**Joint rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation.** (a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) *Amendment, suspension or revocation of joint rules; previous notice; vote required.* After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of  $\frac{2}{3}$  of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) *Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions.* Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president; and (2) either: (a) A copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence; or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

**Joint rule 2. Joint sessions.** (a) *Joint session called by concurrent resolution; vote required; time, place and subject matter.* A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint

session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) *Presiding officer at joint sessions; record of joint session; rules applicable.* The speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) *Votes in joint session; taking; requirements.* All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

**Joint rule 3. Conference committee procedure.** (a) *Action by house of origin of bill or concurrent resolution amended by other house.* When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) *Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur.* The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) *Motion to nonconcur; when considered final action; effect of adoption of motion.* A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and

the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) *House of origin refusal to concur or nonconcur; request for conference; procedure.* When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) *Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee.* Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not fewer than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) *Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business.* Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted

upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of  $\frac{2}{3}$  of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) *Signatures required on conference committee reports.* All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) *Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.* The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) *Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.* If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent res-

olution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) *Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year.* Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

# Journal of the Senate

FIRST DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Monday, January 11, 2021, 2:00 p.m.

In accordance with the provisions of the Constitution of the State of Kansas and KSA 46-142(d), the 2021 Session of the Kansas Legislature was called to order by Secretary of State Scott Schwab.

## INVOCATION

Secretary Schwab recognized Reverend Cecil T. Washington, Jr., who delivered the invocation:

Praying for Peace in Times of Discord  
Luke 11: 17-18, Isaiah 9:6

Heavenly Father, we're in a season where division and conflict are permeating our society. Here at home and across this nation, the discord is running wild. Lord, You said in Luke 11:17-18, that people divided in civil conflict, cannot survive. So Lord, we need Your peace; not a bogus pseudo peace, but the real peace that only You can provide, and only You can sustain. Isaiah 9:6 declares You as the Prince of Peace. By the power of Your word, You speak and command things into existence. Realizing that You are the One we need to turn to, Sy Miller and his wife Jill wrote a prayer and turned it into a song, asking You for that peace. And the need for that prayer song is so relevant for today. Therefore, Father, In the Name of Jesus, fill our hearts with the desires of this song! Amen!

The Pledge of Allegiance was led by Secretary Schwab.

Secretary Schwab appointed Corey Carnahan to serve as temporary Secretary of the Senate until such time as a permanent Secretary is appointed.

Secretary Schwab requested the reader to call the roll of the Senate from the certified list of members-elect as submitted by the Secretary of State and recorded in the preorganizational meeting on December 7, 2020.

Thirty nine members-elect were present. Senator-elect Estes was excused.

**REMARKS BY PRESIDENT MASTERSON**

To my colleagues, I want to say thank you for your confidence in me to serve as your Senate President. It is a tremendous honor to lead this body as we embark upon a historic and challenging session. With new leadership in our Chamber on both sides of the aisle, we start off with a clean slate and an opportunity to come together on behalf of the people of Kansas.

I also want to congratulate each and every one of you for being elected to represent the people of your individual district as leaders within this beautiful and historic chamber. Each of us has a unique story of how we got here; and each story results in a unique perspective which will bring critical value to our deliberations.

In addition to our diverse life experiences and philosophies, we also have varying levels of experience here in the State Capitol. Some of us have been here for several terms, some are arriving from the across the rotunda, and several are completely brand new to the legislature. The people of Kansas will be well served by this diverse expertise and experience that is present in the body today.

I also want to thank my family. I love all of you dearly, and simply would not be in this seat today if not for your incredible support every step of the way. A debt of gratitude must be extended to ALL of our families who are in attendance today or watching and listening online, and of special note – those who are no longer with us.

To those in our chamber today who have recently lost someone close to them, please know we are all thinking of you and praying for you. To all of our families who allow us to serve, we would simply not be able to do the jobs we do up here if not for your love and support. Thank you.

Today, even in the midst of these difficult and often tumultuous times we are in, let's take a moment to celebrate, for there is still much to be thankful for. Our Constitutions, both federal and state. This beautiful State Capitol and all whom work here to make democracy flourish. The peaceful transfer of power and the rich traditions which we should never take for granted. The ability to engage in respectful and passionate debates about the issues that come before us. And most of all, the people whom we serve, in every corner of our state, who simply want to know their government is working for them and no one else.

As we embark on this session and engage in doing the work we were sent here to do, we are reminded of the tremendous responsibility that rests on our shoulders, and the opportunity to help people in all walks of life. As we debate and consider the bills before us, several words come to mind: Wisdom; Discernment; Respect; Prudence; Civility; Integrity; Humility. If we remember these words as we debate, it will serve us well.

We know there will be times that our debates are passionate, and that is okay – they should be. We are making important decisions that impact the lives of the people we serve. There will be a host of issues that we will discuss over the coming years, and there will be many tough votes along the way. In each instance, let us always put our fellow Kansans First. Thank you for the trust you placed in me and I look forward to working together for this great state. God bless you all.– TY MASTERSON

### **REMARKS BY MINORITY LEADER SYKES**

Mr. President, on behalf of the Senate Democratic caucus, congratulations on your election as President of the Kansas Senate. Also, congratulations to other Senate Republicans representing your caucus in their positions in leadership.

To my fellow Democratic Senators: thank you for trusting me to lead our caucus over the next 4 years. It is an honor to work with all of you. I am grateful to be fighting for Kansas values alongside each of you.

I would like to take the opportunity to thank my predecessor in leadership, Senator Anthony Hensley, for his decades of service to our state and our caucus. His principled dedication and grit have made Kansas a better state for our children and families. It is my hope that as a body, we will approach our coming work with those same values in our hearts.

Congratulations to the 14 newly-elected senators joining us in this chamber for the first time today. I know you all worked hard to earn the confidence of your constituents. I am confident you will work even harder to serve them well.

I especially would like to welcome my caucus's three freshman senators. Having campaigned alongside you this year, I know firsthand your deep commitment to championing policies that will improve the lives of Kansans. I am looking forward to seeing the great work that you do in the Senate.

To our families and friends joining us in person or watching on the live-stream, thank you for your support throughout the election cycle, and for your continued support throughout our terms.

Thank you to my husband, Jeffrey, and to my sons, William and Tyler. Like all legislative families, they understand that my calling to serve requires sacrifice and grace on their part. I am blessed to have them by my side.

Many Kansans rang in the new year with a renewed sense of hope and optimism after a year full of challenges for our country; this pandemic has required flexibility, sacrifice, and resiliency for the people of Kansas and our country. Already this year, over 58,000 vaccine doses have been administered in Kansas.

Our state secured more than \$2.5 billion in capital investments last year, which will result in new jobs and a boost to our economy. We are not yet out of the woods, but with a renewed sense of communal responsibility to keep our fellow Kansans safe, we can make this year better than the last.

I, too, am ringing in our new legislative session with hope and optimism that we will turn the challenges we face into opportunities to move our state forward. The Democratic caucus is resolved to work hard on behalf of the people of Kansas; to listen to and learn from our neighbors, and bring their ideas to the table; to approach these issues with a bi-partisan spirit; to find opportunities for collaboration with our colleagues from across the aisle; to hold one another accountable to our common purpose; and to lead with courage, compassion, and common sense.

Because while there is much hope in this new year and our new session, our state still has a tough road ahead. The economic consequences of the pandemic present yet another roadblock in our path to recovery from years of devastation. Tens of thousands of vulnerable Kansans continue to lack access to affordable healthcare during one of the worst public health events in our country's history. Rural hospitals are closing when access to care is critical to saving lives from this deadly virus. Too many Kansans remain unemployed, underemployed, and struggle navigating a safety net that was neglected for decades and left under-prepared to handle the current crisis.

It is our responsibility to address these challenges head-on, to move our state forward, and to improve the lives of the people of Kansas. Each of us offers a unique perspective on the problems facing our state. We do not always agree on how best to respond. But we share a commitment to our neighbors and the communities we represent. We share a common goal of creating a better future for Kansas children.

In my tenure in the Senate, I have been most proud of the times we have put aside ideological differences to do what's best for Kansas families. Together we have reversed failed tax policies, developed a new school finance formula ending a decade of litigation, enacted protections for survivors of domestic violence, and passed balanced budgets to put our state back on track. We have come together in good faith to learn, debate, and seek compromise. We have seized opportunities to govern with courage and conviction.

While this does not paint a complete picture of our work – which can be frustrating and at times disheartening – it does represent us at our best, and Kansans deserve nothing less. As we begin the work ahead, I ask that we put forth this best version of ourselves; that we remain dedicated to seeking common ground; that we are clear and intentional about governing based on facts, and telling our constituents the truth, even when it may not be what they want to hear; that we put the well-being of Kansans ahead of partisan politics; and that we are guided by grace. Let's get to it.—DINAH SYKES

SENATE CONCURRENT RESOLUTION No. 1602—

By Committee on Judiciary

A PROPOSITION to amend the constitution of the state of Kansas by adding a new article thereto stating that there is no constitutional right to abortion, and reserving to the people the ability to regulate abortion through the elected members of the legislature of the state of Kansas.

WHEREAS, This proposition to amend the bill of rights of the constitution of the state of Kansas shall be known and may be cited as the Value Them Both Amendment.

Now therefore:

*Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein.*

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: The bill of rights of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

**"§ 22. Regulation of abortion.** Because Kansans value both women and children, the constitution of the state of Kansas does not require government funding of abortion and does not create or secure a right to abortion. To the extent permitted by the constitution of the United States, the people, through their elected state representatives and state senators, may pass laws regarding abortion, including, but not limited to, laws that account for circumstances of pregnancy resulting from rape or incest, or circumstances of necessity to save the life of the mother."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

*"Explanatory statement.* The Value Them Both Amendment would affirm there is no Kansas constitutional right to abortion or to require the government funding of abortion, and would reserve to the people of Kansas, through their elected state legislators, the right to pass laws to regulate abortion, including, but not limited to, in circumstances of pregnancy resulting from rape or incest, or when necessary to save the life of the mother.

"A vote for the Value Them Both Amendment would affirm there is no Kansas constitutional right to abortion or to require the government funding of abortion, and would reserve to the people of

Kansas, through their elected state legislators, the right to pass laws to regulate abortion.

"A vote against the Value Them Both Amendment would make no changes to the constitution of the state of Kansas, and could restrict the people, through their elected state legislators, from regulating abortion by leaving in place the recently recognized right to abortion."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate, and two-thirds of the members elected (or appointed) and qualified to the House of Representatives shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at a special election which is hereby called on August 2, 2022, pursuant to section 1 of article 14 of the constitution of the state of Kansas, to be held in conjunction with the primary election held on such date.

SENATE CHAMBER, TOPEKA, KANSAS

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 38 senators present.

Invocation by Reverend Cecil T. Washington:

A Smile; Antidote for the Deadly Disease of Discord  
Matthew 10:1, Matthew 18:19-20, Luke 11:17

Heavenly Father, Your unfailing Word assures us, that You will bless any state of affairs, where togetherness exists; where the unity is based on a common devotion to the principles of Your Word (Matthew 18:19-20). So, when elements invade us, that are foreign to our wellbeing; when the enemy of unity looks for ways to occupy, give us one of Your tested and proven injections of love for one another. Remind us to be kind, and to try seeing things through the eyes of others. As You used the Apostles, in Matthew 10:1, to heal diseases, use us in healing the deadly diseases of discord. The diseases that divide us; the disease of pride; of unforgiveness; and of every other negative that would tempt us and diminish our success. (Luke 11:17) On this very day, by Your Holy Spirit, cleanse from us any attitude, that would hinder our attitude, since You created each of us and no one is more significant than another, help us to put a smile on someone's face, and give them a thumbs up! In the words of song writer Kirk Franklin, You even look better when you smile! Lord, in the Name of Jesus, I thank you for the day. You put a smile in my heart that in a wonderful way, showed up on my face, Amen and Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

## FOURTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Thursday, January 14, 2021, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 36 Senators present.  
Senators Baumgardner, Claeys, Estes and Faust-Goudeau were excused.

Invocation by Reverend Cecil T. Washington:

Listening To The Right Voice!  
James 4:6, I Kings 19:12

Lord, with bowed heads and hearts of humility, we come today with gratefulness. We're grateful to You for the privilege we've been given to serve.

You've charged us to listen to the voice of the people; to represent them and to offer our voices on their behalf.

This is a tremendous responsibility that we cannot achieve apart from the effectiveness of Your grace. So, Lord, that we may flow in Your grace, give us the initiative to humble ourselves! So we won't have to experience, as it says in James 4:6, You resisting us and Sovereignly humbling us.

The task that You've given us requires that, in serving Your people, we listen to them; that we hear the concerns of their hearts and make decisions on their behalf.

But keep us mindful that the far greater obligation is to be serving You; to be listening for Your voice; to hear the concerns of Your heart; that our decisions will be expressions of Your will, which will ultimately be for the good of the people.

Above all, Lord, restrain us from self-serving and tune our ears to that still, small, quiet voice of Yours, described in I Kings 19:12. Because, Lord, we really don't want You to have to raise Your voice and go to getting loud on us!

Our ears are therefore open, as we are listening and longing for Your direction.

Father, I come to You in the Name of Jesus, Who gave us the best example of listening to You. Amen and Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

On motion of Senator Suellentrop, the Senate recessed until the sound of the gavel.

### EXPLANATION OF VOTE

Mr. President: I vote "PASS" on **SB 13**. I appreciate that the bill eliminates the property tax lid, however I am concerned that the "revenue neutral rate" does not more appropriately take into consideration any increased valuation within a taxing subdivision for the current year.—MARCI FRANCISCO

Mr. President: The underlying policy of **SB 13**, government transparency, is something we all support for government in Kansas. I have heard from constituents that there is some room for improvement in this legislation and am concerned we have moved very quickly. Some of our colleagues have not even been in this body a week, and this non-emergency legislation has moved forward with stunning quickness. Despite some trepidation, I vote "YES" on **SB 13**. I look forward to this legislation receiving additional scrutiny and coming back to us as the best possible product.—

DINAH SYKES

Invocation by Reverend Cecil T. Washington:

Paying For Our Leaders And Peaceful Lives!  
Romans 13:1, I Timothy 1:1-4, I Thessalonians 5:17

Heavenly Father, In the United States Capital, here in Kansas, and in capitals all across this land, there are new individuals taking oaths to serve under Your Divine authority.

We find in Romans 13:1 that it is by Your divine providence, that each of these positions is filled. And in I Timothy 1:1-4, You tell us to pray for our leaders, so that we may live peaceful, quiet, lives; lives that reflect a calm Godly dignity. And, You give us this very critical directive in I Thessalonians 5:17. You tell us to “Pray, Without Ceasing!”

But Lord, with all the unrest that we see it seems that we’re not praying enough, or maybe there’s not enough of us praying. Lord, You call us to pray, because the reconciling of differences; the ending of hostilities begins with You. It starts at the top.

So Lord, we look to You! We appeal to You! Give us the wisdom and the guidance to reject ways that injure, and to hold tightly to ways that are Godly. We’re trusting You to take us to that place of peace.

I bring this humble request to You, in the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

On motion of Senator Suellentrop, the Senate recessed until the sound of the gavel.

The Senate met pursuant to recess with President Masterson in the chair.

### EXPLANATION OF VOTE

Mr. President: We had the opportunity to appoint a man of integrity and an enormously qualified attorney to the bench today. We had the opportunity to choose courage over comfort and appoint someone with a unique, valuable perspective to serve on our appellate court. It is disappointing that this body considers the execution of our constitution to be too unsavory a duty for a well-respected attorney to serve as a judge. And it is damning that participation in constitutionally-guaranteed due process is considered radical activism by some in this chamber. In not confirming Carl Folsom for the second time today, we have failed Kansans and our constitution.—DINAH SYKES

Senator Pettey requests the record to show that she concurs with the Explanation of Vote offered by Senator Sykes.

## HOUSE CONCURRENT RESOLUTION No. 5003—

By Committee on Federal and State Affairs

A PROPOSITION to amend the bill of rights of the constitution of the state of Kansas by adding a new section thereto stating that there is no constitutional right to abortion and reserving to the people the ability to regulate abortion through the elected members of the legislature of the state of Kansas.

WHEREAS, This proposition to amend the bill of rights of the constitution of the state of Kansas shall be known and may be cited as the Value Them Both Amendment.

Now, therefore:

*Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:*

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: The bill of rights of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

**"§ 22. Regulation of abortion.** Because Kansans value both women and children, the constitution of the state of Kansas does not require government funding of abortion and does not create or secure a right to abortion. To the extent permitted by the constitution of the United States, the people, through their elected state representatives and state senators, may pass laws regarding abortion, including, but not limited to, laws that account for circumstances of pregnancy resulting from rape or incest, or circumstances of necessity to save the life of the mother."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

*"Explanatory statement.* The Value Them Both Amendment would affirm there is no Kansas constitutional right to abortion or to require the government funding of abortion, and would reserve to the people of Kansas, through their elected state legislators, the right to pass laws to regulate abortion, including, but not limited to, in circumstances of pregnancy resulting from rape or incest, or when necessary to save the life of the mother.

"A vote for the Value Them Both Amendment would affirm there is no Kansas constitutional right to abortion or to require the government funding of abortion, and would reserve to the people of Kansas, through their elected state legislators, the right to pass laws to regulate abortion.

"A vote against the Value Them Both Amendment would make no changes to the constitution of the state of Kansas, and could restrict the people, through their elected state legislators, from regulating abortion by leaving in place the recently recognized right to abortion."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the

members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at a special election which is hereby called on August 2, 2022, pursuant to section 1 of article 14 of the constitution of the state of Kansas, to be held in conjunction with the primary election held on such date.

Such statements shall be made either immediately before or immediately after the vote is called but before the result is announced. The question on excusing any Senator from voting shall be taken without debate and a majority of those voting shall be necessary to excuse the Senator. (b) A request for division of question shall be in writing specifying the manner in which the question is to be divided.

