an authorized utility or telecommunications vehicle from the duty to drive with due regard for the safety of all persons using the highway.

#### EXPLANATION OF VOTE

Mr. Vice President: A reluctant, but on-balance, AYE. The good news is most of these new auto license tags are beneficial to bona fide organizations; each with some particular direct connection to Kansas. The bad news is this once-tiny amendment authorizes the Don't Tread on Me Flag; whose creation is attributed to a South Carolinian slave trader who, allegedly, "owned" over 90 Africans as slaves and "Gadsden Wharf" which was the largest port for slave importation in North America. I regret well-intentioned Kansans, many of whom know we came into this Union as a Free State and had little to do with the rest of our country's past in that regard. Not knowing this despot's history may unwittingly sport "his" flag on a license tag because of its' catchy motto. But one of my late uncle Alex (the author of ROOTS : An America Saga) Haley's most oft quoted sayings was "Find the good and praise it." So praises for the GOOD and worthy organizations that are the far dominance here for proud future Kansas representations on many vehicles! And to hell with sanctioning of the codification in Gadsden's ("Don't Tread on Me") flag as an "official" part of the history of Kansas; which he and his sordid, debauchery-of-a-legacy never actual was.—DAVID HALEY

All expenditures from such fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the ~~executive director of the Kansas department of agriculture division of conservation~~ or the executive director's designee. ~~Money~~ Moneys credited to the fund shall be used for the purpose of making grants to install water quality best management practices pursuant to the initiative.

(3) The county or district appraiser shall identify and map riparian buffers consisting of at least one contiguous acre per parcel of real property located in the appraiser's county. Notwithstanding any other provisions of law, riparian buffers shall be valued by the county or district appraiser as tame grass land, native grass land or waste land, as appropriate. As used in this ~~subsection (3) paragraph~~, "riparian buffer" means an area of stream-side vegetation that: (A) Consists of tame or native grass and may include forbs and woody plants; (B) is located along a perennial or intermittent stream, including the stream bank and adjoining floodplain; and (C) is a minimum of 66 feet wide and a maximum of 180 feet wide.

(e) ~~The Kansas department of agriculture division of conservation, with the approval of the state conservation commission secretary, shall adopt rules and regulations to administer such grant and protection programs. Prior to submission of any proposed rules and regulations of the division to the director of the budget, the secretary of administration and the attorney general in accordance with the rules and regulations filing act, K.S.A. 77-415 et seq., and amendments thereto:~~

Sec. 9. K.S.A. 2-1916 is hereby amended to read as follows: 2-1916. At any time after five ~~(5)~~ years after the organization of a district under the provisions of this act, ~~ten percent (10%)~~ of the occupiers of land lying within the boundaries of such district may file a petition with the ~~state soil conservation committee division~~ division praying that the operations of the district be terminated and the existence of the district discontinued. ~~The committee division~~ may conduct such public meetings and public hearings upon such petition as may be necessary to assist it in the consideration thereof. Within ~~sixty (60)~~ days after such a petition has been received by the ~~committee it division, the division~~ shall give due notice of the holding of a referendum, and shall supervise such referendum, and issue appropriate regulations governing the conduct thereof, the question to be submitted by ballots upon which the words "For terminating the existence of the \_\_\_\_\_ (name of the soil conservation district to be here inserted)" and "against terminating the existence of the \_\_\_\_\_ (name of the soil conservation district to be here inserted)" shall be printed, with a square before each proposition and a direction to insert an × mark in the square before one or the other of said propositions as the voter may favor or oppose discontinuance of such district. All occupiers of lands lying within the boundaries of the district shall be eligible to vote in

such referendum. Only such land occupiers shall be eligible to vote. No informalities in the conduct of such referendum or in any matters relating thereto shall invalidate said referendum or the result thereof if notice thereof shall have been given substantially as herein provided and said referendum shall have been fairly conducted. The ~~committee~~ division shall publish the result of such referendum and shall thereafter consider and determine whether the continued operation of the district within the defined boundaries is administratively practicable and feasible. If the ~~committee~~ division shall determine that the continued operation of such district is administratively practicable and feasible, it shall record such determination and deny the petition. If the ~~committee~~ division shall determine that the continued operation of such district is not administratively practicable and feasible, it shall record such determination and shall certify such determination to the supervisors of the district. In making such determination, the ~~committee~~ division shall give due regard and weight to the attitudes of the occupiers of lands lying within the district, the number of land occupiers eligible to vote in such referendum who shall have voted, the proportion of the votes in such referendum in favor of the discontinuance of the district to the total number of votes cast, the approximate wealth and income of the land occupiers of the district, the probable expense of carrying on erosion control operations within such district; and such other economic and social factors as may be relevant to such determination, having due regard to the legislative findings set forth in K.S.A. 2-1902: ~~Provided, however, and amendments thereto, except~~ that the ~~committee~~ division shall not have authority to determine that the continued operation of the district is administratively practicable and feasible unless a majority of the votes cast in the referendum shall have been cast in favor of the continuance of such district.

Upon receipt from the ~~state soil conservation committee~~ division of certification that the ~~committee~~ division has determined that the continued operation of the district is not administratively practicable and feasible, pursuant to the provisions of this section, the supervisors shall ~~forthwith~~ immediately proceed to terminate the affairs of the district. The supervisors shall dispose of all property belonging to the district at public auction and shall pay over the proceeds of such sale to be covered into the state treasury. The supervisors shall thereupon file an application, duly verified, with the secretary of state for the discontinuance of such district; and shall transmit with such application the certificate of the ~~state soil conservation committee~~ division setting forth the determination of the ~~committee~~ division that the continued operation of such district is not administratively practicable and feasible. The application shall recite that the property of the district has been disposed of and the proceeds paid over as in this section provided, and shall set forth a full accounting of such properties and proceeds of the sale. The secretary of state shall issue to the supervisors a certificate of dissolution and shall record such certificate in an appropriate book of record in ~~his or her~~ the secretary of state's office.

Upon issuance of a certificate of dissolution under the provisions of this section, all ordinances and regulations ~~theretofore~~ adopted and in force within such districts shall be of no further force and effect. All contracts ~~theretofore entered into~~, to which the district or supervisors are parties; shall remain in force and effect for the period provided in such contracts. The ~~state soil conservation committee~~ division shall be substituted for the district or supervisors as party to such contracts. The ~~committee~~ division shall be entitled to all benefits and subject to all liabilities under such contracts

and shall have the same right and liability to perform, to require performance, to sue and be sued thereon; and to modify or terminate such contracts by mutual consent or otherwise, as the supervisors of the district would have had. Such dissolution shall not affect the lien of any judgment entered under the provisions of K.S.A. 2-1911, prior to its repeal, nor the pendency of any action instituted under the provisions of such section, and the committee shall succeed to all the rights and obligations of the district or supervisors as to such liens and actions. The state soil conservation committee shall not entertain petitions for the discontinuance of any district nor conduct referenda upon such petitions nor make determinations pursuant to such petitions in accordance with the provisions of this act, more often than once in five (5) years.

Sec. 10. K.S.A. 2020 Supp. 2-1930 is hereby amended to read as follows: 2-1930. (a) As used in this section:

(1) "Division" means ~~the Kansas department of agriculture~~ division of conservation established within the Kansas department of agriculture in K.S.A. 74-5,126, and amendments thereto;

(2) "historic consumptive water use" means an amount of use of a water right as calculated pursuant to subsection (k); and

(3) "program" means the water right transition assistance program.

(b) There is hereby established the water right transition assistance program. The program shall be administered by ~~the Kansas department of agriculture division of conservation~~. The Kansas department of agriculture division of water resources and recognized local governing agencies, including groundwater management districts, shall cooperate in program implementation. The program shall be administered for the purpose of reducing historic consumptive water use in the target or high priority areas of the state by issuing water right transition grants based on competitive bids for privately held water rights.

(c) (1) The division may receive and expend funds from the federal or state government; or a private source for the purpose of carrying out the provisions of this section. The division shall carry over unexpended funds from one fiscal year to the next.

(2) The maximum amount paid by the division shall not exceed a base rate per acre-foot of historic consumptive water use made available under the water right to be dismissed or permanently reduced. ~~The state conservation division, in consultation with~~ the commission, shall establish an annual base rate after considering recommendations from the chief engineer and the groundwater management districts regarding market conditions.

(d) The division may enter into water right transition assistance program contracts with landowners that will result in the permanent reduction of part or all of a landowner's historic consumptive water use by action of the chief engineer as provided for in subsection (f).

(e) All applications for permanent irrigation water right retirements shall be considered for funding. Permanent retirement of partial water rights shall only be approved by the Kansas department of agriculture division of water resources when the local groundwater management district has the metering and monitoring capabilities necessary to ensure compliance with the program.

(f) Applications for permanent water right retirement shall be prioritized for payment based on the following criteria:

(1) The applicant's bid price;

(2) the timing and extent of the impact of the application on aquifer restoration or stream recovery;

(3) the impact on local water management strategies designated by the board of each groundwater management district or by the chief engineer for each target area; and

(4) where rights with similar hydrologic impacts are considered, priority should be given to the senior right as determined under the Kansas water appropriation act.

(g) Water rights enrolled in the program for permanent retirement shall require the written consent of all landowners and authorized agents to voluntarily request permanent reduction or permanent dismissal and forfeiture of priority of the enrolled water right. Upon enrollment of the water right into the program, the chief engineer of the Kansas department of agriculture division of water resources shall concurrently permanently reduce or permanently dismiss and terminate the water right in accordance with the terms of the contract.

(h) (1) The division shall make water right transition grants available only in areas that have been designated as:

(A) Target areas by the groundwater management districts and the chief engineer of the Kansas department of agriculture division of water resources; or

(B) target areas outside the groundwater management districts by the chief engineer of the Kansas department of agriculture division of water resources.