**Rule 28. Reconsideration of Pending Matters.** When a question has been once put and decided it shall be in order for any Senator who voted with the prevailing side to move for a reconsideration thereof, but no motion for reconsideration of any vote shall be in order after the bill, resolution, message, report, amendment or motion, upon which the vote was taken, shall have gone out of the possession of the Senate, nor shall any

If the previous question is decided in the affirmative by a majority vote of those present, the main question shall be put without further amendment or debate. If amendments are pending a motion for the previous question shall concern only the last amendment that is pending on which, if the previous question is adopted, the debate will be closed only upon such amendment. Whenever a bill or resolution is so reported, it shall be placed upon a separate calendar, to be known as the Consent Calendar. Each bill or resolution appearing on the Consent Calendar shall remain thereon for at least two full legislative days before being considered under the order of business Final Action. At any time prior to the call for the vote under the order of business Final Action on a bill or resolution on the Consent Calendar, any member may object to the same as being controversial and the same shall be stricken from the Consent Calendar and take its place on General Orders in the usual order. If no such objection is made prior to the call for such vote on the bill or resolution, it shall be voted upon with other bills and resolutions under the order of business Final Action but before consideration of other bills or resolutions appearing on the calendar under such order of business.

**Rule 34. Final Action on Bills and Concurrent Resolutions.** On final action on any bill or concurrent resolution, the reading clerk shall read the title, except citations to statutes amended or repealed. If the bill is reported for final action without debate, the question shall be at once put: "Shall the bill pass?" No debate shall be allowed, and no motion shall be in order except the motion for a call of the Senate, unless in case where a bill has been ordered to be placed on final action subject to amendment, or to amendment and debate or unless by the unanimous consent of the Senate, amendments may be made and considered. Like procedure shall apply to concurrent resolutions except that the question put shall be: "Shall the resolution be adopted?" On final action, bills and resolutions may be bulked together for roll call unless objection be made by any Senator.

**Rule 35. Final Passage by Yeas and Nays.** The question upon the final passage of a bill and every concurrent resolution for amendment of the constitution of Kansas or ratification of an amendment to the Constitution of the United States shall be taken by a roll call vote of the yeas and nays, which shall be entered on the Journal, and unless the bill or concurrent resolution receives the number of votes required by the constitution to pass it, it shall be declared lost, except in cases provided for in Rule 36 (relating to the absence of a quorum).

**Rule 36. If the committee report is not adopted, the bill or resolution, without committee amendments, shall be considered section by section, and as each section is considered amendments from the floor are in order to that section. After a section has been considered, no amendment thereto shall be in order until the whole bill or resolution has been read through. After the original bill or resolution, together with standing committee amendments, has been considered section by section the chairperson shall announce "Amendments to the bill (or resolution) generally are in order," and amendments not before offered may be made to any part of the bill or resolution. A motion to amend the bill or resolution shall not be in order while a motion to strike the enacting clause or resolving clause is pending.

**Rule 43. Amendments.** (1) Amendments to bills shall be germane to the subject of the bill being amended, and the fact that an amendment is to a section in the same

A motion that the Committee of the Whole shall rise and report progress on any bill shall always be in order and shall be decided without debate, and the matter being considered shall be the first order of business at the next session of the committee, subject to such postponement as the subsequent Committee of the Whole may determine. ## TENTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
 Monday, January 25, 2021, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.  
 The roll was called with 38 senators present.  
 Senators Alley and Estes were excused.

Invocation by Reverend Cecil T. Washington:

Connecting Earthly Matters To Heavenly Concerns!  
 Isaiah 55:9, Romans 12:2, Jeremiah 18:1-9

Heavenly Father, thank You for this time of prayer, when we take a moment to connect time to eternity and to relate matters that are earthly to concerns that are Heavenly.

You said in Isaiah 55:9, that just as the heavens are higher than the earth, Your ways are higher than ours, and Your thoughts higher than ours, all the more reason that we need this prayer connection.

So Lord, as we pray, help us rise above the normal. Even when taking us higher gets uncomfortable. Show us the principles that are rooted in Your will versus the preferences rooted in self will.

You said in Romans 12:2 that we're not to let ourselves be conformed or pressed into copying worldly patterns of thinking but we're to let You alter our thinking so as to meet Your approval.

Lord, help us to remember, that the few days of authority that we have are just being loaned to us, borrowed from You, and accountable as to how we use them. And although some of the people have given us their approval, we're answerable first and foremost to You.

You are God of all creation; God of the universe and God of these United States. You are God of all those that govern. So Lord, as the potter in Jeremiah 18:1-9 shapes, molds, and reshapes the clay to conform it to His liking, do that with us.

After all has been said and done, when we look back upon these days, and stand before Your throne, Lord, we want to hear words that denote Your approval.

This prayer is uttered in the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by Senator Wilborn.

**MESSAGES FROM THE GOVERNOR**

January 25, 2021

**Message to the Kansas Senate  
Executive Reorganization Order No. 47**

Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I transmit Executive Reorganization Order No. 47 to the Kansas Legislature along with this message to the Senate.

Effective July 1, 2021, this reorganization creates the Kansas Department of Human Services (“KDHS”), which will be responsible for all current programs, responsibilities, functions, and duties of the Department for Children and Families (“DCF”) and the Department for Aging and Disability Services (“KDADS”). Unlike Executive Reorganization Order 44, which was submitted last year, this order does not affect the juvenile services division of the Department of Corrections. DCF and KDADS will be dissolved, but no current responsibilities, duties, or functions will be abolished.

Creating the Department of Human Services ensures Kansas families and individuals have easier access to critical services and improves engagement among our service centers, clients, and local stakeholders by creating a single point of entry for those accessing a variety of critical services. The new KDHS will allow us to focus on prevention, so that we can identify and serve Kansans in need before their situation becomes a crisis that is more costly to both themselves and our communities. Through partnering with communities across the state, KDHS will establish a one-stop-shop for Kansans in need of such services and will ensure that our government delivers those services in the most efficient and effective manner.

I look forward to working with the Senate to improve our ability to serve Kansans in need and to build healthy communities across our State.

Respectfully,  
Governor LAURA KELLY

**Message to the Kansas Senate  
Executive Reorganization Order No. 48**

Pursuant to Article 1, Section 6, of the Constitution of the State of Kansas, today I transmit Executive Reorganization Order No. 48 to the Kansas Legislature along with this message to the Senate.

Effective July 1, 2021, this reorganization moves the Division of Tourism out of the Kansas Department of Wildlife, Parks, and Tourism and relocates the Division of Tourism in the Kansas Department of Commerce. This move will more closely align our state's efforts to increase tourism with the economic development efforts of the Department of Commerce. None of the Division of Tourism's current responsibilities, duties, or functions will be abolished.

This reorganization is the product of consultation and discussion with businesses, destination marketing organizations, and other key industry partners, including the Travel Industry Association of Kansas, the Kansas Restaurant & Hospitality Association, and the Kansas Economic Development Alliance. The move will send a clear message to our industry partners and prospective companies that Kansas will use every tool at its disposal to spur new economic development.

Kansas is not just a great place to live and work, it's a great place to visit. I look forward to working with the Senate to build on our efforts to support and increase tourism as we help our economy recover.

Respectfully,

GOVERNOR LAURA KELLY

## THIRTEENTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Thursday, January 28, 2021, 2:30 p.m.

The Senate was called to order by President Ty Masterson.  
The roll was called with 39 senators present.  
Senator Estes was excused.

Invocation by Reverend Cecil T. Washington:

Finding Protection Under God's Wings!

Psalm 91:1-16, 1 Corinthians 13

Heavenly Father, again we thank You for Your grace; for bestowing upon us blessings that we'd be hard pressed to say we deserve. And thanks for Your kindness in those times when You protect us from some of the stuff that we do deserve. In holding on to Your words, in Psalm 91, it's comforting to know, that because of Your loving kindness we don't have to fear the things that would bring us to ruin.

Like a mother hen, protecting her baby chicks, You cover us under Your wings. and we find refuge. Thank You Lord, for not leaving us subjected to the shortcomings of our own frail defenses. Like little baby chicks, becoming reflections of their mother, You've created us to become images of You, standing for right and righteousness. Yet, we're in a world that is challenging; a world that wants to rename right as wrong, and wrong as right.

Lord, let the decisions coming from these halls, that are to bless Your people, be reflections of love and compassion, not as redefined by us, but as well defined by the "Love Chapter" in Your Holy Word, 1 Corinthians 13.

In Psalm 91:14-16, You say that if we acknowledge Who You are, calling on You and clinging to You, that You will answer, deliver, honor and satisfy.

As we place our trust in You, bless us with long life, and show us Your salvation. In the precious name of our Lord and Savior, I cry Amen!

The Pledge of Allegiance was led by President Ty Masterson.

SENATE CONCURRENT RESOLUTION No. 1604—

By Committee on Judiciary

A PROPOSITION to amend section 5 of article 1 of the constitution of the state of Kansas, allowing for a petition process to call the legislature into special session during a state of disaster emergency.

*Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:*

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 5 of article 1 of the constitution of the state of Kansas is hereby amended to read as follows:

**"§ 5. Governor's duties for legislature; messages; special sessions; adjournment.** The governor may, on extraordinary occasions, call the legislature into special session by proclamation; and shall call the legislature into special session, upon petition signed by at least two-thirds of the members elected to each house *or, during a state of disaster emergency as provided by law, upon petition signed by at least 5,000 qualified voters of the state. For a petition submitted by voters during a state of disaster emergency, petitioners shall file the signed petition with the secretary of state, who shall have seven days to determine if the petition contains the requisite number of valid signatures and to notify the governor of such determination.* At every session of the legislature the governor shall communicate in writing information in reference to the condition of the state, and recommend such measures as ~~he~~ *the governor* deems expedient. In case of disagreement between the two houses in respect of the time of adjournment, the governor may adjourn the legislature to such time as ~~he~~ *the governor* deems proper, not beyond its next regular session."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

*"Explanatory statement.* The purpose of this amendment is to allow the voters of the state to require the governor to call the legislature into special

session during a state of disaster emergency through a petition process.

"A vote for this proposition would amend the Kansas constitution to provide the voters of the state the ability to require the governor to call the legislature into special session during a state of disaster emergency by submitting a petition signed by at least 5,000 qualified voters to the secretary of state. Currently, a special session of the legislature may only be called by the governor on extraordinary occasions or upon petition signed by at least two-thirds of the members elected to each house.

"A vote against this proposition would not amend the constitution, in which case the voters would not have the ability to require the governor to call the legislature into special session."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at a special election, which is hereby called on November 2, 2021, pursuant to section 1 of article 14 of the constitution of the state of Kansas, to be held in conjunction with any general election as provided by law to be held on such date.

#### EXPLANATION OF VOTE

Mr. President: As a mother of three daughters, it is incomprehensible to me that this body would not do everything in its power to make sure that if they were in a difficult situation that they were not being pressured or coerced into having an abortion. If the abortion industry is about empowering girls and women to make fully informed decisions, then they should be supporting this amendment, not opposing the most basic regulations at every turn. I am voting yes on Value Them Both because all women deserve at the very least the dignity and respect of someone looking out for their best interest.—MOLLY BAUMGARDNER

Mr. President: I support **HCR 5003** because I am pro-life and believe that life should be protected womb to tomb, because every person is a child of God. I also believe people do not lose that status, regardless of their journey in life. Government should never be in charge of dictating when an individual dies.—CAROLYN MCGINN

Mr. President: All Kansas women considering whether to undergo an abortion, including those women in the most difficult of pregnancies and circumstances, deserve at the very least informed consent about the procedure, clinic licensing and a duly-qualified medical professional who will perform the procedure. I support the Value Them Both Amendment because, among other reasons, it ensures that Kansans, through their duly elected Representatives and Senators, can preserve and enact those and other safeguards for women's health.—KELLIE WARREN

Senators Erickson and Gossage request the record to show they concur with the "Explanation of Vote" offered by Senator Warren on **HCR 5003**.

MR. PRESIDENT: I vote "NO" on **HCR 5003**. This legislature has been given both the opportunity and the responsibility to pass concurrent resolutions to allow the voters of Kansas to amend their Kansas Constitution. I take that responsibility seriously. I will not support this measure that would allow a majority of the voters who turn out for an election scheduled on the date of a primary election to restrict the natural right for personal autonomy of women, including women in circumstances of pregnancy resulting from rape or incest, or when necessary to save the life of the mother. I am also concerned that, for that vote, a majority of Senate members rejected the amendment that would modify the explanatory statements to that are printed on the ballot. In particular, in describing "A vote against" the language printed will be that such vote would restrict the people, through their elected state legislators, from regulating abortion when in fact, such vote would allow the people to regulate abortion as long as the state establishes a compelling state interest and the regulations are narrowly tailored to promote that interest. We should be truthful with the voters in presenting the amendment.—MARCI FRANCISCO

Senator Haley requests the record to show that he concurs with the "Explanation of Vote" offered by Senator Francisco on **HCR 5003**.

Mr. President: I vote "NO" on **HCR 5003**. I consider myself to be both pro-life and pro-choice. I have always respected my friends, family, and legislative colleagues who have different opinions on this issue. However, the Constitutional amendment addresses a difficult, highly moral decision which I believe the government should not make on behalf of women. This issue becomes even more important when we look at the wording of our Kansas Constitution and the Bill of Rights. Our Bill of Rights states, "All men are possessed of equal and inalienable natural rights, among which are life, liberty, and the pursuit of happiness." I believe our Supreme Court was correct in recognizing that the term "men" includes women, that those rights for everyone include personal autonomy, and that personal autonomy extends to decisions about pregnancy. I believe that the Legislature still retains appropriate authority to regulate health care when there is a compelling state interest. However, I cannot support this amendment because of my deep belief in maintaining the basic rights guaranteed by the Kansas Constitution.—TOM HAWK

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hawk on **HCR 5003**.

Madam President: I vote NO on **HCR 5003** as I believe it could be exploited to severely restrict a woman's constitutional right to bodily autonomy.—TOM HOLLAND

Senator Francisco and Haley request the record to show they concur with the "Explanation of Vote" offered by Senator Holland on **HCR 5003**.

Mr. President: I vote "NO" on **HCR 5003**. Champions of this amendment have created a dichotomy that allows proponents to claim moral superiority over legislators attempting to address complicated realities faced by everyday Kansans. If we really valued the lives of women, those who are pregnant, infants, and children, we would provide universal early childhood education programs to Kansas families, which radically improve a child's chances of succeeding mentally, emotionally, and economically in life. And though some in this chamber don't want to hear it, we would expand Medicaid, which would provide affordable healthcare to 165,000 vulnerable Kansans. Instead, we are weaponizing fear and emotion to control our fellow Kansans. This is a mistake and we will regret this politically craven vote.—DINAH SYKES

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **HCR 5003**.

Mr. President: I vote "NO" on **HCR 5003**. We have an opportunity to put basic protections for case where the life of the mother are in jeopardy, and it is a tragedy we are not putting those in this resolution when modifying the most sacred law of our land, our Kansas Constitution.—JEFF PITTMAN

#### **COMMITTEE OF THE WHOLE**

The Senate returned to Committee of the Whole with Senator McGinn in the chair.

On motion of Senator McGinn the following report was adopted:

**HCR 5001; SR 1705** be adopted.

**SR 1705** be amended by motion of Wilborn; on page 18, in line 16, after "Vote" by inserting "; Food and Drink"; in line 17, by striking "use of telephones and the"; in line 18, by striking "are" and inserting "is"; in line 24, after "recorders" by inserting ",

cellular devices used as a video recording device"; also in line 24, after "prohibited" by inserting ", except for the official live feed of Senate proceedings or as granted by permission of the President. FIFTEENTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Monday, February 1, 2021, 2:30 p.m.

The Senate was called to order by President Ty Masterson.  
The roll was called with 39 Senators present.  
Senator Estes was excused.  
Invocation by Reverend Cecil T. Washington:

Black History, By Our God, Is His-Story!  
Genesis 37:12-41:9

Heavenly Father, in 1976, President Gerald Ford called upon this nation to “seize the opportunity to honor the often neglected accomplishments of Black Americans in every endeavor throughout history.” Thank You Lord, for the way those achievements have significantly enhanced the quality of life for all people. Thank You also, for moving our society more and more toward the recognition and appreciation of Black contributions.

In Genesis 37:12 through 41:9, Joseph was wrongly enslaved. But You stuck by him and during the time of his bondage, You gave him a freedom on the inside that kept him connected to You. And being connected to You, he became a blessing to others but there was one, who forgot about Joseph. He was blessed by Joseph’s efforts, but forgot about him when he could have returned the favor.

Lord, thank You for those today that are not forgetting, but are helping us to remember Black History and Black contributions. When we consider the multitude of blessings derived from the Black community, help us to remember that being connected to You is what makes the difference. And as a result, the world for all of us, is a better place.

Keep us mindful then, that we’re all connected; that Black history is interwoven with all our history. And the real purpose for Black Lives to Matter is to stay tied together with You and through You, be a blessing to all lives. I humbly submit this prayer, In the Name of Jesus, Amen!

The Pledge of Allegiance was led by President Masterson.

On motion of Senator Suellentrop, the Senate recessed until the sound of the gavel.

"A vote against this proposition would not make any changes to the constitution and would not reserve the powers of initiative and referendum to the people."

## **SPECIAL REMARKS**

Senator David Haley submitted the following remarks:

Mr. President: Americans are known to begin a National Anthem with the question: "Oh say can you see by the dawn's early light; what so proudly we hailed at the twilight's last gleaming ... ?"

Today on the first day of Black History Month, with the month of February being the shortest of our calendar, I ask each of us to consider, albeit briefly, the meaning behind

the proud declarations found in what is known as “The Negro National Anthem”; once a poem, and first recited and sung by 500 school children on February 12, 1900, in celebration of President Lincoln’s birthday.

LIFT every voice and sing until Earth and Heaven ring  
 Ring with the harmonies of liberty.  
 Let our rejoicing rise High as the listening skies  
 Let it resound; loud as the rolling sea.  
 Sing a song full of the faith that the dark past has brought us,  
 Sing a song full of the hope that the present has brought us;  
 Facing the rising sun of our new day begun,  
 Let us march on till victory is won.  
 STONY the road we trod, bitter the chastening rod,  
 Felt in the days when hope unborn had died;  
 Yet with a steady beat, have not our weary feet,  
 Come to the place for which our father sighed?  
 We have come over a way that with tears have been watered.  
 We have come, treading our path through the blood of the slaughtered.  
 Out from the gloomy past, till now we stand at last  
 Where the white gleam of our bright star is cast.  
 GOD of our weary years, God of our silent tears,  
 Thou Who hast brought us thus far on the way;  
 Thou Who hast by Thy might, led us into the light,  
 Keep us forever in the path, we pray.  
 Lest our feet, stray from the places our God where we met Thee.  
 Lest our hearts, drunk with the wine of the world we forget Thee.  
 Shadowed beneath Thy hand, may we forever stand,  
 True to our God, true to our native land.  
 (LIFT EVERY VOICE AND SING "The Negro National Anthem")

James Weldon Johnson

Mr. President and Fellow Senators: Our constituencies are often a multi-hued collaboration of race, color, creeds that provide sinew in the building, together of our great State and this great Country.

This melting pot, no, this “stir fry” of blending that makes us so unique and proud in the world should be shared by recognizing the contributions this month of Black Americans in our State (or Afri-Kansans, as I often call us!) some whose roots go back to an ancestry that escaped from other States or fled, as Exodusters, from a repressive life in the South or who relocated here in Kansas because we have always been billed, since our compromise in being admitted into the United States in 1861, as a beacon to “life, liberty and the pursuit of happiness” for ALL people.

We proudly ask this month be remarked and remembered!

## EIGHTEENTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Thursday, February 4, 2021, 2:30 p.m.

The Senate was called to order by President Ty Masterson.  
The roll was called with 38 senators present.  
Senators Alley and Estes were excused.  
Invocation by Reverend Cecil T. Washington:

A Firm Anchor; The Law of Love!  
Matthew 22:36-40, I Corinthians 13

Heavenly Father, in the midst of uncertainty, thank You for providing something that is certain. And when the state of our being is unstable, we're grateful that we can find in You, a firm foundation. You have provided us with the security of an anchor, that will keep us from aimlessly drifting in the madness of life.

You said in Matthew 22:36-40, that if we love You with everything we've got and then love others with the same love we have for ourselves, all of our necessities You would provide. Therefore our greatest security rests in holding on to the anchor; the Word of Your promise.

Although we're living in a hectic world, keep us mindful that Your precious promises are strong and secure. And anything that You make secure, cannot be destabilized, destroyed or removed from us. In I Corinthians 13, You said love is patient with others, kind to people and that it grips a host of other characteristics.

Lord, let the attributes of love for You and for one another, be the firm anchor that we hold dear to our hearts. Let the love and peace of God begin; let it begin right here. In the loving Name of Jesus, I offer this prayer, Amen!

The Pledge of Allegiance was led by President Ty Masterson.

SENATE CONCURRENT RESOLUTION No. 1606—

By Committee on Local Government

A PROPOSITION to amend article 9 of the constitution of the state of Kansas by adding a new section thereto; concerning home rule for counties.

*Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:*

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 9 of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

**"§ 6. Counties' power of home rule.** (a) Counties are hereby empowered to determine their local affairs and government including the levying of taxes, excises, fees, charges and other exactions, except when and as the levying of any tax, excise, fee, charge or other exaction is limited or prohibited by enactment of the legislature

applicable uniformly to all counties of the same class. The legislature may establish not to exceed four classes of counties for the purpose of imposing all such limitations or prohibitions. Counties shall exercise such determination by resolution passed by the governing body with referendums only in such cases as prescribed by the legislature, subject only to enactments of the legislature of statewide concern applicable uniformly to all counties, to other enactments of the legislature applicable uniformly to all counties, to enactments of the legislature applicable uniformly to all counties of the same class limiting or prohibiting the levying of any tax, excise, fee, charge or other exaction and to enactments of the legislature prescribing limits of indebtedness. All enactments relating to counties now in effect or hereafter enacted and as later amended and until repealed shall govern counties, except as counties shall exempt themselves by charter resolutions as herein provided for in subsection (b).

(b)(1) Any county may by charter resolution elect in the manner prescribed in this section that the whole or any part of any enactment of the legislature applying to such county, other than enactments of statewide concern applicable uniformly to all counties, other enactments applicable uniformly to all counties, and enactments prescribing limits of indebtedness, shall not apply to such county.

(2) A charter resolution is a resolution which exempts a county from the whole or any part of any enactment of the legislature as referred to in this section and which may provide substitute and additional provisions on the same subject. Such charter resolution shall be so titled, shall designate specifically the enactment of the legislature or part thereof made inapplicable to such county by the adoption of such resolution and contain the substitute and additional provisions, if any, and shall require a two-thirds vote of the members-elect of the governing body of such county. Every charter resolution shall be published once each week for two consecutive weeks in the official county newspaper or, if there is none, in a newspaper of general circulation in the county.

(3) No charter resolution shall take effect until 60 days after its final publication. If, within 60 days of its final publication, a petition signed by a number of electors of the county equal to not less than 10% of the number of electors who voted at the last preceding regular county election shall be filed in the office of the clerk of such county demanding that such resolution be submitted to a vote of the electors, it shall not take effect until submitted to a referendum and approved by a majority of the electors voting thereon. An election, if called, shall be called within 30 days and held within 90 days after the filing of the petition. The governing body shall pass a resolution calling the election and fixing the date, which resolution shall be published once each week for three consecutive weeks in the official county newspaper or, if there be none, in a newspaper of general circulation in the county, and the election shall be conducted as

elections for officers and by the officers handling such elections. The proposition shall be: "Shall charter resolution No. \_\_\_\_\_, entitled (title of resolution) take effect?" The governing body may submit any charter resolution to a referendum without petition by the same publication of the charter resolution, and the same publication of the resolution calling the election as for resolutions upon petition and such charter resolution shall then become effective when approved by a majority of the electors voting thereon. Each charter resolution becoming effective shall be recorded by the county clerk in a book maintained for that purpose with a statement of the manner of adoption, and a certified copy shall be filed with the secretary of state, who shall keep an index of the same.

(4) Each charter resolution enacted shall control and prevail over any prior or subsequent act of the governing body of the county, and may be repealed or amended only by charter resolution or by enactments of the legislature applicable to all counties.

(c) Powers and authority granted to counties pursuant to this section shall be liberally construed for the purpose of giving to counties the largest measure of self-government.

(d) This amendment shall be effective on and after July 1, 2023."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

*"Explanatory statement.* This amendment would provide a constitutional basis for county home rule. A county could enact a charter resolution to exempt itself from non-uniform state laws that apply to the county and provide substitute or additional provisions to that law. The legislature could preempt counties from exercising home rule powers by the passage of uniform state laws that apply to all counties in the exact same manner. Counties could pass home rule resolutions to legislate locally on matters not covered by state law.

"A vote for this proposition would empower counties to determine their local affairs and government with a constitutional grant of power that could only be preempted by enactments of the legislature that apply uniformly to all counties in the exact same way.

"A vote against this proposition would retain the present law granting counties home rule power and other both uniform and non-uniform laws pertaining to counties that can be readily amended by the legislature to restrict home rule powers by statute."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2022, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

## SENATE CONCURRENT RESOLUTION No. 1607—

By Senator Pyle

A PROPOSITION to amend article 6 of the constitution of the state of Kansas by creating a new section limiting the authority to close a school district or attendance center within a school district to locally elected boards of education.

*Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:*

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 6 of the constitution of the state of Kansas is hereby amended by adding a new section thereto to read as follows:

**"§ 11. Closure of school districts or attendance centers. (a)**

The locally elected board of a school district shall be the only government entity that may close a school district or attendance center within such school district, except as provided by law.

(b) The executive branch, judicial branch, state board of education or any constitutional officer of the executive department shall not have the authority to effectuate the closure of a school district or attendance center within such school district by limiting, transferring, redirecting or stopping the expenditure of funds appropriated by law, except as provided by law."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

*"Explanatory statement.* The purpose of this amendment is to clarify that except as provided by law, the locally elected board of a school district shall be the only governmental entity that may close schools and the executive branch, judicial branch, state board of education or any constitutional officer of the executive department shall not have the authority to effectuate the closure of a school by limiting, transferring, redirecting or stopping the expenditure of funds appropriated by law.

"A vote for this proposition would clarify that except as provided by law, the locally elected board of education of a school district shall be the only governmental entity that may close schools.

"A vote against this proposition would provide no change to the Kansas constitution."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2022, unless a special election is called at a sooner date by concurrent resolution of

the legislature, in which case it shall be submitted to the electors of the state at the special election.

MR. PRESIDENT: I move to amend **SR 1707**, on page 1, by striking all in lines 5 through 36;

On page 2, by striking all in lines 1 through 11; in line 12, by striking all before the period and inserting:

"WHEREAS, On January 6, 2021, a mob of armed insurrectionists stormed the United States Capitol in Washington, D.C. in a violent attempt to overturn the will of American voters and the election of Joe Biden as the 46<sup>th</sup> President of the United States of America and Kamala Harris as the 49<sup>th</sup> Vice President of the United States; and

WHEREAS, An attack on the United States Capitol has not occurred since 1814 when British troops fired upon and burned federal buildings in Washington, D.C.—including the White House and the Capitol during the War of 1812; and

WHEREAS, Kansas Attorney General Derek Schmidt has consistently supported efforts to disenfranchise thousands of Kansas voters, defending Kris Kobach's voter ID law that was found unconstitutional by the United States District Court, a ruling upheld by the 10<sup>th</sup> United States Circuit Court of Appeals and the Supreme Court of the United States; and

WHEREAS, Kansas Attorney General Derek Schmidt signed on to the frivolous lawsuit brought by Texas Attorney General Ken Paxton to overturn the free and fair election of Joe Biden as the 46<sup>th</sup> President of the United States of America and Kamala Harris as the 49<sup>th</sup> Vice President of the United States, seeking to disenfranchise millions of voters in the states of Georgia, Pennsylvania, Michigan and Wisconsin and sow doubt in the 2020 presidential election, a baseless lawsuit rejected by the Supreme Court of the United States; and

WHEREAS, Kansas Attorney General Derek Schmidt is a standing member of the Republican Attorneys General Association and a recent board member of its dark money affiliate Rule of Law Defense Fund (RLDF), which federal authorities have confirmed was responsible for paid phone calls inciting people to "march" on the United States Capitol on January 6, 2021; and

WHEREAS, Kansas Attorney General Derek Schmidt is the top law enforcement officer in the State of Kansas, and his actions to advance unfounded conspiracy theories, foment doubt in a free and fair election and disenfranchise millions of legitimate voters precipitated the violent assault on American democracy resulting in the death of five U.S. citizens, including Brian D. Sicknick, a federal law enforcement officer:

Now, therefore,

*Be it resolved by the Senate of the State of Kansas:* That we condemn the actions of Kansas Attorney General Derek Schmidt to suppress the rights of thousands of Kansas citizens, and millions of legitimate voters in the United States, to have a voice in their democracy and seed doubt in the free and fair election of Joe Biden as the 46<sup>th</sup> President of the United States. Actions that incited a deadly, seditious attempt to overthrow the seat of American democracy and the Constitution he solemnly swore to protect";

### EXPLANATION OF VOTE

Mr. President: I vote "NO" on **SB 24**. I understand the concerns; I sympathize with many of them. But this bill creates limits that would prevent our municipalities from adopting or enforcing those building codes that specifically relate to safety requirements that are restrictions only imposed on natural gas service. Those codes, especially the International Fuel Gas Code, are relied on by those municipalities as they work to protect the public health and safety of their residents. There should be a way to allow energy choice without unreasonably limiting the reasonable actions of a municipality.—

#### EXPLANATION OF VOTE

Mr. President: Dear Kansas Citizens: Your state senate Republican leadership has sadly let you down today. They have no solutions for addressing the COVID-19 pandemic in Kansas. So instead of working in a bi-partisan manner to constructively address this deadly virus that is ravaging the bodies and purse strings of the tens of thousands of afflicted Kansans in all regions across our state, they have instead chosen to take cheap political shots at our state officials who are at least trying to ease our citizens' pain and suffering. I vote "NO" on **SR 1707**.—TOM HOLLAND

# Journal of the Senate

TWENTY-FIRST DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Tuesday, February 9, 2021, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 39 Senators present.  
Senator Estes was excused.  
Invocation by Reverend Cecil T. Washington:

Escaping The Spider's World Wide Web!  
Proverbs 14:34, Psalm 33:11-12

Heavenly Father, dating back into the mid 1800's, and coming forward, the wisdom shared by many, including some former U.S. Presidents, is that "America is great because she is good, and if she ever ceases to be good, she'll cease to be great." It has been said Lord, that our nation will be defeated without a shot being fired; that our defeat will come from us allowing, even inviting, the enemy to gradually and increasingly come through our doors.

Today, and on the second Tuesday of every February, 130 plus countries are recognizing "Safer Internet Day." Lord, we are being bombarded by a spirit that is denying You. The web, the world wide web, has pushed open our doors. And all kinds of unrighteousness has been slowly creeping in. And like the web of a spider holds its victims until they're consumed, the world wide web has its hold on Your people.

Lord, Your holy standards of righteousness are being ignored and we are being consumed. Proverbs 14:34 says, Godliness is what makes a nation great, while ungodliness brings disgrace. And Psalm 33:11 says, advice coming from You stands forever; that the purposes of Your loving heart continue to all generations.

So, Lord, give each of us the courage to stand strong for righteousness! Help us to make every day "Safer Internet Day." Help us to be good! I pray in Jesus Name, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

New Sec. 4. (a) On and after July 1, 2021, any marketplace facilitator that meets the criteria in subsection (b) or that has a physical presence in this state, must collect and remit retail sales or use tax on all taxable retail sales made or facilitated by the marketplace facilitator into this state pursuant to this act. Marketplace facilitators must begin collecting state and local retail sales or use taxes on taxable retail sales made or facilitated by the marketplace facilitator sourced to this state beginning on the first day of the next calendar month that is at least 30 days from the date that the marketplace facilitator met the threshold described in subsection (b).

(b) A marketplace facilitator is subject to subsection (a) if:

(1) (A) For the period beginning on January 1, 2021, through June 30, 2021, the marketplace facilitator had cumulative gross receipts from retail sales sourced to this state; or

(B) during the current or immediately preceding calendar year, the marketplace facilitator had cumulative gross receipts from retail sales sourced to this state.

(2) (A) For any marketplace facilitator who satisfies the provisions of subsection (b)(1)(A), such retailer shall not be required to collect and remit any taxes from sales occurring prior to July 1, 2021.

(B) For any marketplace facilitator who satisfies the provisions of subsection (b)(1)(B) for sales in the current calendar year for the first time, such marketplace facilitator shall be required to collect and remit the tax on the cumulative gross receipts from sales in the current calendar year by the marketplace facilitator to customers in this state.

New Sec. 5. (a) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this act, the Kansas retailers' sales tax act and the Kansas compensating tax act. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace. The department may prescribe by rules and regulations the form and manner for providing this information.

(b) A marketplace facilitator is relieved of liability under this act for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect or insufficient information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator and marketplace seller are affiliated persons. When the marketplace facilitator is relieved of liability under this subsection, the marketplace seller is solely liable for the amount of uncollected tax due.

(c) Except as otherwise provided in this section, a marketplace seller obligated to collect the taxes imposed under this act is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator if the marketplace seller entered into an agreement with the marketplace facilitator indicating that the marketplace facilitator is registered with the department and will collect all applicable taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator. This subsection does not relieve a marketplace seller from liability for uncollected taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act resulting from a

marketplace facilitator's failure to collect the proper amount of tax due when the error was due to incorrect or insufficient information given to the marketplace facilitator by the marketplace seller.

(d) No class action may be brought against a marketplace facilitator in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided by the Kansas retailers' sales tax act.

New Sec. 6. (a) Except as otherwise provided in this act, taxes imposed under the Kansas retailers' sales tax act or the Kansas compensating tax act and payable by a consumer directly to the department are due, on returns prescribed by the department, as prescribed by those acts.

(b) Nothing in this act affects the obligation of any purchaser from this state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

New Sec. 7. (a) A marketplace facilitator that is subject to section 4, and amendments thereto, and is complying with the requirements of the Kansas retailers' sales tax act or the Kansas compensating tax act may only seek a recovery of retail sales and use taxes, penalties or interest from the department by following the recovery procedures established under the Kansas retailers' sales tax act. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of the Kansas retailers' sales tax act or the Kansas compensating tax act voluntarily.

(b) Neither the state nor any marketplace facilitator who collects and remits retail sales or use tax under section 4, and amendments thereto, is liable to a purchaser that claims that the retail sales or use tax has been over-collected because a provision of this act is later deemed unlawful.

New Sec. 8. (a) A marketplace seller or a marketplace facilitator that is obligated to collect and remit the taxes imposed under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act shall also collect and remit transient guest taxes pursuant to K.S.A. 12-1697, and amendments thereto, and 911 fees pursuant to K.S.A. 2020 Supp. 12-5369, 12-5370 and 12-5371, and amendments thereto.

(b) Beginning on and after July 1, 2021, the collection and remittance obligations of a marketplace facilitator under this act also apply to any other taxes and fees, as defined under this section, that are imposed on a retail sale made or facilitated by the marketplace facilitator, whether in its own right or as an agent of a marketplace seller, regardless of whether the marketplace seller has a tax collection obligation.

New Sec. 9. Except as otherwise provided in this act, the provisions of K.S.A. 79-3601 through 79-3696, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of this act.

New Sec. 10. The secretary of revenue shall adopt such rules and regulations as deemed necessary for the administration of this act.

New Sec. 11. If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or

application, and to this end, the provisions of this act are severable.

#### EXPLANATION OF VOTE

Mr. Chairman: We have heard repeatedly tonight that we need to level the playing field for Main Street Kansas Businesses. There are two ways to make taxes fair when a business is paying a high tax rate and another business is not. Some of my colleagues on the other side want to raise taxes while they keep increasing state spending, and call that being fair. With the governor closing so many businesses during COVID-19, these business are struggling and I prefer the second option. That option is to lower the taxes on those businesses that are struggling and tightening our state spending belt. For these reasons I vote "NO" on the amendment.—RICHARD HILDERBRAND

The bill passed, as amended.