(2) Each target area shall be in a groundwater aquifer, aquifer sub-unit, surface water basin, subbasin or stream reach that the chief engineer has closed to further appropriations except for domestic use, temporary permits, term permits for five years or less and small-use exemptions for 15 acre-feet or less, if the use, permit or exemption does not conflict with this program.

(3) The designation of each target area shall include the identification of a historic consumptive water use retirement goal. When such goal is reached, the target area ~~will~~ shall be delisted.

(4) The designation of each target area shall include the identification of sub-regions ~~which that~~ that are to be prioritized for retirements among competing bids.

(i) Contracts accepted under the program shall result in a net reduction in historic consumptive water use in the target area. Except as provided for in subsections (l) and (m), once a water right transition assistance program grant has been provided, the land authorized to be irrigated by the water right or water rights associated with that grant shall not be irrigated permanently. Water right transition assistance program contracts shall be subject to such terms, conditions and limitations as may be necessary to ensure that such reduction in historic consumptive water use occurs and can be adequately monitored and enforced.

(j) Only vested or certified water rights ~~which that~~ that are in good standing shall be eligible for water right retirement grants.

(k) (1) The historic consumptive water use of a water right shall be determined by either:

(A) Calculating the average amount of water consumed by crops as a result of the lawful beneficial use of water during the 10 preceding calendar years of actual irrigation and multiplying the average reported water use for the 10 selected years by a factor of 0.85 for center pivot sprinkler irrigation systems, 0.75 for flood or gravity irrigation systems and 0.95 for subsurface drip irrigation systems, but not to exceed the net irrigation requirements for the 50% chance rainfall for the appropriate county as shown

in K.A.R. 5-5-12; or

(B) calculating the available pumping capacity of a water right by multiplying a flow rate test for each point of diversion applied to be retired under the water right by a theoretical pumping duration of 100 days multiplied by an efficiency factor of 0.85 for center pivot sprinkler irrigation systems, 0.75 for flood or gravity irrigation systems and 0.95 for subsurface drop irrigation systems, but not to exceed the authorized quantity of the water right or the net irrigation requirements for the 50% chance rainfall for the appropriate county as shown in K.A.R. 5-5-12. Flow rate tests must have been conducted not less than one year prior to the application date and certified as acceptable by the local groundwater management district or the chief engineer; or

(2) The applicant may also submit an engineering study that determines the average historic consumptive water use as an alternative method if it is demonstrated to be more accurate for the water right or water rights involved.

(l) Enrollment of an entire water right or a portion of a water right where land associated with the quantity is being permanently reduced from the water right in the program shall not subsequently prohibit irrigation of the land that, prior to enrollment, was authorized by the water right or water rights if irrigation can be lawfully allowed by another water right or permit pursuant to the rules and regulations and consideration of any future changes to other water rights that may be proposed to be transferred to such land.

(m) If more than one water right overlaps the place of use authorized by the water right proposed to be enrolled in the program, then all overlapping water rights shall be enrolled in the program or the landowners shall take the necessary lawful steps to eliminate the overlap with the water right to be enrolled. The burden shall be on the landowner to provide sufficient information to substantiate that the proposed use of water by the resulting exercise of all water rights involved will result in the net reduction amount of historic consumptive water use by the water right or water rights to be enrolled. The division may require such documentation to be provided by someone with special knowledge or experience related to water rights and such operations.

(n) The division shall adopt rules and regulations as necessary for the administration of this section. When adopting such rules and regulations, the division shall consider cropping, system design, metered water use and all other pertinent information that will permit a verifiable reduction in historic consumptive water use and permit alternative crop or other use of the land so that the landowner's economic opportunities are taken into account.

(o) The division shall hold a meeting in each target area designated after July 1, 2012, prior to entering into any water right transition assistance program contract for the permanent retirement of part or all of landowner water rights in such target area. Such meetings shall inform the public of the possible economic and hydrologic impacts of the program. The division shall provide notice of such meetings through publication in local newspapers of record and in the Kansas register.

(p) The provisions of this section shall expire on July 1, 2022.

Sec. 11. K.S.A. 2020 Supp. 2-1931 is hereby amended to read as follows: 2-1931.

(2) any violation of term, condition or limitation defined and or imposed within the contractual agreement between the ~~Kansas department of agriculture~~ ~~division of conservation~~ and the water right owner.

(b) Any participant who violates any section of a water right transition assistance program contract shall be subject to either one or both of the following:

(1) A civil penalty of not less than \$100 nor more than \$1,000 per violation. Each day shall constitute a separate violation for purposes of this section; and

(2) repayment of the grant amount in its entirety plus a penalty at 6% of the full grant amount.

(c) Any penalties or reimbursements received under this act shall be reappropriated for use in the water right transition assistance program.

(d) No civil penalty or order for repayment shall be imposed except upon the written order of the secretary or the secretary's designee. Such order shall state the violation, the penalty to be imposed and the right of the person to appeal to the secretary. Any person, within 15 calendar days after notification, may make written request to the secretary for a hearing in accordance with the provisions of the Kansas administrative procedure act. The secretary shall affirm, reverse or modify the order and shall specify the reason therefor.

(e) Any person aggrieved by an order of the secretary made under this section may appeal such order to the district court in the manner provided by the Kansas judicial review act.

Each written agreement may be renewed by August 1 upon the written consent of the parent and the treasurer in a manner determined by the treasurer, except that the parent may submit a request to the treasurer for an extension of time for renewal not to exceed 30 days. Failure to renew a written agreement does not preclude renewal of such written agreement in a subsequent year. (d) The treasurer shall make transfers required under subsection (c) in quarterly installments pursuant to a schedule determined by the treasurer.

(e) The treasurer may deduct a percentage of the aggregate annual amount to be transferred into an eligible student's account as reimbursement for the administrative costs of implementing the provisions of this act as follows:

(g) (1) Each account shall remain active until:

(A) A written agreement is terminated pursuant to section 9, and amendments thereto;

(B) July 31 following the date on which the eligible student graduates from high school; or

(h) The treasurer shall contract with a third party pursuant to competitive bids for a system for payment of services by participating parents by electronic funds transfer. (2) for each eligible student participating in the program who is enrolled part-time in a school district, multiplying an amount equal to the BASE aid by a ratio that is the

inverse proportion of the amount of time each such student is enrolled and attending public school;

(3) adding together the amounts determined under paragraph (2) for all such students; and

(4) adding the total amounts determined under paragraphs (1) and (3). The resulting sum is the amount to be transferred to the student empowerment fund.

(b) The treasurer shall certify the resulting amounts to the director of accounts and reports. Upon receipt of such certification, the director shall transfer such certified amount from the state general fund to the student empowerment fund established in section 10, and amendments thereto.

(d) A qualified private school providing education services purchased with funds from an account shall not share, refund or rebate any portion of such funds to the parent or eligible student. Any such refund or rebate shall be made directly into the eligible student's account.

(e) No personal deposits may be made into an account.

(f) The treasurer shall conduct or contract to conduct annual audits of eligible student accounts to ensure compliance with the provisions of this act and may conduct or contract to conduct additional audits of eligible student accounts, as needed.

(2) For each eligible student participating in the program who has participated for less than three years, the state board shall determine the amount of such student's resident school district's state foundation aid for the last school year during which such student was enrolled full-time in such district that is attributable to that portion of the following weightings that is directly attributable to such student's enrollment in the district: The low enrollment weighting, high enrollment weighting, bilingual weighting, at-risk student weighting and career technical education weighting. The state board shall then determine the aggregate of such amounts for each resident school district and the resulting sum is the adjusted weightings funding amount.

(B) a determination by the state board that the school district cannot reasonably adjust its schedule to comply with such requirements of law and that remote learning beyond the limitations provided in this section would allow the school district to continue to provide education to students during such conditions.

(k) As used in this section:

(1) "Disaster" means a state of disaster emergency declared by proclamation of the governor pursuant to K.S.A. 48-924, and amendments thereto, closure of schools by order issued by a county or joint board of health, a local health officer pursuant to K.S.A. 65-119, and amendments thereto, or the secretary of health and environment pursuant to K.S.A. 65-126, and amendments thereto, or occurrence of widespread or severe damage, injury or loss of life or property resulting from any natural or manmade cause, including, but not limited to, fire, flood, earthquake, tornado, wind, storm, epidemics, air contamination, blight, drought, infestation or explosion.

FIFTY-NINTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Friday, April 9, 2021, 10:00 a.m.

The Senate was called to order by President Ty Masterson.  
The roll was called with 40 senators present.  
Invocation by Reverend Cecil T. Washington:

God Bless America!  
Psalm 33:12

Psalm 33:12 says, "Blessed is the nation whose God is the LORD, the people whom He has chosen as His heritage!" I don't know if Irving Berlin had this Scripture in mind, in 1940, when he composed the song, God Bless America. That prayer song has become, unofficially, a national anthem of the United States. Irving Berlin said in an interview, that God Bless America is not a patriotic song, This prayer song is an expression of gratitude for blessing us in this country:

God bless America, land that I love.  
Stand beside her and guide her  
Through the night with the light from above.  
From the mountains to the prairies,  
To the oceans white with foam.  
God bless America, my home sweet home.  
God bless America, my home sweet home. Amen!

The Pledge of Allegiance was led by President Masterson.

**CONFERENCE COMMITTEE REPORT**

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 55** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, by striking all in lines 7 through 36;

By striking all on pages 2 through 4;

On page 5, by striking all in lines 1 through 4; following line 4, by inserting:

"Section 1. The provisions of sections 1 through 6, and amendments thereto, shall be known and may be cited as the fairness in women's sports act.