**EXPLANATION OF VOTE**

Mr. President: I vote "NO" on **SB 22**. I had voted for the amendment to increase the standard deduction that passed, but I also voted for an amendment that removes the ability for any individual to elect to deduct the Kansas itemized deduction in lieu of the Kansas standard deduction, regardless of whether they itemized their federal taxes that failed. I want tax reforms that are fiscally responsible and will help a majority of Kansans. The increase in the standard deduction will help most taxpayers, but I believe it should replace, not be in addition to, the change for itemized deductions. In the midst of a pandemic, the fiscal note needs to be pared down so that we can keep our budget in balance and be in a position to make the needed investments to help Kansans recover and move forward.—MARC FRANCISCO

Mr. President: I vote "NO" on **SB 22**. This bill is too expensive and creates a large hole in our budget, especially with the added amendments. This large deficit will impede the economic recovery we desperately need as we move out of the current pandemic. As the ranking member on the Senate Ways and Means Committee, I feel a deep sense of responsibility to balance our budget. While I support increasing the standard deduction because it will help all Kansans, the bottom line is that this bill does very little for regular, hardworking Kansans, and does a lot for giant multinational corporations, 62% of which report zero income in our state. At a time when we're facing huge unemployment rates, we do not need tax cuts for the rich which have no impact on unemployment. At a time when we're facing economic uncertainty, we do not need to repeat failed tax experiments which studies have shown – and which we have

seen firsthand here in Kansas – have no impact on economic growth. With this legislation, we’re once again putting giant multinational corporations ahead of Kansas families and businesses.—TOM HAWK

Mr. President: “Too much Wall Street . . . Not enough Main Street.”—TOM HOLLAND

Mr. President: We have an obligation to support our state's future. That means fully funding our schools, our roads and other essential services. It also means fully supporting our state's economic future so that businesses can move here, stay here and thrive here. I vote "YES" to fostering a fair business climate that will put Kansas on par with other states. A strong business climate is what fuels the job creation and economic growth we need to adequately fund education and our quality of life for the long-haul.—KRISTEN O'SHEA

Mr. President: As one who works with numbers, I appreciate the words of the Chair of Ways and Means who has looked through the numbers. I worry about our teachers, our correction workers, our retirees who could be impacted by such a drastic cut in the fourth or fifth week of this new biennium. We have hundreds of thousands of Kansans struggling to get unemployment benefits, struggling to get vaccines, and kids who will need extra education to make up for the major break in their studies, especially those most at risk. We should look at targeted relief for taxpayers this year that will help them get through this pandemic. I vote “NO” on **SB 22**. I think we should revisit these cuts next year when we are out of this pandemic.—JEFF PITTMAN

Mr. President: I am voting “NO” on **SB 22**. While I am grateful that our body chose to raise the standard deduction for 94% of Kansans, it does so without paying for it or anything else in this bill. So while this increased standard deduction benefits Kansans in theory, it forces them to pay a far greater price. Our state has a constitutional duty to adequately fund our public schools and an obligation to Kansas taxpayers to keep our roads and bridges safe. The astronomical fiscal note from the tax cuts to Wall Street alone means **SB 22** jeopardizes our ability to fulfill those responsibilities. We have been down this road before, and especially as we recover from this pandemic, we cannot afford to go down it again.—DINAH SYKES

Senators Corson, Faust-Goudeau, Holland, Holscher and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **SB 22**.

Mr. President: We cannot afford to extend tax breaks for corporations or the wealthy that cripple our ability to invest in areas that would otherwise expand economic growth. Tax reform must be done in a way that protects working families and the vulnerable, and requires corporations and the wealthy to pay a fair share. We must prioritize our tax reform to remove expenditures that disproportionately benefit the wealthy, while protecting those that create ladders of opportunity, reward work, and protect the poor. So, while I support many of the pieces in this bill, the cost is just too high.—MARY WARE

Senator Pettey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Ware on **SB 22**.

The Senate was called to order by Vice President Wilborn.  
The roll was called with 39 senators present.  
Senator Estes was excused.  
Invocation by Reverend Cecil T. Washington:

A Prayer for God's Will and God's Way!  
Matthew 6:9-13, Luke 11:1-4

Lord, realizing that prayer brings us from the everyday routine of life into a spiritual awareness of Your presence, we come today repeating the prayer that was taught to the Disciples in Matthew: 9-13.

Our Father, which art in Heaven,  
Hallowed be thy Name.  
Thy kingdom come.  
Thy will be done on earth, as it is in Heaven.  
Give us this day our daily bread.  
And forgive us our trespasses,  
as we forgive those who trespass against us.  
Lead us not into temptation,  
But deliver us from the evil one.

#### **COMMITTEE OF THE WHOLE**

On motion of Senator Suellentrop, the Senate resolved itself into Committee of the Whole, for consideration of bills on the calendar under the heading of General Orders with Senator Petersen in the chair.

On motion of Senator Petersen the following report was adopted:

**SB 61** be passed.

**SB 52, SB 66, SB 88** be passed over and retain a place on the calendar.

An amendment was offered on **SB 61** by Senator Holscher. A ruling of the chair was requested as to the germaneness to the bill. The Chair of the Rules Committee ruled the amendment not germane.

Senator Holscher challenged the ruling of the chair.

Upon the showing of five hands, a roll call vote was requested.

On roll call, the vote was: Yeas 27; Nays 12; Present and Passing 0; Absent or Not Voting 1.

Yeas: Alley, Baumgardner, Billinger, Bowers, Claeys, Dietrich, Erickson, Fagg, Gossage, Hilderbrand, Kerschen, Kloos, Longbine, Masterson, McGinn, O'Shea, Olson, Peck, Petersen, Pyle, Steffen, Straub, Suellentrop, Thompson, Tyson, Warren, Wilborn.

Motion by Senator Petty to amend **SB 61** failed.

#### EXPLANATION OF VOTE

Mr. Chairman: I vote "NO" on affirming the ruling of the Rules Committee on finding the amendment proposed by the Senator from Johnson on inclusion of all categories of students as not germane to the bill. I protest this oversimplistic bully pulpit of the majority, when not wishing to debate potentially "controversial" language, suggest that the language is not germane. Such a sad and democratically-deadening process appears to more frequently manifest itself in this Chamber, in the Committee of the Whole, and even in certain standing Committees; as, coincidentally, it was misused in Judiciary just today. It is my earnest hope that this newfound trend will abate and that the majority will show more compunction in debating divergent issues and cease from this seemingly lazy ("uh, not germane") alternative.—DAVID HALEY

#### EXPLANATION OF VOTE

Mr. President: Equal access to education creates stronger communities, attracts businesses, and develops a well-prepared workforce. This Legislature is intimately familiar with the consequences of under-funding our public schools – so why are we trying to repeat our failed history? The changes made to this bill take the focus off of at-risk children and allows private schools to hand-pick their students. And they get to do so with little accountability to the state taxpayers. I cannot support this bill which leaves our public schools with even fewer resources to help struggling students and sets us up for continued litigation by jeopardizing the constitutional funding of our schools.—

DINAH SYKES

Senators Corson, Holscher and Pettey request the record to show they concur with the “Explanation of Vote” offered by Senator Sykes on **SB 61**.

TWENTY-SEVENTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Wednesday, February 17, 2021, 2:30 p.m.

The Senate was called to order by President Ty Masterson.  
The roll was called with 39 senators present.  
Invocation by Reverend Cecil T. Washington:

Absent From The Body; Present With The Lord!  
2 Corinthians 5:1-11, Matthew 25:21

Heavenly Father, as Your servants, we are gathering again today to be used by You in the service of Your people. But in the process Lord, we find that You've pulled one from our midst. When the roll is called in this place, our brother, Bud Estes, won't be answering. Because You have called that faithful servant home to be with You.

When it comes to people of faith, Your Word says, in 2 Corinthians 5:1-11, "Absent from the body, present with the Lord." When we die and leave this earthly body, we will have an eternal body made for us by You, and not by any human devices. And while we grow weary in these present bodies that are dying, we look forward to putting on new incorruptible bodies that will never die. And as a guarantee to Bud, and to all who have faith in You, You've given us Your Holy Spirit to settle and confirm our faith.

So Lord, while we're here, dwelling in these bodies, remind us that our ultimate goal is to be pleasing You. So, remind us of the awesome responsibility that we have, for we must all face You one day, to receive whatever we deserve. And along with Bud, and so many of the faithful, we want to hear from You the words in Matthew 25:21, "Good and faithful servant, Well done!"

Lord, let the confidence expressed in these lyrics reflect our faith; "When the saved diverse shall gather, over on the other shore; And the roll is called up yonder, I'll be there!"

Please comfort Bud's wife Renae, his family and those of us who are missing his presence.

Lord, I come to You in the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by President Masterson.

## POINT OF PERSONAL PRIVILEGE

Senator Peck rose on a Point of Personal Privilege to share the following comments: Today, America lost one of the great ones. At the age of 70, Rush Limbaugh lost his battle with lung cancer. The thoughts and prayers of many go out to his wife Katherine, his brother David and the rest of Rush's family. Rush launched a national radio show in

August of 1988 – the month I turned 29 years of age. His radio program not only saved many AM stations, but it gave voice to freedom-loving Americans across the United States. Many who listened to Rush in the early days quickly became “Dito-heads”. And businesses, primarily restaurants, in many locations set aside “Rushrooms” where fans could enjoy a meal and listen to Rush’s radio show. Millions of conservatives daily attended the Limbaugh Institute of Advance Conservative Studies – I was one of those. Rush inspired many ordinary Americans to get involved in local issues, local politics, and state and federal politics by running for office. I was one of those whom Rush inspired to become involved. In April of 1991 I was elected to my local school board. At that time (31 years of age), I had no idea or aspirations of becoming a State Senator – but here I am. A year ago this month, on February 4, 2020, President Trump honored Mr. Limbaugh when he presented him with the highest civilian honor – The Presidential Medal of Freedom. Rush and his talent will be missed. However, Rush frequently said he had, “Talent on loan from GOD.” Today, February 17, 2021, God asked for Rush to give that talent back. Who will He choose to give it to next? Rest in Peace Mr. Limbaugh, rest in peace...

TWENTY-EIGHTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Thursday, February 18, 2021, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 38 senators present.  
Senator Hawk was excused.  
Invocation by Reverend Cecil T. Washington:

The Unknown God, Made Known By His People!  
Psalm 139:1-18, Luke 6:27-36, Micah 6:8

Dear God, Creator of Heaven and earth, You are omnipotent, in that You possess all power. You are Omniscient, in that You possess all knowledge. And You are omnipresent. You are everywhere simultaneously, according to Psalm 139:1-12. You are God and God all by Yourself. There is no creature in Heaven or on Earth or under the Earth that can compare. The magnitude of Your authority is incomprehensible. Lord, it has properly been said that these little pea brains of ours can't even begin to know, or appreciate the utter immensity of Who You are. Oh, but because You are good, loving and merciful, You have chosen to reveal, and impart, some of Your Godly qualities to us, that in some small ways we might become walking illustrations of Who You are.

Lord, that's why, in Luke 6:27-28, You say to those of us that are willing to listen, "Love your enemies! Do good to those who hate you. Bless those who curse you. And pray for those who hurt you." How can we then, as Your people, say we love You and not love what You love? In Micah 6:8, You tell us what is good, and what You require; that we do good, love mercy and live in humility before You.

So, Lord, as we make our journey through this life, help us to be role models, walking demonstrations of Your goodness, Your love and Your mercy. In the Name of Him, Who loved us to death, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

**EXPLANATION OF VOTE**

Mr. President: I am happy to vote in support of this bill, which codifies transparency from our Department of Children and Families. Transparency helps us keep our agencies accountable, and I am hopeful that through legislation like this, we can better protect vulnerable Kansas children. I do, however, want to raise a concern about this bill. My county sheriff's office testified in opposition to this bill because of a concern that the reporting criteria would supersede existing DCF policy, which requires

immediate reporting to law enforcement if a child is missing. We know that the first few hours are the most crucial in missing persons cases. We need to ensure we are not inadvertently hampering our law enforcement's ability to begin searching for a child. I hope that the House will address this discrepancy and carefully consider the privacy considerations of these children when reviewing this bill and its reporting requirements.

(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense and may impose the provisions of subsection (q);

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567 or 8-2,144, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 2020 Supp. 21-6609, and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by K.S.A. 2020 Supp. 21-6602(c), and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity that materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2020 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire that has been determined to be arson or aggravated arson as defined in K.S.A. 2020 Supp. 21-5812, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation that leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund

from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in K.S.A. 2020 Supp. 21-6804(i), and amendments thereto, assign the defendant to work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program shall serve the total number of hours of confinement mandated by that section;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime. Restitution shall be due immediately unless: (A) The court orders that the defendant be given a specified time to pay or be allowed to pay in specified installments; or (B) the court finds compelling circumstances that would render restitution unworkable, either in whole or in part. In regard to a violation of K.S.A. 2020 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. In regard to a violation of K.S.A. 2020 Supp. 21-5801, 21-5807-~~08~~, 21-5813 or 21-5818, and amendments thereto, such damage or loss shall include the cost of repair or replacement of the property that was damaged, the reasonable cost of any loss of production, crops and livestock, reasonable labor costs of any kind, reasonable material costs of any kind and any reasonable costs that are attributed to equipment that is used to abate or repair the damage to the property. If the court finds restitution unworkable, either in whole or in part, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant that may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the restitution order, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the judicial administrator pursuant to K.S.A. 20-169, and amendments

thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(3) If a restitution order entered prior to the effective date of this act does not give the defendant a specified time to pay or set payment in specified installments, the defendant may file a motion with the court prior to December 31, 2020, proposing payment of restitution in specified installments. The court may recall the restitution order from the agent assigned pursuant to K.S.A. 20-169, and amendments thereto, until the court rules on such motion. If the court does not order payment in specified installments or if the defendant does not file a motion prior to December 31, 2020, the restitution shall be due immediately.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by K.S.A. 2020 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2020 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time when the defendant would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony had the defendant not been granted release by the court pursuant to K.S.A. 2020 Supp. 21-6608(d), and amendments thereto, or the prisoner review board pursuant to K.S.A. 22-3717, and amendments thereto, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a

nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2020 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed consecutively pursuant to the provisions of K.S.A. 2020 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2020 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2020 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment if space is available in

a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp's or community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.

(h) In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense that is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense that is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2020 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2020 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) (1) Except as provided by K.S.A. 2020 Supp. 21-6630 and 21-6805(f), and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2020 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2020 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If the defendant's probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2020 Supp. 21-6805, and amendments thereto.

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2020 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or

revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order that places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license, which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" mean the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2020 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment conducted by a certified batterer intervention program; and (2) follow all recommendations made by such program, unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A

defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2020 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

(s) Whenever the court has released the defendant on probation pursuant to subsection (a)(3), the defendant's supervising court services officer, with the concurrence of the chief court services officer, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court, unless the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(t) Whenever the court has assigned the defendant to a community correctional services program pursuant to subsection (a)(4), the defendant's community corrections officer, with the concurrence of the community corrections director, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court unless the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(u) In addition to any of the above, the court shall authorize an additional 18 days of confinement in a county jail to be reserved for sanctions as set forth in K.S.A. 22-3716(b)(3)(B), (b)(4) or (c)(1)(B), and amendments thereto.

THIRTY-FIRST DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Tuesday, February 23, 2021, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 38 senators present.  
Senator Olson was excused.  
Invocation by Reverend Cecil T. Washington:

The Grace for Humility and Fulfillment!  
1 John 1:9 and James 4:6

Gracious God, Our Creator and Sustainer, we come again by virtue of Your grace and mercy seeking Your guidance. We need Your wisdom for every move we make. There's nothing of any real value that we can achieve unless You are on the throne; unless You are in the driver's seat. But yet, knowing this, there are times when we try to retake the wheel. Lord, forgive us for those times.

And, Lord, not only forgive us, but do as You said in 1 John 1:9, cleanse us. Cleanse us from recurring attitudes of pride, where we start thinking more of ourselves than we ought.

You've promised to furnish us with Your grace when we humble ourselves. And if we don't humble ourselves, in James 4:6, You've promised to do it for us.

So, Lord, do with us according to Your will, that the joy of fulfilling Your purposes can be realized in our lives. On behalf of all of us, as recipients of Your grace, I offer this prayer in the Name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 1 of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

**"§ 17. Legislative oversight of administrative rules and regulations.** Whenever the legislature by law has authorized any officer or agency within the executive branch of government to adopt rules and regulations that have the force and effect of law, the legislature may provide by law for the revocation or suspension of any such rule and regulation, or any portion thereof, upon a vote of a majority of the members then elected or appointed and qualified in each house."

THIRTY-THIRD DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Thursday, February 25, 2021, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.

The roll was called with 38 senators present.

Senator Suellentrop was excused.

The Vice President introduced guest chaplain, Dr. Jeff Barclay, Lead Pastor, Christ Community Church, Lawrence, to deliver the invocation:

Great and only God, as bearers of Your image, the men and women in this chamber have a weighty responsibility. Under Your care and guidance, may they shoulder their tasks with honesty and humility. In representing the citizens of Kansas, I invite You to join these State Senators in the sacred stewardship of governance.

With the unprecedented circumstances of these times, this Senate is introducing and debating legislation never before considered necessary to the health, welfare and prosperity of our state's citizens. When there is conflict in these discussions, help it be collegial. When compromises are made, may they come by wisdom. When there is consensus, may there be celebration. Our state's motto, *Ad Astra Per Aspera*, emboldens us – but getting to the stars this session is most certainly going to be difficult. Writing legislation in this challenging session requires Your help.

Lord we say with the psalmist, we trust in You. It is only through Your unfailing love that we are not shaken. No one in this room wants to make a decision that causes detriment to another person. But, we are not naïve. There is disagreement on how to define what is good and bad policy. The questions before this Senate are how to be fair for all whom this chamber legislates. May Your love for all people, and things good and right, prevail.

Lord our hearts are stirred by noble themes – the causes of truth, justice, equity and liberty. These are precarious times for truth, justice, equity and liberty. This is because contradictory statements cannot both be true, justice for one cannot create inequity for another, and when a person's liberty restricts another's, neither is truly free. To accomplish such lofty goals – truth, justice, equity and liberty – is why every member of this Senate requires a head that thinks with Your thoughts and a heart that beats with Your feelings.

We thank you for the many that serve this Senate in the background. The record keepers, the statisticians, the correspondents, those that keep things clean and safe and those that guard us. These people we respect and appreciate. I bring everyone that serves in this beautiful Capital building before You.

God, you have proven Yourself in Kansas' past. How we need you in Kansas' present. I offer this prayer in the name of Your Son, My Savior, Jesus Christ, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

THIRTY-FIFTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Monday, March 1, 2021, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 39 senators present.  
Invocation by Reverend Cecil T. Washington:

God Is With Us!

Genesis 39:2, 2 Kings 18:7, Deuteronomy 31:6, Isaiah 7:14

Heavenly Father, in Genesis 39:2, You were with Joseph, and he was successful. In 2 Kings 18:7, You were with Hezekiah and he prospered.

In Deuteronomy 31, it was through Moses, that You told Your people to be determined and confident because You would be with them in their present struggles, and not abandon them in their efforts to move forward.

Lord, in the same way You were with them back then, we need You to be with us now.

One of the wonderful, Divine names we are given, in Isaiah 7:14, is Immanuel (God with us). Lord, as we move forward from this point, help us to keep in mind that You are with us. And knowing that You are with us is satisfying. For it means that everything, whether it looks like it or not, is securely and confidently in Your Hands.

In steadfast, unwavering faith, I thank You for Your steadfast unwavering presence. In Jesus Name, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

#### EXPLANATION OF VOTE

Mr. President: I stand in strong support of **SB 20**, designating a portion of United States highway 69 as the Senator Dennis Wilson Memorial Highway. Senator Wilson had a distinguished career that included serving his community, county, state and country. Dennis was truly a servant leader. He was a veteran of the United States Air Force, Johnson County Treasurer, Water One board member, Kansas Representative, and the first individual to serve residents of Eastern Kansas in the 37<sup>th</sup> Senate District.

Senator Wilson will always be remembered for willingness to lend support to those in need. The designation of the Senator Dennis Wilson Memorial Highway is a small token of recognition for a giant amongst a very large field of Kansas leaders.—MOLLY BAUMGARDNER

Senators Francisco, Gossage, Haley, Masterson and Petersen request the record to show they concur with the "Explanation of Vote" offered by Senator Baumgardner on **SB 20**.

#### EXPLANATION OF VOTE

Mr. President: I vote "AYE" on **SB 26**, honoring Paul "Bud" Burke by designating a portion of K-7 as the Senator Bud Burke Memorial Highway. Burke was elected to the Kansas House in 1972, appointed to the Senate in 1975, and served in the Senate as Senate Majority Leader from 1985-1988 and President of the Senate from 1989-1997. He was involved in the crafting and passage of legislation that improved the course for Kansas over many decades — in education, transportation and social welfare. He also was President of the National Conference of State Legislatures. Earlier Burke had served his country as a United States Air force fighter pilot and as a Navy aviator in the United States Navy Reserves, retiring as a Captain. He served his alma mater, the University of Kansas, as a member of the National Board of Directors for the KU Alumni Association. Although I never served with him, I appreciated his counsel when I first joined the Senate. I learned from others of his gracious demeanor, his fierce devotion to constituents, to the Legislature and to a state that he loved. This Memorial Highway will let others see his name and hopefully learn of his contributions to Kansas.—MARCI FRANCISCO

Senators Holland and Petersen request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on **SB 26**.

## EXPLANATION OF VOTE

Mr. President: Just under a year ago, our world changed in unimaginable ways. When COVID-19 hit our state, we still did not understand its spread, its fatality, and its long term health impacts. Our governor – like many other governors in the country – responded swiftly to the outbreak to keep Kansans safe. By the time we nailed down appropriate mitigation strategies, ambitious elected leaders had already seized the opportunity to politicize the pandemic, which has led us directly to this terrible bill. This bill does not help Kansans. This bill will not help us respond to public health disasters in a way that protects Kansans. This bill is yet another dramatic overreach in an attempt to curb a Democratic governor’s actions. We all know we would not be debating this bill if a Republican was on the second floor. Times of disaster and emergency require swift action and agility, not partisan knee-capping. I vote “NO” on **Sub SB 273**. —DINAH SYKES

Senators Haley, Holland and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **Sub SB 273**.

The waiver shall include options for monthly installment payments and credits, or both, earned by the defendant doing community service and attending court approved classes, or both. # Journal of the Senate

THIRTY-SIXTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Tuesday, March 2, 2021, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 39 senators present.  
Invocation by Reverend Cecil T. Washington:

To Have A GREAT Nation, Following A GREAT God!  
Genesis 12:1-4; Exodus 20:1-17

Dear God of all creation, in Genesis 12:1-4, when there was only Abram and his wife Sarah, You promised to make him into a GREAT nation. But, to have a great NATION three components were required; a great people, a great land to call home and great laws to govern the people and regulate the land. You said that all peoples of the earth would then be blessed through what You were going to do for them; by giving them the people, the land and the great laws they were to follow.

Now Lord, You did that for them. And You've done the same for us. You've made us a great people and a great nation. And to govern us, You've given us the same great commandments to follow.

So, help us, individually and collectively as a nation, to realize that the extent to which we will continue to be blessed and able to bless others depends on the extent to which we will follow Your great commandments. And Lord, the first of Your Ten Commandments, found in Exodus 20, is the first principle for greatness, which is foundational to all the rest. It's to honor You and have no other so-called god's coming before You.

So Lord, make us a great people, in a great land, holding to Your great laws, while following and glorifying our great God.

I come to You in the great Name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

#### EXPLANATION OF VOTE

Mr. Vice President: I am voting against this bill, which includes far-reaching criminal penalties for crimes which have been sensationalized at the national level, but have thus far not existed in Kansas. Of course we need to protect our critical infrastructure; but we also have an obligation to uphold our Constitution. This bill threatens first amendment rights. I have concerns about Kansans' freedom of assembly rights and the future litigation that will almost certainly arise from Kansans exercising their right to peacefully protest and assemble.—DINAH SYKES

Senators Haley, Holland, and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **SB 172**.

Mr. Vice President: The people of Kansas depend upon our critical infrastructure. There should be a bright red line in our laws which says tampering with it is unacceptable. This bill creates a tiered approach regarding penalties. That approach is appropriate. It sends a clear message not to cross that red line. In the debate in this chamber, we heard a lot about the right to protest. There are many ways to do so peacefully that are consistent with the law. My primary concern is with the people of Kansas who need to know our infrastructure will always be protected. I vote Yes on **SB 172**.—KELLIE WARREN

Senators Erickson, Gossage, Hilderbrand, Masterson, Petersen, Suellentrop and Thompson request the record to show they concur with the "Explanation of Vote" offered by Senator Warren on **SB 172**.

THIRTY-SEVENTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Wednesday, March 3, 2021, 10:00 a.m.

The Senate was called to order by President Ty Masterson.  
The roll was called with 39 senators present.  
Invocation by Reverend Cecil T. Washington:

Getting Past The Hump!  
Nehemiah 8:1-12

Heavenly Father, we're in the middle. We're in the middle of fulfilling our labors. Some call it turn-around week. And when we take a narrower view, we're even in the middle of the week. Some call it hump day. And Lord, we look for things to go more smoothly as we move beyond the hump.

The pandemic has been a hump for us; with a lot of sickness; a lot of deaths; a lot of confusion and a lot of yet unanswered questions. But even COVID is a hurdle that You're taking us over.

In Nehemiah 8, after reading from Your Word, the people were encouraged. Trusting in You meant things were going to get better. In verse 10, the governor, Nehemiah, was inspired by You to tell the people that it was a good day. Because it was a day dedicated to You, it was a good day to move forward. You told them to start looking out for those not able to provide for themselves and that the joy of the Lord would be their strength. So Lord, in the same way that You encouraged them, help us to realize that this day, hump day, is a good day; a good day for us!

Help us to put smiles on our faces and move forward. Blessing You, blessing each other and blessing Your people. I thank You for hearing this prayer. In Jesus' Name, Amen!

The Pledge of Allegiance was led by President Masterson.

#### EXPLANATION OF VOTE

Mr. President: I remain committed to standing up for taxpayers and against corporate handouts. Economic development programs, such as the STAR Bonds program, are problematic for many reasons. These kinds of targeted subsidy programs have a corrupting effect on democratic institutions, incentivizing unproductive behaviors by politicians and businesses and eroding public faith that the system is fair. However well-intentioned some government assistance may be, the fact remains that the practice of states picking winners and losers benefits a favored few and leaves everyone else to pay the price. Too often, the winners are special interests who lobby for tax breaks while the losers are everyday citizens and small businesses who are forced to pick up the tab.—MARK STEFFEN

Senator Straub requests the record to show she concurs with the "Explanation of Vote" offered by Senator Steffen on **SB 90**.

**SB 91**, AN ACT concerning economic development; relating to the high performance incentive fund; providing for the transferability of tax credits; amending K.S.A. 79-32,160a and repealing the existing section, was considered on final action.

## EXPLANATION OF VOTE

Mr. President: I have grave concerns about this piece of legislation. I believe this bill needs more work to ensure we are addressing the needs of these children. It is concerning that the Department of Children and Families opposes this bill in its current form. I think we need to hear from law enforcement to hear their perspective on the nuances of these cases of some of our most vulnerable children. And I think there should be more discussion about requirements for these secure facilities. Bottom line, we have more work to do on this bill, and that's why I'm voting No.—DINAH SYKES

Senators Corson, Haley, Holland and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **SB 104**.

Mr. President: I stand against **SB 104**. Institutionalizing people should always be left to a last resort position and should never be the first thought reaction; Since we are talking about our children here, it should give us even greater pause; and since this bill would remove our judges ability to judge each individual child's situation; and since we have so often heard from folks in this chamber that a "one-size-fits-all" solution is not solution at all; and since there is evidence that placement in a "secure facility" is so traumatic and can have a negative effect on the youth's development; and since our highest goal should be to always provide services to youths in the community rather than in institutions; and since our law currently in place allows for exactly this kind of court order; for all these reasons it is unnecessary to pass this into law.—MARY WARE

Senators Faust-Goudeau, Haley, Holland and Pittman request the record to show they concur with the "Explanation of Vote" offered by Senator Ware on **SB 104**.

Mr. President. The purpose of **SB 104** is very simple yet very important – to ensure runaway foster children and other children at risk are returned to a safe and secure facility. A secure facility, as specifically defined, is not jail. Our most at-risk youth deserve the proper supervision and services that come with being placed in a secure environment. Not doing so would be turning our back on our responsibility to care for these most vulnerable youth, many of whom have runaway multiple times. This bill gives the state of Kansas another tool to ensure the safety of these children. This is good, well-thought-out policy and should be adopted. I vote "Yes" on **SB 104**.—KELLIE WARREN

Senators Bowers, Erickson, Fagg, Gossage, Kloos, Longbine, Masterson, McGinn, O'Shea, Peck, Suellentrop, Thompson, and Wilborn request the record to show they concur with the "Explanation of Vote" offered by Senator Warren on **SB 104**.

#### EXPLANATION OF VOTE

Mr. President, the mere introduction of the Back-to-School Act has resulted in a wave of emails from Kansans. Some are exasperated with the academic and mental health consequences resulting of a year of remote learning. Some are frustrated with the lack of progress from their local school board. One email was from a family physician. One was from a child psychologist. Many, of course, were from parents who have seen their children languish for a year. One was even from a student, Ian, who wrote on behalf of

himself and his 11-year-old brother, asking us to provide them a full-time in-person learning option. ALL are relieved we are listening to them by passing this bill. The country is opening up. Restrictions are being eased. Mandates are being lifted. People are getting back to living. It's time to send this powerful message that we stand with Ian and his brother – and thousands just like them – so they can get back to learning. I vote "YES" on **SB 235**.—RENEE ERICKSON

Senators Gossage, Masterson, Suellentrop and Warren request the record to show they concur with the "Explanation of Vote" offered by Senator Erickson on **SB 235**.

Mr. President: I am happy that we have a vaccine. I am confident that due to the circumstance of COVID-19 our locally elected school boards have been making the best decisions for students and staff, sometimes at their own peril. I am disappointed that this legislature, who voted in June of 2020 that the decisions should be made at the local level, now passed politically motivated legislation saying "One size fits all". The 2020-21 school year has been one of change and stress. I thank our school communities for making the tough decisions. For that reason I vote "NO" on **SB 235**.—PAT PETTEY

Mr. President: In an October 2020 opinion, Attorney General Derek Schmidt determined that Kansas school districts could opt out of a public health mandate, saying that "Local public schools under the general supervision of the state board of education shall be maintained, developed and operated by locally elected boards," and that "each local school board has preexisting home rule authority." In addition to being essentially moot and unenforceable, this bill is another mandate which overrides local control by our duly elected state board of education and local school board members. It is also yet another example of dramatic overreach by this body and extremist leadership that doesn't like the decisions made by officials chosen and trusted by our communities. Everyone wants things to go back to normal. Everyone wants this pandemic to end. We cannot legislate this virus away; bills like this suggest otherwise, which is dangerous and dishonest to the people of Kansas. I vote "NO".—DINAH SYKES

(Bob) Bethell joint committee on home and community based services and KanCare oversight. The joint committee shall review the number of individuals who are transferred from state or private institutions and long-term care facilities to the home and community based services and the associated cost savings and other outcomes of the money-follows-the-person program. #### EXPLANATION OF VOTE

Mr. Chairman: I vote "NO" on the amendment because I am concerned about the underlying bill that would have a significant impact on our mental health and behavior health clinics. I have in the past voted to move Medicaid expansion forward in hopes of having the debate on the floor. I would like to have it in the form of a bill that we can prepare for and totally vet the merits of the cost and the benefits of expansion. I continue to support that today. The likelihood of **Sub SB 238** moving forward with this amendment does not look promising. We have a mental health crisis today and I do not think we even know the impact of COVID 19 on our families and communities. We need **Sub SB 238** to provide high quality and timely behavioral health treatment across Kansas. It will provide crisis services that will suppress the need for our hospital emergency rooms and integrate better care between behavior health and primary health care facilities.—CAROLYN MCGINN

Senator Bowers requests the record to show she concurs with the "Explanation of Vote" offered by Senator McGinn on the Sykes amendment.

## EXPLANATION OF VOTE

Mr. President: I vote NO on **SB 72**. The Kansas Chamber of Commerce came before the Senate Taxation Committee as the lead proponent conferee on **SB 72**. At no time during the hearing did the Chamber disclose that they had court cases before the Board of Tax Appeals whose outcomes could, in fact, be materially impacted by passage of this bill. I believe that the Chamber's true motive in promoting this legislation is to help support the legal position for those Chamber member "big box" businesses that have outstanding cases before BOTA. Their client attorneys are promoting Dark Store Theory arguments in their legal arguments before BOTA. Those attorneys seek to discredit the IAAO which has published an industry-reviewed paper evidently taking issue with some of those Dark Store Theory arguments. This bill is nothing but legal subterfuge and ultimately jeopardizes the property rights, wallets and pocket books of residential property owners.—TOM HOLLAND

Senators Francisco and Petty request the record to show they concur with the "Explanation of Vote" offered by Senator Holland on **SB 72**.

**Sub SB 84**, AN ACT concerning gaming; relating to the Kansas expanded lottery act; Kansas lottery and Kansas racing and gaming commission, rules and regulations; authorizing sports wagering; authorizing uses of the problem gambling and addictions grant fund; creating the sports wagering receipts fund and the white collar crime fund; amending K.S.A. 46-2301, 74-8702, 74-8710, 74-8711, 74-8716, 74-8718, 74-8733, 74-8734, 74-8751, 74-8752, 74-8756, 74-8757, 74-8758, 74-8760, 74-8772, 79-4805 and 79-4806 and K.S.A. 2020 Supp. 21-6403, 21-6507 and 21-6508 and repealing the existing sections.

Present and Passing: Warren.

The substitute bill passed, as amended.

## EXPLANATION OF VOTE

Mr. President: There was considerable discussion about all of the additional money that would come into the state of Kansas with the expansion of gambling with **Sub SB 84**. What wasn't discussed was the fact that gambling is an industry that feasts on the poor and vulnerable. Expanding gambling in our state will only serve as an enticement for those with an addiction. While some of the revenues will go toward helping them, it won't stem the tide of addiction.—MOLLY BAUMGARDNER

Senator Gossage request the record to show she concurs with the "Explanation of Vote" offered by Senator Baumgardner on **Sub SB 84**.

The substitute bill passed, as amended.

#### EXPLANATION OF VOTE

Mr. President: I vote "NO" on **Sub SB 238** because: 1) the certified community behavioral health clinics sound wonderful but the bill is too broad and serves as a blank check against the taxpayer; 2) the cuts in Behavioral Science license requirements are too much, too fast; and 3) the allowance of tele-medicine by out-of-state doctors is a threat against good primary care and makes rural health care providers less secure as they lose patient visits to out-of-state providers.—MARK STEFFEN

**SB 283**, AN ACT concerning the governmental response to the COVID-19 pandemic in Kansas; extending the expanded use of telemedicine in response to the COVID-19 public health emergency; extending the authority of the board of healing arts to grant certain temporary emergency licenses; imposing requirements related thereto and expiring such provisions; extending the suspension of certain requirements related to medical care facilities and expiring such provisions; modifying the COVID-19 response and reopening for business liability protection act; extending immunity from civil liability for certain healthcare providers and for certain persons conducting business in this state for COVID-19 claims until March 31, 2022; amending K.S.A. 2020 Supp. 48-963, as amended by section 7 of 2021 Senate Bill No. 14, 48-964, 48-965, as amended by section 8 of 2021 Senate Bill No. 14, 60-5503, 60-5504, as amended by section 10 of 2021 Senate Bill No. 14, and 65-468 and repealing the existing sections.

FORTIETH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Wednesday, March 10, 2021, 2:30 p.m.

The Senate was called to order by President Ty Masterson.

Invocation by Reverence Cecil T. Washington:

Lord, Can We Talk?

Isaiah 6:1-9

Lord, can we talk? Would You allow a feeble, fumbling, sometimes failing creation of Yours to approach You today? Can we talk?

There've been times when Your holiness was so real that it seemed impossible to cross the threshold into Your presence. How can a Holy and totally righteous God be receptive to one so lowly?

But then You gave us that Isaiah moment. In Isaiah 6:1-9, he had a vision that contrasted Your holiness with his unholiness.