Sec. 2. The legislature hereby finds:

(a) There are "inherent differences between men and women," and that these differences "remain cause for celebration, but not for denigration of the members of either sex or for artificial constraints on an individual's opportunity," *United States v. Virginia*, 518 U.S. 515, 533 (1996);

(b) these "inherent differences" range from chromosomal and hormonal differences to physiological differences;

(c) men generally have "denser, stronger bones, tendons, and ligaments" and "larger hearts, greater lung volume per body mass, a higher red blood cell count, and higher haemoglobin," Neel Burton, *The Battle of the Sexes*, *Psychology Today* (July 2, 2012);

(d) men also have higher natural levels of testosterone, which affects traits such as hemoglobin levels, body fat content, the storage and use of carbohydrates, and the development of type 2 muscle fibers, all of which result in men being able to generate higher speed and power during physical activity, Doriane Lambelet Coleman, *Sex in Sport*, 80 *Law and Contemporary Problems* 63, 74 (2017) (quoting Gina Kolata, *Men, Women and Speed. 2 Words: Got Testosterone?*, *N.Y. Times* (Aug. 21, 2008));

(e) the biological differences between females and males, especially as it relates to natural levels of testosterone, "explain the male and female secondary sex characteristics which develop during puberty and have lifelong effects, including those most important for success in sport: categorically different strength, speed, and endurance," Doriane Lambelet Coleman and Wickliffe Shreve, "Comparing Athletic Performances: The Best Elite Women to Boys and Men," *Duke Law Center for Sports Law and Policy*;

(f) while classifications based on sex are generally disfavored, the United States Supreme Court has recognized that "sex classifications may be used to compensate women for particular economic disabilities [they have] suffered, to promote equal employment opportunity, [and] to advance full development of the talent and capacities of our Nation's people," *United States v. Virginia*, 518 U.S. 515, 533 (1996);

(g) one place where sex classifications allow for the "full development of the talent and capacities of our Nation's people" is in the context of sports and athletics;

(h) courts have recognized that the inherent, physiological differences between males and females result in different athletic capabilities. See e.g. *Kleczek v. Rhode Island Interscholastic League, Inc.*, 612 A.2d 13 734, 738 (R.I. 1992) ("Because of innate physiological differences, boys and girls are not similarly situated as they enter athletic competition."); *Petrie v. Ill. High Sch. Ass'n*, 394 N.E.2d 855, 861 (Ill. App. Ct. 1979) (noting that "high school boys [generally possess physiological advantages over] their girl counterparts" and that those advantages give them an unfair lead over girls in some sports like "high school track");

(i) a recent study of female and male Olympic performances since 1983 found that, although athletes from both sexes improved over the time span, the "gender gap" between female and male performances remained stable. "These suggest that women's performances at the high level will never match those of men." Valerie Thibault et al., *Women and men in sport performance: The gender gap has not evolved since 1983*, 9 *Journal of Sports Science and Medicine* 214, 219 (2010);

(j) as Duke law professor and All-American track athlete Doriane Coleman, tennis champion Martina Navratilova, and Olympic track gold medalist Sanya Richards-Ross recently wrote: "The evidence is unequivocal that starting in puberty, in every sport except sailing, shooting, and riding, there will always be significant numbers of boys and men who would beat the best girls and women in head-to-head competition. Claims to the contrary are simply a denial of science," Doriane Coleman, Martina Navratilova, et al., *Pass the Equality Act, But Don't Abandon Title IX*, *Washington Post* (Apr. 29, 2019);

(k) the benefits that natural testosterone provides to male athletes is not diminished through the use of puberty blockers and cross-sex hormones. A recent study on the

impact of such treatments found that even "after 12 months of hormonal therapy," a man who identifies as a woman and is taking cross-sex hormones "had an absolute advantage" over female athletes and "will still likely have performance benefits" over women, Tommy Lundberg et al., "Muscle strength, size and composition following 12 months of gender-affirming treatment in transgender individuals: retained advantage for the transwomen," Karolinksa Institutet (Sept. 26, 2019); and

(l) having separate sex-specific teams furthers efforts to promote sex equality. Sex-specific teams accomplish this by providing opportunities for female athletes to demonstrate their skill, strength and athletic abilities while also providing them with opportunities to obtain recognition and accolades, college scholarships and the numerous other long-term benefits that flow from success in athletic endeavors.

Sec. 3. (a) Interscholastic, intercollegiate, intramural or club athletic teams or sports that are sponsored by a public elementary or secondary school, a postsecondary educational institution, as such term is defined in K.S.A. 74-3201b, and amendments thereto, or any school or other postsecondary educational institution whose students or teams compete against a public school or postsecondary educational institution shall be expressly designated as one of the following based on biological sex:

- (1) Males, men or boys;
- (2) females, women or girls; or
- (3) coed or mixed.

(b) Athletic teams or sports designated for females, women or girls shall not be open to students of the male sex.

(c) (1) The Kansas state high school activities association shall adopt rules and regulations for its member schools for the implementation of this section.

(2) The state board of regents and the governing body for each municipal university, community college and technical college shall adopt rules and regulations for the postsecondary educational institutions governed by each such entity, respectively, for the implementation of this section.

Sec. 4. No governmental entity, licensing or accrediting organization or athletic association or organization shall entertain a complaint, open an investigation or take any other adverse action against a school or postsecondary educational institution for maintaining separate interscholastic, intercollegiate, intramural or club athletic teams or sports for students of the female sex.

Sec. 5. (a) Any student who is deprived of an athletic opportunity or suffers any direct or indirect harm as a result of a violation of section 3, and amendments thereto, shall have a private cause of action for injunctive relief, damages and any other relief available under law against the school or postsecondary educational institution.

(b) Any student who is subject to retaliation or other adverse action by a school, postsecondary educational institution or athletic association or organization as a result of reporting a violation of section 3, and amendments thereto, to an employee or representative of such school, postsecondary educational institution or athletic association or organization, or to any state or federal agency with oversight of schools or postsecondary educational institutions in this state, shall have a private cause of action for injunctive relief, damages and any other relief available under law against the school, institution or athletic association or organization.

(c) Any school or postsecondary educational institution that suffers any direct or indirect harm as a result of a violation of section 3 or 4, and amendments thereto, shall

have a private cause of action for injunctive relief, damages and any other relief available under law against the governmental entity, licensing or accrediting organization or athletic association or organization.

(d) All civil actions must be initiated within two years after the harm occurred. Persons or organizations who prevail on a claim brought pursuant to this section shall be entitled to monetary damages, including for any psychological, emotional and physical harm suffered, reasonable attorney fees and costs and any other appropriate relief.

Sec. 6. The provisions of sections 1 through 5, and amendments thereto, are hereby declared to be severable. If any provision of sections 1 through 5, and amendments thereto, or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of sections 1 through 5, and amendments thereto, that can be given effect without the invalid provision or application.";

Also on page 5, in line 6, by striking "Kansas register" and inserting "statute book";

And by renumbering sections accordingly;

On page 1, in the title, in line 1, by striking all after "concerning"; by striking all in lines 2 and 3; in line 4, by striking all before the period and inserting "education; relating to student athletes; creating the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations";

And your committee on conference recommends the adoption of this report.

Senator Erickson moved the Senate adopt the Conference Committee Report on **SB 55**.

On roll call, the vote was: Yeas 26; Nays 11; Present and Passing 3; Absent or Not Voting 0.

Yeas: Alley, Baumgardner, Billinger, Bowers, Claeys, Erickson, Fagg, Gossage, Hilderbrand, Kerschen, Kloos, Longbine, Masterson, O'Shea, Olson, Peck, Petersen, Pyle, Ryckman, Steffen, Straub, Suellentrop, Thompson, Tyson, Warren, Wilborn.

Nays: Corson, Dietrich, Faust-Goudeau, Francisco, Hawk, Holland, Holscher, Pettey, Pittman, Sykes, Ware.

Present and Passing: Doll, Haley, McGinn.

The Conference Committee Report was adopted.

#### EXPLANATION OF VOTE

Mr. President: This bill on transgender athletes was a solution in search of a problem, as we have not had a problem here in Kansas. Competitive high school and college sports already have regulations to deal with trans athletes. The bill we heard was meant to divide us. It puts Kansas at potential risk with regard to NCAA, FIFA and other tournaments, having economic and national perception impacts on our business

community. Beyond potential economic impact, it also targets an already at-risk population of our kids going through often confusing situations. It goes beyond women competing in high school and college. It targets private and intramural sports. It goes much further and targets youth even before puberty. I found the original language containing genital checking offensive and am glad that was begrudgingly taken out. It is unnecessary regulation as proposed and I vote No.—JEFF PITTMAN

Senators Francisco, Pettey and Sykes request the record to show they concur with the Explanation of Vote offered by Senator Pittman on **SB 55**.

Mr. President: Over 40% of transgender men and women have said they have attempted suicide. Rates are even higher among trans women and trans women of color. Here are the names of those trans Americans we have lost due to transgender violence whether suicide or murder in 2020 alone: Asia Jynaé Foster, Yunieski Carey Herrera, Angel Unique, Sara Blackwood, Brooklyn Deshuna, Felycya Harris, Michelle Michellyn Ramos Vargas, Mia Green, Aerrion Burnett, Kee Sam, Lea Rayshon Daye, Aja Raquell Rhone-Spears, Queasha D. Hardy, Dior H. Ova, Marilyn Cazares, Summer Taylor, Bree Black, Shaki Peters, Merci Mack, Brayla Stone, Brian “Egypt” Powers, Selena Reyes-Hernandez, Jayne Thompson, Riah Milton, Dominique “Rem’mie” Fells, Tony McDade, Helle Jae O’Regan, Nina Pop, Penélope Díaz Ramírez, Layla Pelaez Sánchez, Serena Angelique Velázquez Ramos, Johanna Metzger, Lexi, Monika Diamond, Scott/Scottlynn Devore, Yampi Méndez Arocho, Neulisa Luciano Ruiz, Dustin Parker. To save the lives of transgender Kansans and to keep our state safe and welcoming for ALL, I vote NO on **SB 55**.—MARY WARE

### ORIGINAL MOTION

Having voted on the prevailing side, Senator Pyle moved the Senate reconsider its action on **SB 175**. The motion carried and the bill was returned to final action on Conference Committee Reports.