When he considered Your majesty, it brought about his modesty. He saw that he was not worthy to come and talk to You. But in Your love and mercy, You came to him. His unholiness was forgiven. You touched his mouth and allowed him to talk to You. You even permitted him to talk to You.

In a like-manner Lord, touch us with Your love and mercy. Forgive our unholiness and remind us that we can talk to You...that You do hear our prayers. And from time to time, as You provide the opportunity, prompt us to talk for You. Help us to talk to You and for You more often.

In the precious name of Jesus, Amen!

The Pledge of Allegiance was led by President Masterson.

Invocation by Reverend Cecil T. Washington:

Achieving The Impossible By The Power of Prayer!  
Mark 1:35-38

As your Chaplain, I pray this encourages you.

Yesterday, referring to the power of prayer, I made reference to Harriett Tubman, famous “conductor” of the “Underground Railroad.” While achieving the impossible, she attributed her success to the efficacy of her prayer life.

As you assume these seats, the tasks you face may seem, at times, impossible. But in spite of having suffered a stroke, and with a \$40,000 bounty on her head, God enabled Harriet to do the impossible. And He will do the same for us.

She made 19 different trips into the dangerous south, and escorted over 300 slaves to freedom. Never getting caught and not even losing one of her so called “passengers.”

Each of you here, is a “conductor,” and by the grace of God, on a trip to freedom. Let the power of prayer, not be the caboose, but the engine that takes you there. And these prayers that God has given us can be your ticket.

Lord, I pray that ALL under the sound of my voice, come to know You more and more intimately, through prayer. In Mark 1:35-38, You gave us the example of Jesus, Who got up in the morning to pray; got away from distractions to pray, and from You, got guidance to achieve the impossible. Help us now, to learn that example.

For Your glory and for our good. Amen!

The Pledge of Allegiance was led by President Masterson.

A Very Present Help At ALL Times!  
Psalm 46:1-3

Lord, God, Creator of Heaven and earth, You are Lord of Lords and King of Kings. Truly, You are God, and there is none other! Your Word says, in Psalm 46:1, that as our God You are always there for us. When the issues of life are wearing on us, You're there. You feed us when we're hungry. You comfort us when we're sad. You strengthen us when we're weary. Like the air in a balloon keeps it from collapsing, You keep us. You keep us from absolute breakdowns.

When our friends and associates, see the smiles we wear on our faces, You see the pain and disappointments we struggle with on the inside. When our faith is feeble and faltering, when it's uncertain and shaky like jello, You step in and solidify it. You bolster our faith. You fortify our faith in You. When we just can't see You, because You are Spirit, You do something that we can see, which reveals Your faithful presence, and reinforces our faith.

When we face despair, You give us a glimmer of hope to keep us from giving up. You provide us with Your direction to keep us from total confusion. And all through the blessed privilege of prayer.

So Lord, keep us mindful to continue in prayer. To Your glory and honor, to our good, and to the good of Your people. I thank You again for the privilege, power and pleasure of prayer, in Jesus' Name, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

## EXPLANATION OF VOTE

Mr. President: I vote "NO" because our failed pandemic response cost us individual liberties as never before. Allowing unelected officials and even elected officials to force shutdowns and interventions upon us individually and as a society accomplished nothing when compared to states that placed a premium on individual liberty. I pray that the pain experienced by Kansans is not lost to posterity secondary to politics.—MARK STEFFEN

Mr. President: Since the beginning of this pandemic, we have seen an escalating and prolonged suspension, and abridgment of many constitutional rights. True scientific evidence was overlooked in favor of public health edicts that shifted a number of times during this pandemic, based partially on the whims of unelected officials. Last June, we passed **HB 2016**, an important step forward in providing checks and balances and limitations on the governor's power as it relates to emergencies. **SB 40** does implement more checks and balances, providing due process, ensuring the buck stops with elected officials, preventing the closure of businesses and churches by the governor, and ending the current mandates on March 31st. Do I wish the bill would go further, absolutely! I believe the core responsibility of state government is to protect the liberty of the people, and do not believe any unit of government should be able to impose the lockdowns, restrictions, and mask mandates we have seen in the last year. At least this bill represents a step forward towards getting us back to normal, but I believe there will still need to be more work ahead. I vote "YES."—MIKE THOMPSON

Senators Erickson, Masterson and Peck request the record to show they concur with the "Explanation of Vote" offered by Senator Thompson on **SB 40**.

Mr. President: I reluctantly vote "NO" on the Conference Committee Report for **SB 40**; regarding the Kansas Emergency Management Act, a Kansas response to managing a global ("COVID-19") pandemic. The conference committee's considerable work to reach this Report's compromises is what causes my "NO" vote to be hesitant and, "regrettably" for they have done very well. I've been here in this Legislature longer than anyone in the Senate, through six (6) Gubernatorial (Graves; Sebelius; Parkinson; Brownback; Colyer; Kelly) administrations. Kansas has never before so needed to have an executive leader to be unrestrained to make unilateral, "universal" policies for the good of the whole; not fragmented, patchwork policies, when attempting through established best practices and protocols to reduce, quell, as expeditiously as possible, a viral pandemic which is so deadly. There is no doubt in my mind that this report is only to set parameters, indeed restrict a thoughtful, scientific-based Governor due to partisan reasons alone. I firmly believe that were our Governor a Republican that this Republican-dominated Legislature would affirm whatever plan(s) were presented without such "undue oversight." Plain irresponsible to play partisan politics with health and the lives of Kansans when we should collectively pull together behind executive leadership to support cohesive uniform policies.—DAVID HALEY

FORTY-FIFTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Wednesday, March 17, 2021, 2:30 p.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 40 senators present.

Invocation by Reverend Cecil T. Washington:

Going To God In Prayer; The Power of Interceding For Others!

1 Timothy 2:1-4; Acts 12:1-3, 5-7, 12; Ecclesiastes 4:9

Heavenly Father, as we gather today, we're in a significant battle for our freedoms. So, an ever increasing necessity for us is to understand the need for fervent prayer. Your Word declares, in 1 Timothy 2:1-4, that public servants in positions of authority, must be prayed for, so that a peaceful and calm Godliness may prevail.

Lord, in Acts 12:5-7, freedom for Your people was in grave danger. Peter, leader of the Apostles, was in chains and hopelessly imprisoned. But Your people prayed for Peter. You honored their combined prayers. That chain of prayers, coming from Your people, was heard by You. You released Peter from his chains so he could more effectively serve You and Your people.

Lord, please reproduce that scenario right here. If any one of us is wearing shackles of any kind, that hinder us from more effectively serving You and Your people, then remind us of the need for and the power of praying for one another. Keep us mindful of the increased energy principle, found in Ecclesiastes 4:9, where two praying together are better than one and the synergy of three increases the power of prayer exponentially.

And Lord, let not one of us be so careless or non-committal in linking the chain of our prayers together that any of us become the weakest link. Help us to be strong together and together strong. And in the same way that it happened with Peter, as we pray for each other, we'll see freedom prevail and the chains of bondage falling from us.

I thank You Lord, for the combined effect of our praying for one another. In the Name of Christ Jesus, Amen!

The Pledge of Allegiance was led by President Masterson.

Yeas: Alley, Billinger, Bowers, Claeys, Dietrich, Erickson, Fagg, Gossage, Hilderbrand, Kerschen, Kloos, Longbine, Masterson, McGinn, O'Shea, Olson, Petersen, Pyle, Ryckman, Suellentrop, Thompson, Tyson, Warren, Wilborn.

The substitute bill passed, as amended.

**EXPLANATION OF VOTE**

Mr. President: I vote "PASS" on **Substitute for SB 267**. This vote is both a reluctant pass and an optimistic hope for a much better budget bill during Omnibus. The Governor and state agencies gave us a sustainable budget with several cuts reflecting the difficult times we are facing. To make that budget balance, the Governor included several budget relief tools. To date in the Senate we have passed only one, the "Market Place Facilitator". To further complicate our budget outlook, the Senate passed a \$478.3M tax cut in **SB 22**. That complicates the additional spending in **Sub SB 267** with \$56.7M beyond the Governor and agency recommendations. My optimistic hope for this budget process is in what I have seen in past years with the Conference Committee process, the give and take and the final considerations in Omnibus. We do have a serious problem to fix in that we cut \$235.8M from our mandated school finance obligation based on the hope that the new federal funds could be used to fund that. There is legitimate concern that those new ARP/CARES funds cannot be used and would be considered supplanting necessary state funding. I will trust in the process, hope that the initial profile of a negative \$78.2M balance can be fixed and that working with all legislators and the Governor, we can craft a final responsible, sustainable budget for the people of Kansas.—TOM HAWK

Senator Faust-Goudeau requests the record to show she concurs with the "Explanation of Vote" offered by Senator Hawk on **Sub SB 267**.

Mr. President: I vote "AYE" on this legislation in support of amendments that were adopted, most emphatically in support of the language ending the mask mandate!—  
DENNIS PYLE

Mr. President: This budget is not balanced nor sustainable. When we consider budgets, we must always prioritize the need to protect our state's future and be fiscally responsible. We cannot pay for tax cuts for giant multinational corporations, keep the lights on and keep our state running, and operate with a positive balance under this proposed budget. Furthermore, this budget punts our constitutional obligation to fund our schools. One-time federal funds during a pandemic do not a finance formula make. It is irresponsible to set a precedent wherein we choose not to appropriate funds for our public schools because we hope we can shore up money elsewhere. This will land us in court, and this will cost our state money and hurt our kids. I vote "NO."—DINAH SYKES

Senators Corson and Haley request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **Sub SB 267**.

On motion of Senator Alley, the Senate recessed until the sound of the gavel.

#### EXPLANATION OF VOTE

Mr. President: I believe in old fashioned chivalry and standing up for God's special creation – females. I vote "YES" on **SB 208**. I have a 14-year-old granddaughter. Hannah; this one's for you. And I have a 20-year-old granddaughter. Libbi; this one's for you. Libbi is expecting and will give birth to my first great-grandchild – a girl – in the next 50 days. Baby Jabben, this one's for you.—VIRGIL PECK

Mr. President: The state of Kansas has an organization, KSHSAA, the Kansas State High School Activities Association, that provides guidelines for participation in secondary sports in Kansas. KSHSAA has guidelines for Transgender students to participate in sports. **SB 208** is creating a problem and opening the door to discrimination and bullying of our Kansas students from K-12. I vote "NO" for **SB 208**.—PAT PETTEY

Senators Francisco and Sykes request the record to show they concur with the "Explanation of Vote" offered by Senator Pettey on **SB 208**.

Mr. President: We made good progress for the good of Kansas with earlier bills we passed today, bills that position our state for future military investment and economic development. I came to Topeka as a businessman, to use my skills to help Kansas, not to have government step in to unnecessarily regulate our citizens' social lives. **SB 208** is an unnecessary bill in search of a problem. Our athletic organizations have appropriate rules in place. If there were a demonstrated problem, we should address it in a way that is constructive and takes appropriate steps that help all youth be the best they could be. But I feel, unfortunately, this is a punitive bill targeted towards at-risk youth and not a real solution that I can truly support at this time. I do not feel we should even be discussing this bill as it exists and so I actively choose to pass at this time.—JEFF PITTMAN

Mr. President: Treating humans with dignity and respect is the right thing to do. This bill is built on a lie that the biggest threat to women's sports and happiness is transgender folks. It is built on a lie that biological gender is simple and we understand the science that says that it isn't as simple as some want it to be. It is built on a premise and a problem that hasn't and isn't occurring. I vote NO.—DINAH SYKES

Senator Francisco requests the record to show she concur with the "Explanation of Vote" offered by Senator Sykes on **SB 208**.

**Sub HB 2066**, AN ACT concerning occupational regulation; relating to occupational licenses for certain applicants; temporary emergency licenses; electronic credentials; amending K.S.A. 2020 Supp. 48-3406 and repealing the existing section.

On roll call, the vote was: Yeas 36; Nays 2; Present and Passing 1; Absent or Not Voting 1.

Yeas: Alley, Baumgardner, Bowers, Claeys, Corson, Dietrich, Doll, Erickson, Fagg, Faust-Goudeau, Gossage, Hawk, Hilderbrand, Holscher, Kerschen, Kloos, Longbine, Masterson, McGinn, O'Shea, Olson, Peck, Petersen, Pettey, Pittman, Pyle, Ryckman, Steffen, Straub, Suellentrop, Sykes, Thompson, Tyson, Ware, Warren, Wilborn.

Nays: Haley, Holland.

Present and Passing: Francisco.

Absent or Not Voting: Billinger.

The substitute bill passed, as amended.

#### EXPLANATION OF VOTE

Mr. President: This bill effects many licensed occupations in Kansas. I understand that many licensing bodies are concerned that their ability to deny an application for licensure will be limited by this bill. It is critical that every applicant complies with the underlying laws governing each occupational license. I fully support this bill. My understanding of the bill, after conferring with the Revisor, is that each licensing body retains the discretion to determine if the applicant's credential, private certification, or work experience falls in the similar scope of practice as the Kansas licensed profession. Per subsection (m) this determination would be subject to any state law defining such scope of practice. Subsection (h) requires the licensing body to issue a temporary permit in such instances if the applicant is a military service member or spouse unless doing so would jeopardize public health and safety (which is also determined by the licensing body.) Subsection (i) authorizes the licensing body to issue a temporary permit in such instances to any other applicant, but the licensing body is not required to do so. Based on this analysis, I vote "YES" on **Sub HB 2066**.—BRENDA DIETRICH

Mr. President: I vote "NO" on **Sub HB 2066**. While I support the military spouse provisions of this bill, I cannot support how the bill unjustly favors out-of-state civilian workers with lesser experience over unemployed and underemployed Kansans who possess the appropriate licenses/credentials. Make no mistake, this bill will erode wages for those licensed Kansas professionals who will now be forced to compete on an unlevel playing field.—TOM HOLLAND

**HB 2078**, AN ACT concerning criminal procedure; relating to discharge of persons not brought promptly to trial; suspension of statutory deadlines; providing guidelines for prioritizing trials; requiring the office of judicial administration to prepare and

submit a report to the legislature in 2022 and 2023; amending K.S.A. 2020 Supp. 22-3402 and repealing the existing section.

On roll call, the vote was: Yeas 32; Nays 7; Present and Passing 0; Absent or Not Voting 1.

Yeas: Alley, Baumgardner, Bowers, Claeys, Corson, Dietrich, Doll, Erickson, Fagg, Faust-Goudeau, Francisco, Gossage, Haley, Hawk, Holscher, Kerschen, Kloos, Longbine, Masterson, McGinn, O'Shea, Olson, Petersen, Pettey, Pittman, Ryckman, Suellentrop, Sykes, Thompson, Ware, Warren, Wilborn.

Nays: Hilderbrand, Holland, Peck, Pyle, Steffen, Straub, Tyson.

Absent or Not Voting: Billinger.

The bill passed, as amended.

#### EXPLANATION OF VOTE

Mr. President: **HB 2078** puts a temporary stop on our Kansas statute on speedy trial. I believe we should not be delaying our citizens right to a trial just because of backlog. As an example, the military judicial system has adjusted to the pandemic with strict procedures and protective equipment to execute appropriately timed justice. I believe our judiciary should be obligated to do what it could do to ensure our state's expectations on one of our constitutional rights. However, we are where we are with the pandemic and we have serious criminals who pose a serious risk to society that cannot be set free by a technicality, so I appreciate the amendments our body has made to limit this hiatus on one of our sacred rights to two years.—JEFF PITTMAN

**HB 2227**, AN ACT concerning courts; relating to orders issued by the chief justice to secure health and safety during a disaster emergency; suspension of deadlines or time limitations; authorizing suspension during a state of local disaster emergency; suspension of verification requirements under the revised Kansas code for the care of children; use of electronic audio-visual communication to expeditiously resolve pending cases; amending K.S.A. 2020 Supp. 20-172 and repealing the existing section.

On roll call, the vote was: Yeas 34; Nays 5; Present and Passing 0; Absent or Not Voting 1.

# Journal of the Senate

FORTY-SIXTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Thursday, March 18, 2021, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 37 senators present.  
Senators Faust-Goudeau, O'Shea and Ware were excused.  
Invocation by Reverend Cecil T. Washington:

United In Prayer; Giving and Receiving Forgiveness!  
Matthew 18:20; Matthew 6:9-15; Luke 11:1-4, 17, 23

I don't know if anyone has noticed, but God has me promoting more togetherness in prayer. The environment, the Lord has promised to bless, is the environment of unity. He says "where two or three gather together as My followers, I am there among them." (Matthew 18:20) And folks, there's no better time, position or need for us to be united in than prayer!

So, I'm going to lead us in that model prayer that the Lord gave His disciples to pray in Matthew 6 and Luke 11:1-4. And we want to do this together.

Luke 11:17 says, "Any kingdom divided by civil war is doomed. And a family splintered by feuding will fall apart." Let's pray; all of us, out loud, coming from Matthew 6:9-15. And note that all 15 of the pronouns are in the plural, promoting unity. Please repeat after me: (The model prayer verses 9-15, including the Lord's postscript verses 14-15)

Our Father, which art in heaven, Hallowed be Thy name.  
Thy kingdom come. Thy will be done in earth, as it is in heaven.  
Give us this day our daily bread.

And forgive us our debts, as we forgive our debtors.  
And lead us not into temptation, but deliver us from evil.

For thine is the kingdom, and the power, and the glory, for ever. Amen.

For if ye forgive men their trespasses, your heavenly Father will also forgive you. But if ye forgive not men their trespasses, neither will your Father forgive your trespasses. Now Lord, as Chaplain for this house, I ask that You impress this prayer on the hearts of everyone of us. In the Name of our Lord and Savior, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

# Journal of the Senate

FORTY-NINTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Tuesday, March 23, 2021, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.

The roll was called with 40 senators present.

Invocation by Reverend Cecil T. Washington:

Think, Before You Speak! What Goes In, Is What Comes Out!

Life and Death Is In The Tongue!!

Matthew 4:4, Proverbs 18:21, Ephesians 4:29, Proverbs 29:20, James 1:19

Heavenly Father, most of us have had something to eat today to nourish our bodies. But in Matthew 4:4, You say that kind of food is not enough and that we need to feed on every Word that proceeds from You. And, You've ordained Your Prophets to give us a Divine, strength-building diet consisting of Your Holy Word. So, Lord, let the words that come from us, reflect the Words that come from You.