### CONFERENCE COMMITTEE REPORTS

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 175** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, following line 9, by inserting:

"WHEREAS, The Kansas Legislature and the Kansas Supreme Court agree that, for Kansans, children are our state's most valuable resource; and

WHEREAS, The Kansas Supreme Court in Gannon IV found that nearly 25% of all public education students are not performing at grade level and that significant achievement gaps exist between all students and certain subgroups of students; and

WHEREAS, The Kansas Supreme Court acknowledged that certain student subgroups can have their own special achievement challenges; and

WHEREAS, Throughout the Gannon litigation, the Legislature has committed to improving the academic achievement of all students with a particular focus on the students identified by the Court; and

WHEREAS, The Kansas Supreme Court has ruled that the current school finance

system provides constitutionally adequate funding and equitable allocation of resources and that the Legislature has substantially complied with the Court's orders expressed in Gannon VI; and

WHEREAS, Special challenges require special measures and the Legislature remains committed to providing a finance system that is flexible and offers tailored solutions to raise academic achievement, particularly for those students who face special challenges; and

WHEREAS, Education savings accounts that target those students who qualify for at-risk educational services provide an additional way for families to tailor the entire educational experience of the student, as opposed to simply tailoring the schooling of such student; and

WHEREAS, Providing families with the access and means necessary to customize the educational experience of a student will provide families with options to increase the student's academic achievement.

Now, therefore:"

#### EXPLANATION OF VOTE

Mr. President: I vote aye on **HB 2007** but with grave concerns. This budget does not include the funding for the K-12 budget. Unlike traditional K-12 budgeting, the money for K-12 was not inserted in the budget but rather was placed in a House Conference Committee report that included education policy that was never vetted by the Senate Education Committee, nor debated by the Committee of the Whole in the Senate. We have the responsibility to fund K-12 education for all of our children. I hope that this body will be resolute in putting the required money to fund K-12 in the Omnibus Budget when we return for final session.—CAROLYN MCGINN

Senators Bowers, Dietrich and O'Shea request the record to show they concur with the "Explanation of Vote" offered by Senator McGinn on **HB 2007**.

Mr. President: This budget is not balanced nor sustainable. When we consider budgets, we must always prioritize the need to protect our state's future and be fiscally responsible. We cannot pay for tax cuts for giant multinational corporations, keep the lights on and keep our state running, and operate with a positive balance under this proposed budget. This budget includes no money for K-12 education, which accounts for a huge portion of our annual funding obligation. Without funding our schools, it still leaves our state deep in the red. This budget is fiscally irresponsible, it will land us in court, and it will cost our state money and hurt our kids. I vote no.—DINAH SYKES

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **HB 2007**.

If the state receives any such moneys from the federal government for aid to the state of Kansas for coronavirus relief after July 15, 2021, the director of the budget shall also identify such moneys for the purposes of fulfilling the transfers required by this section.

(b) Of such identified moneys, the director of the budget shall determine in the aggregate an amount equal to \$250,000,000 available in special revenue funds. If such identified moneys in the aggregate are less than \$250,000,000, the director of the budget shall determine the maximum amount available. The director of the budget shall certify the amount so determined from each fund to the director of accounts and reports and, at the same time as such certification is transmitted to the director of accounts and reports, shall transmit a copy of such certification to the director of legislative research. Upon receipt of each such certification, or as soon thereafter as moneys are available, the director of accounts and reports shall immediately transfer an aggregate amount equal to such certification and in the aggregate, an amount equal to \$250,000,000 if available from such funds to the employment security fund (296-00-7056-7200) of the department of labor for the purpose of funding the employment security fund.

After receiving recommendations from the legislative budget committee, the legislative coordinating council may authorize the transfer moneys in an amount not to exceed the amounts certified of improper payments from the legislature employment security fund to the employment security fund of the department of labor. Such transfers may be approved by the members of the legislative coordinating council, as provided in K.S.A. 46-1202, and amendments thereto, acting on this matter, which is hereby characterized as a matter of legislative delegation, except that such transfers may also be approved while the legislature is in session.

(g) There is hereby established in the state treasury the legislature employment security fund which shall be administered by the legislative coordinating council. All expenditures from the legislature employment security fund shall be for the purposes of funding the employment security fund for improper payments. All expenditures from the legislature employment security fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the chairperson of the legislative coordinating council or the designee of the chairperson.

New Sec. 10. (a) The secretary of labor shall develop a form for use by claimants to establish their identity before a law enforcement officer of a Kansas law enforcement agency for the purpose of facilitating the receipt of unemployment insurance benefits. The form may be in electronic or paper format and may be transmitted or processed in electronic format if safeguards are made to protect any confidential information of the claimant. Use of the form by a claimant shall not be a requirement to receive unemployment benefits. The form shall be distributed to participating law enforcement agencies upon request and shall be provided to claimants at the time a claim for benefits is submitted. The form shall also be made readily available on the department of labor's website. The form shall be no more than one page in length, include space for the claimant's name, address, phone number if any, email address if any, date of birth and social security number and include instructions for the use of the form for the claimant and the law enforcement agency. The form shall be developed and made available within seven days of the effective date of this act. Law enforcement agencies shall not be required to participate in the provisions of this section.

(b) Upon receipt of the form, a claimant may present the form to a participating law enforcement agency with jurisdiction over the location of the claimant's residence or last known place of employment in Kansas and submit documentation as required by the form for verification by the law enforcement agency. The claimant may present the form to a participating law enforcement agency that does not have jurisdiction over the location of the claimant's residence or last known place of employment if no law enforcement agency with such jurisdiction has agreed to participate and the secretary has approved such submission. If a law enforcement officer of the law enforcement agency examines and finds the documentation submitted by the claimant valid and sufficient to establish the claimant's identity, the law enforcement officer shall complete or verify the form and the law enforcement agency shall submit the form to the department of labor as provided by the instructions.

(c) The secretary shall presume a claimant's identity has been confirmed for purposes of the employment security law upon submission of a properly completed form to the secretary by the law enforcement agency on behalf of the claimant. The presumption may be overcome by direct and credible information to the contrary.

(d) The law enforcement officer, law enforcement agency, the state or any political subdivision of the state that employs a law enforcement officer providing identity verification as provided by this section for the department of labor, shall have immunity from any civil or criminal liability for such verification action if the law enforcement officer acts in good faith and exercises due care. Participation and verification of a claimant's identity as provided by this section by a law enforcement agency or law enforcement officer shall constitute a discretionary function or duty for purposes of the Kansas tort claims act.

(e) This section shall be a part of and supplemental to the employment security law.;

If the secretary does not award a grant to the specified county in the same fiscal year as such request, the secretary shall return the amount of contributed moneys to the private stakeholder and any such certification shall lapse.

(4) Prior to applying for a rural hospital innovation grant, any eligible county may enter into memorandums of understanding and other necessary agreements with private stakeholders and other eligible counties.

(5) The board of county commissioners of an eligible county, or the board's designee, may apply to the secretary for a rural hospital innovation grant in the form and manner prescribed by the secretary of health and environment. Such application shall include:

#### EXPLANATION OF VOTE

Mr. Vice President: "The Rural Emergency Hospital Act" does not put a monetary burden on the hospitals that voluntarily opt in to this new designation. The \$10 million giveaway is inappropriate. Telemedicine (primary care) by out-of-state physicians unlicensed in Kansas is an unnecessary threat to our rural providers.—MARK STEFFEN

SIXTIETH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Monday, May 3, 2021, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 40 senators present.  
Invocation by Reverend Cecil T. Washington:

In Troubled Times, God's Answer For The Trouble  
Romans 15:4, Jeremiah 2, 2 Chronicles. 7:14-15

Heavenly Father, according to the New Testament, in Romans 15:4, You gave us the earlier Old Testament writings for our instruction, to encourage us to have hope and determination in times of trouble. And Lord, that's what we need today! So, help us see the similarities, in Jeremiah 2 and be inspired. For You hold us responsible to turn away from the ungodliness in our midst.

In Jeremiah 2:7, You had brought Your people into a land of plenty, but they lost all that wealth and wound up bankrupt. In Jeremiah 2:16, even people that were not recognized for military strength, had become too hard for Your people to defend against. And in verse 18, neighboring peoples who pretended to be friends had deceived and troubled Your people, all because of their transgressions and their disobedience. In verse 19, You conveyed to them the foolishness of forsaking You and that the problems they were suffering were only a taste of even more difficulties to come if they did not repent.

So, Lord, keep us from going the same way they did. As we observe the troubles in our day, disrupted families and chaos all around us, please hear our prayers. You said in 2 Chronicles 7:14-15, Your eyes and ears would be attentive to the prayers of Your people if we would humble ourselves and repent of ungodly ways. So, by Your Holy Spirit, Lord, humble us, that You might revive us. We need Your touch to heal our land.

In the Precious Name of Jesus, I offer this prayer, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

#### MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **SB 50**, AN ACT concerning taxation; relating to sales and compensating use tax; requiring the collection and remittance for sales, compensating use and transient guest taxes and prepaid wireless 911 fees made on marketplace facilitator platforms; removing click-through nexus provisions; relating to income tax; providing for addition and subtraction modifications for the treatment of global intangible low-taxed income, business interest, capital contributions, FDIC premiums and business meals; expanding the expensed education for income taxpayers and calculating the deduction amount; providing the ability to elect to itemize for individuals; exemption of unemployment compensation income attributable as a result of identity fraud; removing the line for reporting compensating use tax from individual tax returns; extending the dates when corporate tax returns are required to be filed; increasing the Kansas standard deduction; providing for an extension of the corporate net operating loss carry forward period; amending K.S.A. 79-3221, 79-3221o, 79-32,117, 79-32,119, 79-32,120, 79-32,138, 79-32,143, 79-32,143a and 79-3702 and repealing the existing sections

#### REGARDING VETO OF SENATE BILL 50

Last year, despite COVID-19, Kansas experienced a record-setting \$2.5 billion in new investment from businesses. These companies chose to make Kansas home in large part due to the state's recent investments in our economic development tools, prioritizing funding for infrastructure improvements, and reinvesting in our students.