In Proverbs 18:21, You tell us that the words we speak have the power of life and death. Your Word, therefore, orders us in Ephesians 4:29, not to use foul, offensive or insulting language. But to let everything we say be good and helpful, that our words will be an encouragement to those who hear them.

So, slow us down that we not be so quick as to speak out of our emotions. In Proverbs 29:20, You say that one who speaks in haste is more hopeless than a fool. And You tell us in James 1:19 to be slow to speak, but quick to listen. For when we're listening, You can teach us something.

And Lord, that reminds me of the wisdom of my Grandmother. She told me that as long as I kept my mouth shut, I could avoid displaying my ignorance. So, again Lord, keep us on a steady diet of feeding on Your Word. Because what comes in, is what will go out.

I pray today, in Jesus' Name. Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

The Senate was called to order by Vice President Rick Wilborn.

The roll was called with 40 senators present.

The Vice President introduced Reverend LaRon Thompson, Paseo Baptist Church, and guest of Senator David Haley to deliver the invocation:

Omniscient, Omnipresent and Omnipotent God, on this 24th day of March in the year of 2021, we pause with grateful hearts to say Thank You! Thank You for Your bountiful blessings, Your prudent provisions, Your gracious gifts, Your lavish love and the multiplicity of mercies that are new every morning.

Father, in this moment we beseech Your presence. Your presence to abide in the hearts of Your public servants. Your presence to build the boldness we need in our service to Your children. Your presence to convict us in challenging moments. Your presence to discern the direction You desire for us to go.

Finally, may we, public servants elected for the people by the people, be reminded of Your unwavering requirement found in Micah 6:8. May we live justly, love mercy and walk humbly before almighty God.

We humbly submit this prayer and petition to You. In Your sovereign and holy name, we pray, Amen!

(a) Subject to the provisions of this section and K.S.A. 8-1,125, and amendments thereto, the division of vehicles shall furnish to every owner whose vehicle shall be registered one license plate for such vehicle. Such license plate shall have displayed on it the registration number assigned to the vehicle and to the owner thereof, the name of the state, which may be abbreviated, and the year or years for which it is issued. The same type of license plates shall be issued for passenger motor vehicles, rented without a driver, as are issued for private passenger vehicles.

(b) During calendar year 1975 commencing on the effective date of this act, and during every fifth calendar year thereafter, the division of vehicles shall furnish one license plate for any type of vehicle an owner registers or has the registration thereof renewed, but during the succeeding four-year period following calendar year 1975 and

during the succeeding four-year period following every fifth calendar year subsequent to 1975, the division of vehicles shall not furnish any license plate for the renewal of a vehicle's registration. During calendar year 1976 and during each calendar year thereafter in which a license plate is not issued for the renewal of registration of a vehicle, the division of vehicles shall furnish one decal for the license plate issued for a vehicle as provided in K.S.A. 8-134, and amendments thereto, for each registration and renewal of registration of such vehicle. Notwithstanding the foregoing provisions of this subsection, whenever, in the discretion of the director of vehicles, it is determined that the license plates currently being issued and displayed are not deteriorating to the extent that their replacement is warranted, the director may adopt rules and regulations to extend the five-year issuance cycle provided for in this subsection by one year at a time, and in the same manner the director may further extend such cycle by one year at a time, successively as the director determines appropriate. If the cycle is extended at the expiration of the extended term, new license plates shall again be issued in the manner and for the term provided in such rules and regulations, except that the owner of a motor vehicle currently registered may continue to display the license plate currently being issued and displayed for a period not to exceed three registration years from the date of the expiration of the extended term. Such application shall be on a form prescribed by the division and accompanied by a fee of \$40, which shall be in addition to any other fee required to renew the registration of such passenger vehicle under the laws of this state. One such personalized license plate shall be displayed on the rear of the vehicle and, at the option of the owner or lessee, the other license plate may be displayed on the front of the vehicle, except that no registration decal shall be issued pursuant to K.S.A. 8-134, and amendments thereto, for any such license plate displayed on the front of such vehicle. The division shall design distinctive, personalized license plates to be issued which shall contain not more than seven letters or numbers on truck or passenger vehicle license plates and not more than five letters or numbers on motorcycle license plates, or a combination thereof, to be designated by the applicant in lieu of the letters and numbers required by K.S.A. 8-147, and amendments thereto, other than the letters required to designate the county in which such vehicle is registered. Unless the letters or numbers designated by the applicant have been assigned to another vehicle, or unless the letters or numbers designated by the applicant have a profane, vulgar, lewd or indecent meaning or

connotation, as determined by the director of vehicles, the division shall assign such letters or numbers to the applicant's vehicle, and the letters or numbers, or combination thereof, so assigned shall be deemed the registration number of such vehicle. Subject to the foregoing provisions, all license plates issued under this section shall be manufactured in accordance with K.S.A. 8-147, and amendments thereto. Such license plates shall be issued for a registration period of five years commencing in 1985 and each five years thereafter.

#### EXPLANATION OF VOTE

Madam Chair: I vote AYE on the amendment offered to remove the Gadsden flag (also known as "Don't Tread on Me") from the options for new specialty car license tags. My objection is not meant to undermine any organization these tags will support but to oppose the glorification of Christopher Gadsden; a notorious slave merchant whose Gadsden's Wharf is estimated to have sold more Africans into slavery than any other location in North America. Further, Gadsden purportedly owned more than 90 slaves and operated his Wharf even after the slave trade was outlawed. It would be ironic for proud Kansans, a State we all know was brought into this Union as a Free State, to unwittingly sport a symbolic flag, and tag, created by the antithesis of that pride; that someone like Christopher Gadsden wholly represents. We should all vote now to remove all vestiges of affirmations in any way rooted in the misery of slavery or the slave trade, which is NOT Kansas' history, from any Kansas imagery or certainly official representations. Again, accordingly I vote "Aye" on this amendment.—DAVID HALEY

## FIFTY-FIRST DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Thursday, March 25, 2021, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.

The roll was called with 40 senators present.

Invocation by Reverend Cecil T. Washington:

Blindness; The Springboard For Unity!  
Ecclesiastes 4:9

Heavenly Father, It was on March 24th in 1820, that You blessed this world with Fanny J. Crosby. When only a few weeks old, by Your Divine providence, she became permanently blind. But her physical blindness became a springboard for her to focus on seeing things from a more spiritual perspective. And You blessed her to write over 8,000 hymns, that 200 years later are still blessing Your people. Thank You for Fanny Crosby.

Now in a different way, You've blessed each of us with some blindness. You designed that each one of our two eyes, would have a blind spot. And each eye covers, or makes up for the other eye's blind spot. My right eye can see the spot, that my left eye is missing. And my left eye sees what escapes my right eye.

Lord, in a like manner, You've created us to need each other. For none of us can see, what others of us can see. And others of us cannot see, what some of us can see.

You said in Ecclesiastes 4:9, two people are better off than one, for they can help each other succeed. So, help us look out for one another; the left looking out for the right, and the right looking out for the left. Let our individual blindness become springboards of unity. And when we do it, the way You've designed for it to be done, we'll all be seeing things we didn't see before.

And Lord, You'll have us seeing the unseeable, achieving the unachievable, the impossible becoming possible. And all for the good of Your people. I humbly submit, to Your will and Your way. In the Name of Jesus. Amen

The Pledge of Allegiance was led by Vice President Wilborn.

#### EXPLANATION OF VOTE

Mr. Chairman: AYE to **Sub HB 2166** relating to authorization of a new round of distinctive license auto plates. The good news is most of these new tags are beneficial to bona fide organizations; each with some particular direct connection to Kansas. The bad news is that an amendment added in committee (one small part of this bill) authorizes the Don't Tread on Me Flag whose creation is attributed to a South Carolinian slave trader who, allegedly, "owned" over 90 Africans as slaves, and "Gadsden Wharf", which was the largest port for slave importation in North America. I regret well-intentioned Kansans, many of whom know we came into this Union as a Free State and had little to do with the rest of our country's past in that regard, not knowing this despot's history may unwittingly sport "his" flag on a license tag because of its' catchy motto. But one of my late Uncle Alex (the author of ROOTS: An America Saga) Haley's most oft quoted sayings was "Find the good and praise it." So praises for the GOOD and worthy organizations that are the far predominance of proud future Kansas representations on many vehicles! And to hell with sanctioning of the codification in the Gadsden ("Don't Tread on Me") flag as an "official" part of the history of Kansas; which he and his sordid, debauchery-of-a-legacy never actually was.—DAVID HALEY

Mr. Vice President: I'd like to offer an explanation of my vote for **Sub HB 2166**. There is a certain taint with this bill; while there are many great organizations contained within it, the incorporation of the Gadsden flag, with it's history associated with racism, runs counter of recognizing Kansas as a free state. Additionally, the evolution of this particular flag as a symbol of the Jan. 6 insurrection seems to oppose the very essence of being a united nation.—CINDY HOLSCHER

Senators Francisco and Haley request the record to show they concur with the "Explanation of Vote" offered by Senator Holscher on **Sub HB 2166**.

#### EXPLANATION OF VOTE

Mr. Vice President: I vote "NO" on the motion to concur with the House changes to **SB 24**. I would prefer that a conference committee would meet to review the changes and the bill. I sympathize with the intent to not allow a municipality to prohibit a utility from providing a customer with natural gas or propane service. My concern is that this bill goes beyond that, creating limits that could prevent municipalities from adopting or enforcing building codes such as the International Fuel Gas Code that relates to safety requirements only imposed on natural gas or propane service. These codes are relied on by municipalities as they work to protect the safety of their residents. There should be a way to allow energy choice without unreasonably limiting the reasonable actions of a municipality.—MARCI FRANCISCO

"Sec. 12. Section 1 of 2021 Senate Bill No. 13 is hereby amended to read as follows: Section 1. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) At least 10 days in advance of the public hearing, the governing body shall publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice: (A) On the website of the governing body, if the governing body maintains a website; and

(B) in a weekly or daily newspaper of the county having a general circulation therein. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July ~~15~~ 20, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. For all tax years commencing after December 31, 2021, the county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer and county clerk have consented in writing to service by electronic means. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall be in a format prescribed by the director of accounts and reports. The notice shall include, but not be limited to:

(A) The revenue neutral rate of each taxing subdivision relevant to the taxpayer's property;

(B) the proposed property tax revenue needed to fund the proposed budget of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(D) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;

(E) the appraised value and assessed value of the taxpayer's property for the current year;

(F) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;

(G) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate on the taxpayer's property described in subparagraph (F) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and

(H) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August ~~10~~ 20 and not later than September ~~10~~ 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929,

and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section.

(c) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate. The provisions of this subsection shall not be construed as prohibiting any other remedies available under the law.

(d) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before ~~September 20~~ October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(e) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(f) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to section 7, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(g) The provisions of this section shall take effect and be in force from and after January 1, 2021.

Sec. 13. K.S.A. 79-1801, as amended by section 3 of 2021 Senate Bill No. 13, is hereby amended to read as follows: 79-1801. the county treasurer. The county treasurer shall distribute the proceeds of the taxes levied by each taxing subdivision in the manner provided by K.S.A. 12-1678a, and amendments thereto.

On and after January 1, 2021, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under section 1, and amendments thereto, the governing body of the taxing subdivision shall certify, on or before ~~September 20~~ October 1, to the proper county clerk the amount of ad valorem tax to be levied.";

#### EXPLANATION OF VOTE

Mr. Vice President: Energy policy in Kansas has inherent problems that have accumulated over a long period of time. These policy decisions are having negative consequences for Kansas ratepayers and our energy system as a whole. I am trying to protect the future of Kansas by making wise choices about how we provide energy to our citizens. The bill does include some important short-term relief for ratepayers as a result of the recent cold spell and those needs must be addressed...that is not in dispute. We can have a quick fix for these short-term problems. But, it is the long term rates and energy sources I am worried about. All residents need to have confidence in our long-term solutions so they can rest assured that Kansas will be a good place to live and work in the future for their children and grandchildren. Make Kansas more appealing than others because of our good decisions! Rate payers of Kansas...remember this discussion. I ask you to write down the price of your electrical bill today...then look at that number in 10 years. I vote No on **S Sub HB 2072**.—MIKE THOMPSON

FIFTY-THIRD DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Monday, March 29, 2021, 1:30 p.m.

The Senate was called to order by President Ty Masterson.  
The roll was called with 39 senators present.  
Senator Suellentrop was excused.  
Invocation by Reverend Cecil T. Washington:

Balancing Law And Love  
3 John 1:1-4, Proverbs 13:24

Spirit of the Living God, You prompted Your messenger John; in 3 John 1:1-4, to communicate both the compassion of love and the firmness of truth. And Lord, we thank You for faithfully guiding us with the firmness of Your truth and protecting us with the compassion of Your love. Thank You for the balance of both.

You hold us to the codes necessary to regulate our behavior, the regulations needed for successful living. But You balance the restraining discipline of Your laws with the liberating power of Your love. For in Proverbs 13:24, You show that the compassion of love and the restraint of discipline are both needed.

So, help us to be like You. For law or policy without love is just empty regulation, while love or empathy without law is just weak flexibility. Help each one of us to be an example, a model of both Your law and Your love, Help us pour into others that balance that You pour into us.

I come to You in the Name of Him Who disciplines us, yet loved us to death. Amen!

The Pledge of Allegiance was led by President Masterson.

On page 4, following line 15, by inserting:

"New Sec. 2. (a) Notwithstanding any other provision of law, for any individual

whose identity was fraudulently used to secure any type of compensation, if such individual never received such compensation, such compensation shall not be considered gross income and shall not be taxable for Kansas income tax purposes after determination by the department of revenue that the compensation was obtained fraudulently by another individual.

(b) The department of revenue shall provide a method for any taxpayer subject to the Kansas income tax act to report to the department of revenue whether such taxpayer was a victim of fraud due to identity theft and whether such fraud resulted in the reporting of any income to the federal internal revenue service. The report shall include, but not be limited to, the amount of the income reported to the federal internal revenue service due to fraud, if known.

Sec. 3. K.S.A. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income

below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

# Journal of the Senate

FIFTY-FOURTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Tuesday, March 30, 2021, 1:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 40 senators present.  
Invocation by Reverend Cecil T. Washington:

The Blessedness of Marriage; The Most Meaningful!  
Genesis 2:18-25, Proverbs 18:22, Revelation 21:9

Dear God; Creator and Lord of us all. Back in the beginning, when You were putting our world together, You made it clear to Adam in Genesis 2:18, that it would not be good for him to be alone, that You would make for him a helper who would be just right for him. And when You had him name the animals and he could see that every male had a female except for him. And once he saw what was missing in his life, that's when You blessed him. You fixed him up with a wife!

And in Proverbs 18:22, You said that the man who finds a wife finds a "good thing," finds a treasure. He is blessed with favor from You. Several years ago on this very day, March 30th, You brought Audrey, my wife and helper, into this world. So, on this, her birthday, I want to thank You for my "good thing," my treasure, my wife! But Lord, I'm not only thanking You for how You've blessed me, I'm thanking You on behalf of every man who has found his treasure, his jewel of a wife.

And I'm also thanking You Lord, on behalf of all the good things, the treasures that have been found. You've given us this thing called family. But Lord, even when the blessings of these earthly relationships fail to materialize, You offer the relationship that's the most rewarding of all. You invite us into a marriage with You, Revelation 21:9, with us as Your bride and You as our Groom. Help us look forward to the day, that You consummate our marriage and bring us home to be with You.

In Jesus' Name I pray. Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

WHEREAS, An accompanying improvement of ridership and financial performance would be realized by an extension and second frequency of the Heartland Flyer; and

WHEREAS, The Amtrak Southwest Chief and Sunset Limited routes would realize a dramatic increase in ridership and financial performance from a two-frequency Heartland Flyer connection with hubs in Newton, Kansas, and Fort Worth, Texas; and

WHEREAS, Ridership on the Heartland Flyer Extension from Oklahoma City, Oklahoma, to Newton, Kansas, is anticipated to double when connected with the Southwest Chief in Newton, Kansas; and

#### EXPLANATION OF VOTE

Mr. Vice President: Over the past year, we have heard baseless claims that our elections are rigged, fraudulent, and stolen. Of course, members of this body acknowledge that this hasn't happened in our state, since suggesting otherwise would call into question the legitimacy of our own positions. But that hasn't stopped some of us from introducing legislation to make it harder for Kansans to vote. **HCR 5015** secures our elections by providing grants to modernize our election infrastructure. It promotes civic engagement by allowing young Americans to preregister to vote. It bars the use of taxpayer dollars for discrimination and sexual harassment lawsuit settlements for members of Congress. It strengthens access to ballots for our overseas military members. Put simply, it increases accountability in our system and allows Americans to participate in our democracy to its fullest extent. This body has made its hostility

toward voters' choices perfectly clear over the past several years. With this pointless, moot resolution, we're sending yet another message that in Kansas, voting is not a right, and we want every member of Congress in the United States to follow our shameful lead. I vote NO.—DINAH SYKES

Senator Pettey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Sykes on **HCR 5015**.

(a) (1) Except as provided in subsection (a)(2), Any person who makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, to obtain or increase any benefit or other payment under this act, either for such person or for any other person, shall be guilty of theft and shall be punished in accordance with the provisions of K.S.A. 2020 Supp. 21-5801, and amendments thereto.

(2) Any violation of subsection (a)(1) shall be a severity level 2, nonperson felony if such person:

(A) Had no basis to obtain or increase any benefit or other payment under this act because the person is a resident of another state or foreign nation, failed to engage in employment as defined in K.S.A. 44-703, and amendments thereto, and failed to perform any services for wages within this state not within the meaning of employment as defined in K.S.A. 44-703, and amendments thereto;

(B) knowingly made the false statement or representation in such a manner that such statement or representation purports to have been made by another person, either real or fictitious, and if a real person without the authority of such person; and

(C) communicated or caused to be communicated a false statement or representation on three or more occasions within a 30-day period that purported to be from different other persons, as provided by paragraph (2)(B), to the department of labor.