As many of you with whom I served well remember, in order to provide sustainable funding for essential government services, we cannot return to the era of perennial, self-inflicted budget crises that undermine the very fabric and foundation of our state.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Bill 50**.

Date: April 16, 2021

Laura Kelly

#### MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **SB 55**, AN ACT concerning education; relating to student athletes; creating the fairness in women's sports act;

restricting participation on women's teams to female students; providing a cause of action for violations.

#### REGARDING VETO OF SENATE BILL 55

This legislation sends a devastating message that Kansas is not welcoming to all children and their families, including those who are transgender – who are already at a higher risk of bullying, discrimination, and suicide.

As Kansans, we should be focused on how to include all students in extracurricular activities rather than how to exclude those who may be different than us. Kansas is an inclusive state and our laws should reflect our values. This law does not do that.

This bill would also undoubtedly harm our ability to attract and retain businesses. It would send a signal to prospective companies that Kansas is more focused on unnecessary and divisive legislation, than strategic, pro-growth lawmaking.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Bill 55**.

Date: April 22, 2021

## EXPLANATION OF VOTE

Mr. Vice President: I have always strongly supported female athletes as I was a Superintendent in our local schools for 14 years. When considering my vote on a piece of legislation, I always ask myself, "Is it necessary?" Rather than establishing more laws for the sake of passing laws, I support local control and have confidence our locally-elected officials can address this appropriately. We have not heard about any issues with transgender students competing in Kansas. Locally, school boards, administrators, and KSHSAA have policies in place and work together to figure these things out. We have had no issue that I know of for the last 10 years because all of these situations are addressed in the local community. There are 5 transgender students in our public schools who are on teams and none are transgender girls competing at the high school level. If this is an issue for Kansas school districts and our universities, then we will deal with it. At this point in time I feel there is no need for a state statute. Today I vote for local control, for limited government and for kindness and compassion for those children who are trying to find their place in the world. I vote NO on the override for **SB 55**.—BRENDA DIETRICH

Mr. Vice President: As currently, the longest tenured member of Kansas' Senate, this is one of the more difficult votes I ever had to make. Hearing from articulate, vocal constituents on both sides of the proposed ban on transgender youth in girl's/women's sports, by consistently voting to "Pass," I was reminded of the Civil War sympathizer who, understanding views of the Union, wore a blue shirt and understanding views of the Confederacy, wore grey trousers, ended up getting shot at by BOTH sides! I believe it should be born in mind that David Haley has been a champion of LGBTQ inclusion and rights (marriage equality; hate crime coverage; "bathroom" repudiation, even personal staff hire) for decades. And too, that David Haley has been a resident "feminist;" ever pushing for fairness and equality for women in pay; freedom from harassment and other issues to level the gender-playing field. Accordingly, I found conflict in these histories of mine and "Pass." Now, compelled by a Call of the Senate to vote one way or the other, I vote NO on the potential to override the Governor's veto of **SB 55**; which will now sustain the Governor's veto and allow transgender women to participate in women's sports in Kansas. National organizations have looked for more open and inclusive venues to bring their tournaments to Kansas and should continue to be on the radar for hosting these events and generating the revenue we need to insure the continued greatness of our population-depleting State.—DAVID HALEY

Mr. Vice President: I vote no on **SB 55**. I strongly support girls sports, as I played them when I was in high school. I also strongly support local control. Many in my community have strong feelings on this issue. This underscores my support for local communities to handle this in the manner that is supported by the parents and students in that community. This issue is currently being monitored by the Kansas High School Activities Association and local school boards. I trust them to do their job and will work with them in the future if they need the legislature's assistance. According to KSHAA there are only five transgender individuals in the state, none of them are males playing at the High School level.—CAROLYN MCGINN

On motion of Senator Alley, the Senate recessed until 2:30 p.m.

### MESSAGE FROM THE HOUSE

Announcing the House herewith transmits the veto message from the Governor, together with the enrolled copy of **HB 2166**:

AN ACT concerning motor vehicles; relating to distinctive license plates; providing for the Braden's hope for childhood cancer, proud educator, delta sigma theta, Gadsden flag, love, Chloe foundation and alpha kappa alpha distinctive license plates; providing distinctive license plates for current and veteran members of the United States army, navy, marine corps, air force, coast guard and space force; modifying requirements to begin production on distinctive license plates; requiring reporting by sponsoring organizations of income and expenditures derived from certain distinctive license plate fees; establishing a fee for firefighter license plates; allowing certain license plates issued by the division of vehicles to be personalized license plates; amending K.S.A. 2020 Supp. 8-132, 8-1,141, 8-1,142, 8-1,147 and 8-1,155 and repealing the existing sections, which was received on April 23, 2021.

As long as I'm governor, I will do everything in my power to ensure that Kansas remains welcoming and inclusive. The Gadsden flag has become, over time, a symbol of racism and divisiveness. By inserting the Gadsden provision into an otherwise positive piece of legislation, the Legislature ensured a veto.

Should the original bill be passed and sent to my desk, I will sign it.

Under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2166**.

A motion was made that **HB 2166** be passed notwithstanding the Governor's veto. By vote of 86 Yeas and 37 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House herewith transmits the veto message from the Governor, together with the enrolled copy of **HB 2332**:

AN ACT concerning elections; relating to the conduct of elections; providing for the appointment and duties of certain elected officials; amending K.S.A. 73-213, 73-214, 73-215, 73-218 and 73-219 and K.S.A. 2020 Supp. 25-1122 and 25-2423 and repealing the existing sections., which was received on April 23, 2021.

Although Kansans have cast millions of ballots over the last decade, there remains no evidence of significant voter fraud in Kansas. This bill is a solution to a problem that doesn't exist. It is designed to disenfranchise Kansans, making it difficult for them to participate in the democratic process, not to stop voter fraud.

We also know what happens when states enact restrictive voting legislation. Hundreds of major companies across the nation have made it abundantly clear that this kind of legislation is wrong. Antagonizing the very businesses Kansas is trying to recruit is not how we continue to grow our economy.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2332**.

A motion was made that **HB 2332** be passed notwithstanding the Governor's veto. By vote of 86 Yeas and 37 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House herewith transmits the veto message from the Governor, together with the enrolled copy of **HB 2183**:

AN ACT concerning elections; creating the transparency in revenues underwriting elections act; prohibiting the receipt and expenditure of private moneys by election officials; directing the secretary of state to publish certain registered voter totals; relating to advance voting ballots; requiring signed statements for delivery of such ballots on behalf of a voter; limiting the number of such ballots that can be delivered; prohibiting the altering or backdating of the mailing date on such ballots; requiring a matching signature on such ballots; removing the secretary of state's authority to provide additional time for receipt of such ballots; prohibiting candidates for office from engaging in certain conduct related to advance voting ballots; creating the crime of false representation of an election official; expanding the crime of electioneering; penalties for violations; amending K.S.A. 2020 Supp. 25-1124, 25-1128, 25-1132 and 25-2430 and repealing the existing sections; also repealing K.S.A. 25-608., which was received on April 23, 2021.

Although Kansans have cast millions of ballots over the last decade, there remains no evidence of significant voter fraud in Kansas. This bill is a solution to a problem that doesn't exist. It is designed to disenfranchise Kansans, making it difficult for them to participate in the democratic process, not to stop voter fraud.

We also know what happens when states enact restrictive voting legislation. Hundreds of major companies across the nation have made it abundantly clear that this kind of legislation is wrong. Antagonizing the very businesses Kansas is trying to recruit is not how we continue to grow our economy.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Substitute for **House Bill 2183**.

A motion was made that **HB 2183** be passed notwithstanding the Governor's veto. By vote of 85 Yeas and 38 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

Announcing the House herewith transmits the veto message from the Governor, together with the enrolled copy of **HB 2058**.

AN ACT concerning crimes, punishment and criminal procedure; relating to firearms; reducing the underlying felonies for the crime of criminal possession of a weapon by a convicted felon; restoration of the right to possess firearms upon expungement of convictions; recognition of licenses under the personal and family protection act issued by other jurisdictions; creating a provisional license for persons under the age of 21; authorizing the issuance of alternative license during certain circumstances; amending K.S.A. 75-7c02, 75-7c03, 75-7c04, 75-7c05, 75-7c08 and 75-7c21 and K.S.A. 2020 Supp. 21-5914, 21-6301, 21-6302, 21-6304, 21-6309, 21-6614 and 32-1002 and repealing the existing sections., which was received on April 23, 2021 and read on May 3, 2021.

Throughout my time in public office, I have been a strong supporter of the Second Amendment and of Kansans' right to own firearms.

But we can respect and defend the rights of Kansas gun owners while also taking effective steps to keep our children and families safe. Legislation that allows more guns on campus is neither safe nor effective, and it will drive prospective students away from our schools.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2058**.

A motion was made that **HB 2058** be passed notwithstanding the Governor's veto. By vote of 84 Yeas and 39 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

SIXTY-FIRST DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Tuesday, May 4, 2021, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.

The roll was called with 40 senators present.

The Vice President introduced guest chaplain, Pastor David Beauchamp, Director, Church Ambassador Network of Kansas, to deliver the invocation:

Almighty God, Creator of this Universe and Creator of me, I come before You today, on the floor of this Kansas Senate. I humbly ask for Your Presence to fill this chamber. As a Kansas pastor and a follower of Your Son, Jesus, I realize that every hallway and office, every nook and cranny, of this Capitol Building falls within your purview. You also extend Your Providential care to every nook and cranny of the entire State of Kansas. As such, I place myself under Your Sovereignty and I pray that every Senator does as well.

As a state and as a nation we have societal issues that have confronted us. We have faced a pandemic; we have faced injustice; we have faced violence; we have faced issues that challenge the very bedrock that our founding fathers established. Through it all, I pray that we may respond with a dependence on You. May we seek Your divine truths to help guide policy decisions that will be pleasing to You. I pray that each of these 40 senators would seek Your face. I pray that by doing so that they will have the best interests for every person in the State of Kansas so that each Kansan can align their interests with Your plans and purposes.

There are tough issues facing this Senate, especially during this month. There will be disagreements to be sure. I ask that as issues are discussed that there is a respect and a civility that is a part of every dialog. I pray that all here may love others the way Jesus has sacrificially loved each of us.

As I conclude this prayer, I ask that Your blessings be given to all who support this legislative body, many whose responsibilities are never made public. May each support person and each Senator know that the people of the State of Kansas appreciate their work on all the important policy decisions that are made in this chamber.

I offer this prayer in the name of Your Son, My Savior and Lord, Jesus Christ, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

**COMMITTEE OF THE WHOLE**

The Senate returned to Committee of the Whole for consideration of bills on the calendar under the heading of General Orders with Senator Claeys in the chair.

On motion of Senator Claeys the report for the morning and the following afternoon report was adopted:

**S Sub HB 2313** be amended by motion of Senator Holland: on page 8, following line 16, by inserting:

"New Sec. 17. The provisions of sections 17 through 33, and amendments thereto, shall be known as and may be cited as the golden years homestead property tax freeze act. The purpose of this act shall be to provide refunds arising from increased ad valorem tax assessments to: (a) Certain persons who are of qualifying age and who own their homesteads; or (b) certain persons who have a disability as a result of military service and who own their homesteads.

New Sec. 18. As used in sections 17 through 33, and amendments thereto:

(a) "Act" means the golden years homestead property tax freeze act.

(b) "Base year" means the earliest year in which: (1) An individual was, during the entire calendar year, both domiciled in this state and was: (A) A person who is 65 years of age or older; or (B) a disabled veteran; and (2) the appraised value of the homestead is \$395,000 or less. A claimant shall only be eligible for a claim for refund under this act if the appraised value of the homestead in the base year is \$395,000 or less. For any individual who satisfies paragraph (1) prior to 2020, such base year shall be deemed to be 2020 for purposes of this act if the appraised value of the homestead for tax year 2020 is \$395,000 or less. No year prior to 2020 shall be established as a base year. Once established for a claimant, the base year for the homestead shall not change if such claimant fails to satisfy the household income requirement to be eligible for a refund claim for any particular year or years. In the case of all tax years commencing after December 31, 2020, the upper limit homestead appraised value threshold amount prescribed in this section shall be increased by an amount equal to such threshold amount multiplied by a cost-of-living adjustment determined by the department of revenue by averaging the percent change in statewide residential valuation of existing residential property for the preceding 10 years.

(c) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in section 19, and amendments thereto, both domiciled in this state and was: (1) A person who is 65 years of age or older; or (2) a disabled veteran. The surviving spouse of a person 65 years of age or older or a disabled veteran who was receiving benefits pursuant to this section at the time of the claimant's death, shall be eligible to continue to receive benefits until such time the surviving spouse remarries.

(d) "Disabled veteran" means a person who is a resident of Kansas and has been honorably discharged from active service in any branch of the armed forces of the United States or the Kansas national guard and who has been certified by the United States department of veterans affairs or its successor to have a 50% or greater permanent disability sustained through military action or accident or resulting from a disease contracted while in such active service.

(e) "Homestead" means the dwelling, or any part thereof, owned and occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. "Owned" includes one or more joint tenants or tenants in common.

When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them as to who the claimant will be. If they are unable to agree, the matter shall be referred to

the secretary of revenue, whose decision shall be final.

(f) "Household" means a claimant, a claimant and spouse who occupy the homestead or a claimant and one or more individuals not related as married individuals who together occupy a homestead.

(g) "Household income" means all income received by all persons of a household in a calendar year while members of such household.

(h) "Income" means the sum of adjusted gross income under the Kansas income tax act effective for tax year 2021, and tax years thereafter, without regard to any maintenance, support money, cash public assistance and relief, not including any refund granted under this act, the gross amount of any pension or annuity, including all monetary retirement benefits from whatever source derived, including, but not limited to, all payments received under the railroad retirement act, except disability payments, payments received under the federal social security act, except that for determination of what constitutes income, such amount shall not exceed 50% of any such social security payments and shall not include any social security payments to a claimant who, prior to attaining full retirement age, had been receiving disability payments under the federal social security act in an amount not to exceed the amount of such disability payments or 50% of any such social security payments, whichever is greater, all dividends and interest from whatever source derived not included in adjusted gross income, workers compensation and the gross amount of loss of time insurance. Income does not include gifts from nongovernmental sources or surplus food or other relief in kind supplied by a governmental agency, nor shall net operating losses and net capital losses be considered in the determination of income. Income does not include veterans disability pensions or disability payments received under the federal social security act.

(i) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's homestead in 2020 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of the claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are levied when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead for only a part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in that year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homesteads during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes that is equal to the percentage of the value of the homestead compared to the total unit's value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

New Sec. 19. The right to file a claim under this act may be exercised on behalf of

a claimant by such person's legal guardian, conservator or attorney-in-fact. When a claimant dies after having filed a timely claim, the amount thereof shall be disbursed to another member of the household as determined by the director of taxation. If the claimant was the only member of such person's household, the claim may be paid to such person's executor or administrator, but if neither is appointed and qualified, the amount of the claim may be paid upon a claim duly made to any heir at law. In the absence of any such claim within two years of the filing of the claim, the amount of the claim shall escheat to the state. When a person who would otherwise be entitled to file a claim under the provisions of this act dies prior to filing such claim, another member of such person's household may file such claim in the name of such decedent, subject to the deadline prescribed by section 21, and amendments thereto, and the director shall pay the amount to which the decedent would have been entitled to such person filing the claim. If the decedent was the only member of such person's household, the decedent's executor or administrator may file such claim in the name of the decedent, and the claim shall be paid to the executor or administrator. In the event that neither an executor or administrator is appointed and qualified, such claim may be made by any heir at law and the claim shall be payable to such heir at law. Any of the foregoing provisions shall be applicable in any case where the decedent dies in the calendar year preceding the year in which a claim may be made under the provisions of this act, if such decedent was a resident of or domiciled in this state during the entire part of such year that such decedent was living. Where the decedent's death occurs during the calendar year preceding the year in which a claim may be made, the amount of the claim that would have been allowable if the decedent had been a resident of or domiciled in this state the entire calendar year of such person's death shall be reduced in a proportionate amount equal to a fraction of the claim otherwise allowable, the numerator of which fraction is the number of months in such calendar year following the month of the decedent's death, and the denominator of which is 12.

New Sec. 20. A claimant may claim property tax relief under this act with respect to property taxes accrued and, after audit by the director of taxation with respect to this act, the allowable amount of such claim shall be paid, except as otherwise provided in sections 22, 31 and 33, and amendments thereto, to the claimant from the income tax refund fund upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation or by any person designated by the claimant, but no warrant issued shall be drawn in an amount of less than \$5. No interest shall be allowed on any payment made to a claimant pursuant to this act.

New Sec. 21. Except as provided in section 30, and amendments thereto, no claim in respect of property taxes levied in any year shall be paid or allowed unless such claim is filed with and in the possession of the department of revenue on or before April 15 of the year next succeeding the year in which such taxes were levied.

New Sec. 22. The amount of any claim otherwise payable under this act may be applied by the director of taxation against any liability outstanding on the books of the department of revenue against the claimant, or against any other individual who was a member of such person's household in the year that the claim relates.

New Sec. 23. Only one claimant per household per year shall be entitled to relief under this act.

New Sec. 24. (a) Commencing in tax year 2021, and all tax years thereafter, the amount of any claim pursuant to this act shall be computed by deducting the homestead

ad valorem tax amount in the tax year the refund is sought from the amount of a claimant's base year homestead ad valorem tax amount.

(b) The amount of claim shall be computed only to the nearest \$1.

(c) A taxpayer shall not be eligible for a claim pursuant to this act if such taxpayer has received for such property for such tax year a homestead property tax refund pursuant to K.S.A. 79-4501 et seq., and amendments thereto.

(d) The maximum amount of a claim that may be claimed by a claimant in any one tax year pursuant to this act shall be \$5,000.

New Sec. 25. (a) In administering this act, the director of taxation shall make available suitable forms with instructions for claimants. Copies of such forms shall also be made available to all county clerks and county treasurers in sufficient numbers to supply claimants residing in their respective counties. It shall be the duty of the county clerk to assist any claimant seeking assistance in the filing of a claim under the provisions of this act. The county treasurer of each county shall mail to each taxpayer, with the property tax statement of such taxpayer, information on eligibility for relief under this act to be provided by the secretary of revenue.

(b) The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this act.

New Sec. 26. (a) Every claimant under this act shall supply to the director of taxation, in support of a claim, reasonable proof of age and changes of homestead, household membership, household income, household assets and size and nature of property claimed as the homestead.

(b) Every claimant who is a homestead owner, or whose claim is based wholly or partly upon homestead ownership at some time during the calendar year, shall supply to the director of taxation, in support of a claim, the amount of property taxes levied upon the property claimed as a homestead and a statement that the property taxes accrued used for purposes of this act have been or will be paid by the claimant. Upon request by the director, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a homestead. The amount of personal property taxes levied on a manufactured home or mobile home shall be set out on the personal property tax statement showing the amount of such tax as a separate item.

(c) The information required to be furnished under subsection (b) shall be in addition to that required under subsection (a).

New Sec. 27. In any case in which it is determined that a claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full, and, if the claim has been paid, the amount paid may be recovered by assessment as income taxes are assessed, and such assessment shall bear interest from the date of payment or credit of the claim, until recovered, at the rate of 1% per month. The claimant in such case and any person who assisted in the preparation or filing of such excessive claim, or supplied information upon which such excessive claim was prepared, with fraudulent intent, shall be guilty of a class B misdemeanor. In any case in which it is determined that a claim is or was excessive and was negligently prepared, 10% of the corrected claim shall be disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed, and such assessment shall bear interest at the rate of 1% per month from the date of payment until recovered. In any case in which it is determined that a claim is or was excessive due to the fact that the claimant neglected to include certain income received during the

year, the claim shall be corrected and the excess disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed.

New Sec. 28. No claim for relief under the provisions of this act shall be allowed to any claimant who is a recipient of public funds specifically designated for the payment of taxes during the period for which the claim is filed.

New Sec. 29. A claim shall be disallowed if the director of taxation finds that the claimant received title to such person's homestead primarily for the purpose of receiving benefits under this act.

New Sec. 30. For claims in respect to property taxes levied in any year, the director of taxation may extend the time for filing any claim or accept a claim filed after the filing deadline when good cause exists, if the claim has been filed within four years of the deadline.

New Sec. 31. (a) The director of taxation shall issue to the county clerk by October 1 of each year an electronic record containing the name of each eligible claimant who received a refund of property taxes under this act for the prior year.

(b) When initially filing a claim under this act, the claimant shall be given an election to receive such refund directly from the director of taxation or have such refund applied to the claimant's ad valorem taxes in the county. The claimant shall make the election on a form supplied by the director of taxation. Such refund shall not be applied to any special assessment.

(c) After the electronic record under subsection (a) has been received from the director of taxation, the county clerk of the county in which the property is located shall make any corrections needed, if any, based upon information known by the county clerk concerning any change in eligibility of any claimant listed in such record. After any needed corrections have been made to the electronic record, the county clerk, on behalf of each claimant listed in such record, shall certify the information contained in such record to the county treasurer in lieu of paying that portion of the first half of taxes on the claimant's homestead in the current year, which equals the amount of the golden years homestead property tax freeze refund received by the claimant for taxes levied in the preceding year up to the amount of the first half of the property taxes due.

(d) The county treasurer shall certify and return the electronic record referred to in subsection (a), including any changes made by the county clerk pursuant to subsection (c), to the director of taxation by December 31 of each year. After receiving a claim of any claimant who is listed in the electronic record submitted by the county treasurer, the director shall examine the same, and, if the claim is valid, the director of accounts and reports shall draw a warrant in favor of the county in which the claimant's homestead is located upon a voucher approved by the director of taxation in the amount of the allowable claim for refund. Sufficient information to identify the claimant shall be directed to the county treasurer with each warrant. Any taxes levied in any year on the homestead of any claimant who has obtained the eligibility herein provided for in excess of the amount paid to the county by the state and by the claimant on or before December 20 of such year shall be paid by the claimant on or before May 10 of the succeeding year.

(e) For the purposes of this section, "electronic record" means the same as defined in K.S.A. 16-1602, and amendments thereto.

New Sec. 32. A claimant shall only be eligible for a claim for refund under this act

if the household income for the year in which the claim is filed is \$50,000 or less. In the case of all tax years commencing after December 31, 2021, the upper limit household income threshold amount prescribed in this section shall be increased by an amount equal to such threshold amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the federal internal revenue code for the calendar year in which the taxable year commences.

New Sec. 33. If there are delinquent property taxes on the claimant's homestead, the refund shall be paid to the county treasurer of the county in which such homestead is located and applied first to the oldest of such delinquent property taxes and applied forward to the most recent delinquent property taxes and then to any other property taxes due on the claimant's homestead.";

#### **EXPLANATION OF VOTE**

Mr Vice President: Let's put aside for a moment my issues with transparency, the composition of the board, and the way the Attorney General – who is running for Governor in 2022 – benefits politically from his role in administering this fund. We all know how Kansas businesses have sustained losses and financial difficulty because of the public health measures our community used to mitigate infection and prevent death from COVID-19. They do deserve help to recover from this pandemic. However, this bill ignores the very same impact the pandemic had on Kansas workers, who ensured that we have had access to medical care, food, shelter, child care, critical infrastructure, and other essential services, taking on a disproportionate amount of risk. Some Kansas businesses undoubtedly suffered during this pandemic; many Kansas workers died. They have no less earned the same financial support we're offering our businesses today. I vote NO.—DINAH SYKES

Senators Faust-Goudeau, Haley, Holland and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **Sub SB 286**.

#### EXPLANATION OF VOTE

Mr. Vice President: This bill is a multi-faceted bill that helps so many Kansas citizens. It gives much needed financial relief to our pandemic-response haggard small businesses, it provides economic guide-rails for decision-makers during future emergency declarations, and it provides property tax relief for our lower income elderly and our disabled veterans. This is quality legislation that makes Kansas a better state. And, I am very proud to have played a role in its development.—MARK STEFFEN

SIXTY-SECOND DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Wednesday, May 5, 2021, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 40 senators present.  
Invocation by Reverend Cecil T. Washington:

Direction From The Ultimate Law Giver  
Proverbs 29:18, Romans 7:7, Isaiah 5:20, Acts 5:1-10

Lord, without laws, without good laws, laws that come from You, in Proverbs 29:18, You declare that people will be out of control and going wild. But when we receive Your laws and follow them, we will experience the delights and the joys of life.

By Divine determination, You have put all of us in these chambers: Senators, secretaries, security, staff, in every capacity together to consider Your laws in fashioning the laws that flow from here.

According to Your Word in Romans 7:7, You gave us Your laws to use as a mirror so we could see for ourselves when we were going wrong. Like the pilots need their instruments to guide them in their flight, we need the principles of Your Laws to guide us in right decisions. Thank You Lord for the guidance You give us. Now keep us in alignment, so we don't experience the judgment, the condemnation You mention in Isaiah 5:20 where we're calling wickedness as decent, and calling that which is excellent as appalling.

As it was with Ananias and his wife Sapphira, in Acts 5, they thought that lying and being deceitful was the way to go until You showed them otherwise. Lord, You're yearning for a people of truth...of integrity! You said it's a wonderful thing for people to know and to keep Your laws. Help us then to realize that we can't know them and be blessed by them unless we keep them.

Therefore, as laws, policies and procedures are being studied, prompt us to regularly check the Mirror of Your Word so we can get things right, so we can avoid duplicity and be known as people trying to follow the heart of God!

My appeal to You dear Lord, is In the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

The gross non-exempt earned and unearned income and resources of disqualified individuals shall be counted in its entirety as available to the remaining household members.

(19) The secretary for children and families shall not enact the state option from the U.S. department of agriculture for broad-based categorical eligibility for households applying for food assistance according to the provisions of 7 C.F.R. § 273.2(j)(2)(ii).

(20) No federal or state funds shall be used for television, radio or billboard advertisements that are designed to promote food assistance benefits and enrollment. No federal or state funding shall be used for any agreements with foreign governments designed to promote food assistance.

(21) (A) The secretary for children and families shall not apply gross income standards for food assistance higher than the standards specified in 7 U.S.C. § 2015(c) unless expressly required by federal law. (d) *Temporary assistance for needy families; assignment of support rights and limited power of attorney.* By applying for or receiving temporary assistance for needy families such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving temporary assistance for needy families, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney-in-fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(e) *Requirements for medical assistance for which federal moneys or state moneys or both are expended.* (1) When the secretary has adopted a medical care plan under

which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to K.S.A. 16-303(c), and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to, and approves of, the expansion of medicaid services by an act of the legislature.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct

relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) *Eligibility for medical assistance of resident receiving medical care outside state.* A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) *Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients.* (1) (A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in on behalf of any person applying for, receiving or having received

such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to K.S.A. 39-756(d), and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary's designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary's duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is: (A) A claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both; and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 17-2263 or 17-2264, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection. The secretary of health and environment is authorized to enforce each claim provided for under this subsection. The secretary of health and environment shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection.

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative

payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

- (A) After the death of the surviving spouse of the recipient;
- (B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
- (C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
- (D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

- (A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary of health and environment or the secretary's designee;
- (B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or
- (C) the value of the real property is consumed by the lien, at which time the secretary of health and environment or the secretary's designee may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and environment, or both, or such secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

(9) All rules and regulations adopted on and after July 1, 2013, and prior to July 1, 2014, to implement this subsection shall continue to be effective and shall be deemed to be duly adopted rules and regulations of the secretary of health and environment until revised, amended, revoked or nullified pursuant to law.

(h) *Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney.* In any case in which the secretary for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 2020 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments

for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge or violation of a condition of probation or parole imposed under federal or state law shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of temporary assistance for needy families is a mother of the dependent child, as a condition of the mother's eligibility for temporary assistance for needy families the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of temporary assistance for needy families who fails to cooperate with requirements relating to child support services under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary.

(k) By applying for or receiving child care benefits or food assistance, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food assistance, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing

support obligations to the same extent required of applicants for or recipients of temporary assistance for needy families.

(1) (1) A program of drug screening for applicants for cash assistance as a condition of eligibility for cash assistance and persons receiving cash assistance as a condition of continued receipt of cash assistance shall be established, subject to applicable federal law, by the secretary for children and families on and before January 1, 2014. Under such program of drug screening, the secretary for children and families shall order a drug screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant's or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) Any applicant for or recipient of cash assistance whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any applicant for or recipient of cash assistance who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such applicant or recipient who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(3) Any applicant for or recipient of cash assistance who tests positive for unlawful use of a controlled substance or controlled substance analog shall be required to complete a substance abuse treatment program approved by the secretary for children and families, secretary of labor or secretary of commerce, and a job skills program approved by the secretary for children and families, secretary of labor or secretary of commerce. Subject to applicable federal laws, any applicant for or recipient of cash assistance who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive cash assistance until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment and job skills programs, such applicant for or recipient of cash assistance may be subject to periodic drug screening, as determined by the secretary for children and families. Upon a second positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be ordered to complete again a substance abuse treatment program and job skills program, and shall be terminated from cash assistance for a period of 12 months, or until such recipient of cash assistance completes both substance abuse treatment and job skills programs, whichever is later. Upon a third positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be terminated from cash assistance, subject to applicable federal law.

(4) If an applicant for or recipient of cash assistance is ineligible for or terminated

from cash assistance as a result of a positive test for unlawful use of a controlled substance or controlled substance analog, and such applicant for or recipient of cash assistance is the parent or legal guardian of a minor child, an appropriate protective payee shall be designated to receive cash assistance on behalf of such child. Such parent or legal guardian of the minor child may choose to designate an individual to receive cash assistance for such parent's or legal guardian's minor child, as approved by the secretary for children and families. Prior to the designated individual receiving any cash assistance, the secretary for children and families shall review whether reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog.

(A) In addition, any individual designated to receive cash assistance on behalf of an eligible minor child shall be subject to drug screening at any time when reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, the designated individual's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the designated individual indicating unlawful use of a controlled substance or controlled substance analog.

(B) Any designated individual whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any designated individual who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such designated individual who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(C) Upon any positive test for unlawful use of a controlled substance or controlled substance analog, the designated individual shall not receive cash assistance on behalf of the parent's or legal guardian's minor child, and another designated individual shall be selected by the secretary for children and families to receive cash assistance on behalf of such parent's or legal guardian's minor child.

(5) If a person has been convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall thereby become forever ineligible to receive any cash assistance under this subsection unless such conviction is the person's first conviction. First-time offenders convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall become ineligible to receive cash assistance for five years from the date of conviction.

(6) Except for hearings before the Kansas department for children and families or,

the results of any drug screening administered as part of the drug screening program authorized by this subsection shall be confidential and shall not be disclosed publicly.

(7) The secretary for children and families may adopt such rules and regulations as are necessary to carry out the provisions of this subsection.

(8) Any authority granted to the secretary for children and families under this subsection shall be in addition to any other penalties prescribed by law.

(9) As used in this subsection:

(A) "Cash assistance" means cash assistance provided to individuals under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, and any rules and regulations adopted pursuant to such statutes.

## PURPOSE

WHEREAS, States license psychologists in order to protect the public through verification of education, training and experience and ensure accountability for professional practice; and

WHEREAS, This compact is intended to regulate the day-to-day practice of telepsychology, the provision of psychological services using telecommunications technologies, by psychologists across state boundaries in the performance of their psychological practice as assigned by an appropriate authority; and

WHEREAS, This compact is intended to regulate the temporary in-person, face-to-face practice of psychology by psychologists across state boundaries for 30 days within a calendar year in the performance of their psychological practice as assigned by an appropriate authority; and

WHEREAS, This compact is intended to authorize state psychology regulatory authorities to afford legal recognition, in a manner consistent with the terms of the compact, to psychologists licensed in another state; and

WHEREAS, This compact recognizes that states have a vested interest in protecting the public's health and safety through their licensing and regulation of psychologists and that such state regulation will best protect public health and safety; and

WHEREAS, This compact does not apply when a psychologist is licensed in both the home and receiving states; and

WHEREAS, This compact does not apply to permanent in-person, face-to-face practice, but it does allow for authorization of temporary psychological practice.

Consistent with these principles, this compact is designed to achieve the following purposes and objectives:

##### CONDITIONS OF TELEPSYCHOLOGY PRACTICE IN A RECEIVING STATE

A psychologist may practice in a receiving state under the authority to practice interjurisdictional telepsychology only in the performance of the scope of practice for psychology as assigned by an appropriate state psychology regulatory authority, as defined in the rules of the commission, and under the following circumstances:

(a) The psychologist initiates a client/patient contact in a home state via telecommunications technologies with a client/patient in a receiving state; and

(b) other conditions regarding telepsychology as determined by rules promulgated by the commission.

ARTICLE VII  
ADVERSE ACTIONS

(a) A home state shall have the power to impose adverse action against a psychologist's license issued by the home state. A distant state shall have the power to take adverse action on a psychologist's temporary authorization to practice within that distant state.

(b) A receiving state may take adverse action on a psychologist's authority to practice interjurisdictional telepsychology within that receiving state. A home state may take adverse action against a psychologist based on an adverse action taken by a distant state regarding temporary in-person, face-to-face practice.

(c) If a home state takes adverse action against a psychologist's license, that psychologist's authority to practice interjurisdictional telepsychology is terminated and the e.passport is revoked. Furthermore, that psychologist's temporary authorization to practice is terminated and the interjurisdictional practice certificate is revoked.

(1) All home state disciplinary orders that impose adverse action shall be reported to the commission in accordance with the rules promulgated by the commission. A compact state shall report adverse actions in accordance with the rules of the commission.

(2) In the event discipline is reported on a psychologist, the psychologist will not be eligible for telepsychology or temporary in-person, face-to-face practice in accordance with the rules of the commission.

(3) Other actions may be imposed as determined by the rules promulgated by the commission.

(d) A home state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a licensee that occurred in a receiving state as it would if such conduct had occurred by a licensee within the home state. In such cases, the home state's law shall control in determining any adverse action against a psychologist's license.

(e) A distant state's psychology regulatory authority shall investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a psychologist practicing under temporary authorization practice that occurred in that distant state as it would if such conduct had occurred by a licensee within the home state. In such cases, the distant state's law shall control in determining any adverse action against a psychologist's temporary authorization to practice.

(f) Nothing in this compact shall override a compact state's decision that a psychologist's participation in an alternative program may be used in lieu of adverse action and that such participation shall remain non-public if required by the compact state's law. Compact states shall require psychologists who enter any alternative programs to not provide telepsychology services under the authority to practice interjurisdictional telepsychology or provide temporary psychological services under the temporary authorization to practice in any other compact state during the term of the alternative program.

(g) No other judicial or administrative remedies shall be available to a psychologist in the event a compact state imposes an adverse action pursuant to subsection (c).

The home state psychology regulatory authority shall promptly report the conclusions of such investigations to the commission. Once an investigation has been completed, and pending the outcome of such investigation, the psychologist may change the psychologist's home state licensure. The commission shall promptly notify the new home state of any such decisions as provided in the rules of the commission. All information provided to the commission or distributed by compact states pursuant to the psychologist shall be confidential, filed under seal and used for investigatory or disciplinary matters. The commission may create additional rules for mandated or discretionary sharing of information by compact states.

ARTICLE IX  
COORDINATED LICENSURE INFORMATION SYSTEM

The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the commission, and the commission shall promulgate a

rule binding upon all compact states.

(4) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same, nor shall the commission pledge the credit of any of the compact states, except by and with the authority of the compact state.

(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

(g) *Qualified immunity, defense and indemnification.*

(1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred, within the scope of commission employment, duties or responsibilities, provided that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The commission shall defend any member, officer, executive director, employee or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities: *Provided*, That nothing herein shall be construed to prohibit that person from retaining such person's own counsel: *And provided further*, That the actual or alleged act, error or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that person.

#### ARTICLE XI RULEMAKING

(a) The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this article and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

(b) If a majority of the legislatures of the compact states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compact state.

(c) Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

(d) Prior to promulgation and adoption of a final rule or rules by the commission, and at least 60 days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

(1) On the website of the commission; and  
(2) on the website of each compact states' psychology regulatory authority or the publication in which each state would otherwise publish proposed rules.

(e) The notice of proposed rulemaking shall include:

(1) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

(2) the text of the proposed rule or amendment and the reason for the proposed rule;

(3) a request for comments on the proposed rule from any interested person; and

(4) the manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

(f) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

(g) The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(1) At least 25 persons who submit comments independently of each other;

(2) a governmental subdivision or agency; or

(3) a duly appointed person in an association that has at least 25 members.

(h) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time and date of the scheduled public hearing.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) No transcript of the hearing is required unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This paragraph shall not preclude the commission from making a transcript or recording of the hearing if the commission so chooses.

(4) Nothing in this article shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

(i) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(j) The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

(k) If no written notice of intent to attend the public hearing by interested parties is

received, the commission may proceed with promulgation of the proposed rule without a public hearing.

(l) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the compact and in this article shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

- (1) Meet an imminent threat to public health, safety or welfare;
- (2) prevent a loss of commission or compact state funds;
- (3) meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or
- (4) protect public health and safety.

(m) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

## ARTICLE XII OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

### (a) *Oversight.*

(1) The executive, legislative and judicial branches of state government in each compact state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a compact state pertaining to the subject matter of this compact that may affect the powers, responsibilities or actions of the commission.

(3) The commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

### (b) *Default, technical assistance and termination.*

(1) If the commission determines that a compact state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(A) Provide written notice to the defaulting state and other compact states of the nature of the default, the proposed means of remedying the default and any other action to be taken by the commission; and

(B) provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to remedy the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compact states, and all rights, privileges and benefits conferred by this compact shall be terminated on the effective date of termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the commission to the governor and the majority and minority leaders of the defaulting state's legislature and each of the compact states.

(4) A compact state that has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(5) The commission shall not bear any costs incurred by the state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(6) The defaulting state may appeal the action of the commission by petitioning the United States district court for the state of Georgia or the federal district where the compact has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney fees.

(c) *Dispute resolution.*

(1) Upon request by a compact state, the commission shall attempt to resolve disputes related to the compact that arise among compact states and between compact and non-compact states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes that arise before the commission.

(d) *Enforcement.*

(1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States district court for the state of Georgia or the federal district where the compact has its principal offices against a compact state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

(b) Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(c) Any compact state may withdraw from this compact by enacting a statute repealing the same.

(1) A compact state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(2) withdrawal shall not affect the continuing requirement of the withdrawing state's psychology regulatory authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

(d) Nothing contained in this compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a compact state and a non-compact state that does not conflict with the provisions of this compact.