(b) Any employing unit or any officer or agent for any employing unit or any other person who makes a false statement or representation knowing it to be false, or who knowingly fails to disclose a material fact, to prevent or reduce the payment of benefits to any individual entitled thereto, or to avoid becoming or remaining subject hereto or to avoid or reduce any contribution or other payment required from an employing unit

under this act, or who willfully fails or refuses to make any such contributions or other payment or to furnish any reports required hereunder or to produce or permit the inspection or copying of records as required hereunder, shall be punished by a fine of not less than \$20 nor more than \$200, or by imprisonment for not longer than 60 days, or both such fine and imprisonment. Each such false statement or representation or failure to disclose a material fact and each day of such failure or refusal shall constitute a separate offense.

(c) Any person who willfully violates any provision of this act or any rule and regulation adopted by the secretary hereunder, the violation of which is made unlawful or the observance of which is required under the terms of this act, and for which a penalty is neither prescribed herein or provided by any other applicable statute, shall be punished by a fine of not less than \$20 nor more than \$200, or by imprisonment for not longer than 60 days, or by both such fine and imprisonment, and each day such violation continues shall be deemed to be a separate offense.

(d) (1) Any person who has received any amount of money as benefits under this act while any conditions for the receipt of benefits imposed by this act were not fulfilled in such person's case, or while such person was disqualified from receiving benefits, shall in the discretion of the secretary, either be liable to have such amount of money deducted from any future benefits payable to such person under this act or shall be liable to repay to the secretary for the employment security fund an amount of money equal to the amount so received by such person. After a period of five years, the secretary may waive the collection of any such amount of money when the secretary has determined that the payment of such amount of money was not due to fraud, misrepresentation, or willful nondisclosure on the part of the person receiving such amount of money, and the collection thereof would be against equity or would cause extreme hardship with regard to such person. The collection of benefit overpayments which were made in the absence of fraud, misrepresentation or willful nondisclosure of required information on the part of the person who received such overpayments, may be waived by the secretary at any time if such person met all eligibility requirements of the employment security law during the weeks in which the overpayments were made.

(2) Any benefit erroneously paid which is not repaid shall bear interest at the rate of 1.5% per month or fraction of a month. If the benefit was received as a result of fraud, misrepresentation or willful nondisclosure of required information, interest shall accrue from the date of the final determination of overpayment until repayment plus interest is received by the secretary. If the overpayment was without fraud, misrepresentation or willful nondisclosure of required information, interest shall accrue upon any balance which remains unpaid two years after the final determination of overpayment is made and shall continue until payment plus accrued interest is received by the secretary. Interest collected pursuant to this section shall be paid into the special employment security fund, except that interest collected on federal administrative programs shall be returned to the federal government. Upon written request and for good cause shown, the secretary may abate any interest or portion thereof provided for by this subsection (d)(2). Interest accrued may not be paid by money deducted from any future benefits payable to such persons liable for any overpayment.

(3) Unless collection is waived by the secretary, any such amount shall be collectible in the manner provided in K.S.A. 44-717, and amendments thereto, for the collection of past due contributions. The courts of this state shall in like manner

entertain actions to collect amounts of money erroneously paid as benefits, or unlawfully obtained, for which liability has accrued under the employment security law of any other state or of the federal government.

(4) In cases involving the collection of debts arising from the employment security law, the actual amount received from the United States department of treasury under the treasury offset program or its successor shall be credited to the overpayment and any fee charged by the department of treasury shall be borne by the debtor.

(e) Any employer or person who willfully fails or refuses to pay contributions, payments in lieu of contributions or benefit cost payments or attempts in any manner to evade or defeat any such contributions, payments in lieu of contributions or benefit cost payments or the payment thereof, shall be liable for the payment of such contributions, payments in lieu of contributions or benefit cost payments and, in addition to any other penalties provided by law, shall be liable to pay a penalty equal to the total amount of the contributions, payments in lieu of contributions or benefit cost payments evaded or not paid.

(f) (1) It shall be unlawful for an employing unit to knowingly obtain or attempt to obtain a reduced liability for contributions under K.S.A. 44-710a(b)(1), and amendments thereto, through manipulation of the employer's workforce, or for an employing unit that is not an employing unit at the time it acquires the trade or business, to knowingly obtain or attempt to obtain a reduced liability for contributions under K.S.A. 44-710a(b)(5), and amendments thereto, or any other provision of K.S.A. 44-710a, and amendments thereto, related to determining the assignment of a contribution rate, when the sole or primary purpose of the business acquisition was for the purpose of obtaining a lower rate of contributions, or for a person to knowingly advise an employing unit in such a way that results in such a violation, such employing unit or person shall be subject to the following penalties:

(A) If the person is an employer, then such employer shall be assigned the highest rate assignable under K.S.A. 44-710a, and amendments thereto, for the rate year during which such violation or attempted violation occurred and the three rate years immediately following this rate year. However, if the employer's business is already at such highest rate for any year, or if the amount of increase in the employer's rate would be less than 2% for such year, then a penalty rate of contributions of 2% of taxable wages shall be imposed for such year. Any moneys resulting from the difference of the computed rate and the penalty rate shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the special employment security fund.

(B) If the person is not an employer, such person shall be subject to a civil money penalty of not more than \$5,000. All fines assessed and collected under this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the special employment security fund.

(3) For purposes of this subsection, the term "violates or attempts to violate"

includes, but is not limited to, any intent to evade, misrepresentation or willful nondisclosure.

(4) (A) In addition to, or in lieu of, any civil penalty imposed by paragraph (1) if, the director of employment security or a special assistant attorney general assigned to the department of labor, has probable cause to believe that a violation of this subsection (f) should be prosecuted as a crime, a copy of any order, all investigative reports and any evidence in the possession of the division of employment security which relates to such violation, may be forwarded to the prosecuting attorney in the county in which the act or any of the acts were performed which constitute a violation of this subsection (f). "Sec. 10. K.S.A. 2020 Supp. 21-6604 is hereby amended to read as follows: 21-6604. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:

(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense and may impose the provisions of subsection (q);

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases ~~except for violations of K.S.A. 8-1567 or 8-2,144, and amendments thereto,~~ the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate,

including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 2020 Supp. 21-6609, and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by K.S.A. 2020 Supp. 21-6602(c), and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity that materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2020 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire that has been determined to be arson or aggravated arson as defined in K.S.A. 2020 Supp. 21-5812, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation that leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in K.S.A. 2020 Supp. 21-6804(i), and amendments thereto, assign the defendant to a work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program shall serve the total number of hours of confinement mandated by that section;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and through (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime. Restitution shall be due immediately unless: (A) The court orders that the defendant be given a specified time to pay or be allowed to pay in specified installments; or (B) the court finds compelling circumstances that would render restitution unworkable, either in whole or in part. In regard to a violation of K.S.A. 2020 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. In regard to a violation of K.S.A. 2020 Supp. 21-5801, 21-5807 or 21-5813, and amendments thereto, such damage or loss shall include the cost of repair or replacement of the property that was damaged, the reasonable cost of any loss of production, crops and livestock, reasonable labor costs of any kind, reasonable material costs of any kind and any reasonable costs that are attributed to equipment that is used to abate or repair the damage to the property. If the court finds restitution unworkable, either in whole or in part, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant that may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the restitution order, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the judicial administrator pursuant to K.S.A. 20-169, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(3) If a restitution order entered prior to the effective date of this act does not give the defendant a specified time to pay or set payment in specified installments, the defendant may file a motion with the court prior to December 31, 2020, proposing payment of restitution in specified installments. The court may recall the restitution order from the agent assigned pursuant to K.S.A. 20-169, and amendments thereto, until the court rules on such motion. If the court does not order payment in specified installments or if the defendant does not file a motion prior to December 31, 2020, the restitution shall be due immediately.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by K.S.A. 2020 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum

and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2020 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time when the ~~defendant~~ offender would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony had the ~~defendant~~ offender not been granted release by the court pursuant to K.S.A. 2020 Supp. 21-6608(d), and amendments thereto, or the prisoner review board pursuant to K.S.A. 22-3717, and amendments thereto, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2020 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed consecutively pursuant to the provisions of K.S.A. 2020 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is

classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2020 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2020 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp's or community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.

(h) In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment

voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense that is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense that is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2020 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2020 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) (1) Except as provided by K.S.A. 2020 Supp. 21-6630 and 21-6805(f), and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2020 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2020 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If

the defendant's probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2020 Supp. 21-6805, and amendments thereto.

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2020 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order that places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license, which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a

copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" mean the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2020 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment conducted by a certified batterer intervention program; and (2) follow all recommendations made by such program, unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. LEGEND
Presumptive Probation
Presumptive Imprisonment

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;

(B) maximum potential reduction to such sentence as a result of good time; and

(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and

(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of K.S.A. 2020 Supp. 21-5412(d), and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (1) The sentence for the violation of the felony provision of ~~K.S.A. 8-2,144 and 8-1567~~ and K.S.A. 2020 Supp. 21-5414(b)(3), 21-5823(b)(3) and (b)(4), 21-6412 and 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 2020 Supp. 21-6807, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and

K.S.A. 2020 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2020 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of ~~K.S.A. 8-2-144, and 8-1567 and~~ K.S.A. 2020 Supp. 21-5414(b)(3), 21-5823(b)(3) and (b)(4), 21-6412 and 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, ~~except that the term of imprisonment for felony violations of K.S.A. 8-2-144 or 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review.~~ Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2020 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2020 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:

(A) The commission of one or more person felonies; or

(B) the commission of felony violations of article 57 of chapter 21 of the Kansas

Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009; and

(C) its members have a common name or common identifying sign or symbol; and

(D) its members, individually or collectively, engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of K.S.A. 2020 Supp. 21-5807(a)(1), and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2020 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-3715(a) or (b), prior to its repeal, 21-3716, prior to its repeal, K.S.A. 2020 Supp. 21-5807(a)(1) or (a)(2) or 21-5807(b), and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment.

(m) The sentence for a violation of K.S.A. 22-4903 or K.S.A. 2020 Supp. 21-5913(a)(2), and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

(n) The sentence for a violation of criminal deprivation of property, as defined in K.S.A. 2020 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, and when such person being sentenced has any combination of two or more prior convictions for a violation of K.S.A. 21-3705(b), prior to its repeal, or of criminal deprivation of property, as defined in K.S.A. 2020 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, or burglary as defined in K.S.A. 2020 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, prior to their repeal, or theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, or burglary as defined in K.S.A. 2020 Supp. 21-5807(a), and amendments thereto; or the sentence for a felony violation of theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2020 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of burglary as defined in K.S.A. 2020 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2020 Supp. 21-5807, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant

to participate in a drug treatment program, including, but not limited to, an approved ~~after-care~~ aftercare plan, if the court makes the following findings on the record:

- (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of K.S.A. 2020 Supp. 21-6824(f)(1), and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2020 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in K.S.A. 2020 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2020 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

- (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

- (1) An appropriate treatment program exists which is likely to be more effective

than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of K.S.A. 2020 Supp. 21-5413(c)(2), and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2020 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding beyond a reasonable doubt that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

Such sentence shall not be considered a departure and shall not be subject to appeal.

(v) The sentence for a third or subsequent violation of K.S.A. 8-1568, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(w) The sentence for aggravated criminal damage to property as defined in K.S.A. 2020 Supp. 21-5813(b), and amendments thereto, when such person being sentenced has a prior conviction for any nonperson felony shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(x) The sentence for a violation of K.S.A. 2020 Supp. 21-5807(a)(1), and amendments thereto, shall be presumptive imprisonment if the offense under such paragraph is classified in grid blocks 7-C, 7-D or 7-E. Such sentence shall not be considered a departure and shall not be subject to appeal.

(y) (1) Except as provided in subsection (y)(3), if the trier of fact makes a finding beyond a reasonable doubt that an offender committed a nondrug felony offense, or any attempt or conspiracy, as defined in K.S.A. 2020 Supp. 21-5301 and 21-5302, and amendments thereto, to commit a nondrug felony offense, against a law enforcement officer, as defined in K.S.A. 2020 Supp. 21-5111(p)(1) and (3), and amendments thereto, while such officer was engaged in the performance of such officer's duty, or in whole or in any part because of such officer's status as a law enforcement officer, the sentence for such offense shall be:

(A) If such offense is classified in severity level 2 through 10, one severity level above the appropriate level for such offense; and

(B) (i) if such offense is classified in severity level 1, except as otherwise provided in subsection (y)(1)(B)(ii), imprisonment for life, and such offender shall not be eligible for probation or suspension, modification or reduction of sentence. In addition, such offender shall not be eligible for parole prior to serving 25 years' imprisonment, and such 25 years' imprisonment shall not be reduced by the application of good time credits. No other sentence shall be permitted.

(ii) The provisions of subsection (y)(1)(B)(i) requiring the court to impose a mandatory minimum term of imprisonment of 25 years shall not apply if the court finds the offender, because of the offender's criminal history classification, is subject to presumptive imprisonment and the sentencing range exceeds 300 months. In such case, the offender is required to serve a mandatory minimum term equal to the sentence established pursuant to the sentencing range.

(2) The sentence imposed pursuant to subsection (y)(1) shall not be considered a departure and shall not be subject to appeal.

(3) The provisions of this subsection shall not apply to an offense described in subsection (y)(1) if the factual aspect concerning a law enforcement officer is a statutory element of such offense.";

# Journal of the Senate

FIFTY-FIFTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Wednesday, March 31, 2021, 9:30 a.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 40 senators present.  
Invocation by Reverend Cecil T. Washington:

Silent Prayers That Are Heard!  
Psalm 94:11, Matthew 6:6, Psalm 94:9

Lord of Heaven, I am grateful that the wisdom of the ages has set this time aside for prayer. For in prayer, we want to cry out to You. And in prayer, we want to hear from You. So, as we come to You in prayer, although I may be coming to You in an open audible way, there are souls coming to You today silently, privately. And Lord, I want to thank You that, either way, You're tuned right in.

Your Word confirms this for us. Psalm 94:11 reminds us that You know our very thoughts. Matthew 6:6 speaks of secret prayer that You openly reward! And Psalm 94:9 clarifies that, since You made the ear, surely You can hear! Yet, we're reminded that You don't allow our prayers to function like bringing the Genie out of the bottle. In Psalm 66:18, You warn us that we must come to You regretting our sin and repenting, turning our hearts away from ungodliness.

So, Lord, as we take on the challenges that we face, like a tire that needs alignment, by Your Holy Spirit bring us into alignment with You. And without question, we can know that You hear our prayers.

I thank You today, that You're not like the false gods, that can't hear and need to be carried. Thank You for being our true and living, prayer answering God.

I pray in the Name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

## EXPLANATION OF VOTE

Mr. Vice President: The health insurance plans supported by this bill are predatory and discriminatory. Our healthcare coverage system is deeply flawed; plans like these are quick fixes that are attractive on the surface, but can lead to long-term negative consequences. These plans hurt our most vulnerable in the risk pool by increasing premiums for comprehensive coverage, and they can come back to haunt individuals who elect to use them by capping benefits on coverage for things like heart attacks. They also exclude coverage for essential health benefits, such as maternity care, which is particularly egregious since this body has made it clear it is determined to make reproductive and family planning decisions on behalf of Kansas women. We do need to make our healthcare system work for more people, as a healthy Kansas is a productive Kansas. I hope that my colleagues who support this bill will support my caucus's efforts to expand that access by using the incentives in the American Recovery Plan to expand Medicaid in our state.—DINAH SYKES

The bill passed, as amended.

## EXPLANATION OF VOTE

Mr. Vice President: A bright spot today, **HB 2021** brings us one step forward towards realizing our Kansan veterans' goals of having a new veterans home in Northeast Kansas. I commend this body and the Governor for advancing this dream. It's only right to give back to those who stepped up in service and sacrifice for our country. I vote aye.

#### EXPLANATION OF VOTE

Mr. Vice President: I believe in respecting local control. I appreciate the work and conversations that have gone into strengthening the civics curriculum for our students prior to graduation. I believe we need to respect our elected officials at the local level, the same people who elect the state senate. Those who are elected at the local level make decisions for our unique school districts concerning curriculum and other needs of our students with guidance by another state elected entity, the State Board of Education. I support civics education, but I do not support government overreach. Therefore, I vote No on **HB 2039**.—CAROLYN MCGINN

Mr. Vice President: A troubling pattern has emerged in this chamber this session, with legislators concentrated on passing sweeping and restrictive laws to address problems that they have not shown actually exist in our state. Furthermore, these sweeping measures have almost always involved some form of legislative overreach or power grab over authority already given to other officials or bodies elected at the local level. **HB 2039** is just another example of both: our students have not shown to be any less civically engaged than previous generations. There is no indication that their existing curriculum does not teach them why we celebrate the 4th of July or why there are 13 stripes on our flag. And the legislature is solving this nonexistent problem by giving itself power to decide curriculum, a power that already rests with our duly elected State Board of Education. I vote NO.—PAT PETTEY

Senators Francisco, Haley and Sykes request the record to show they concur with the "Explanation of Vote" offered by Senator Pettey on **HB 2039**.

#### EXPLANATION OF VOTE

Mr. Vice President: I have always been for limited government and have always voted against any bills that I believe would grow government. I do not believe that passing legislation that forms legislative oversight committees is growing government, rather it is legislators doing what they were elected to do. **S Sub HB 2153** will be adding more legislative oversight over our broken foster care system, by also creating the office of the child advocate. **S Sub HB 2153** does also grow government. Before becoming involved with our foster care system in Kansas, I would have voted against **S Sub HB 2153** or any other bill that grows government. The foster care system in Kansas is broken. One of the charges we as legislators have, is to protect our most vulnerable Kansans. Because our foster kids are among our most vulnerable and we must start taking meaningful steps to fix this broken system, I vote Aye in support of **S Sub HB 2153**.—RICHARD HILDERBRAND

Senators Baumgardner and Faust-Goudeau request the record to show they concur with the "Explanation of Vote" offered by Senator Hilderbrand on **S Sub HB 2153**.

**S Sub HB 2183**, AN ACT concerning elections; creating the transparency in revenues underwriting elections act; prohibiting the receipt and expenditure of private moneys by election officials; relating to advance voting ballots; requiring signed statements for delivery of such ballots on behalf of a voter; limiting the number of such ballots that can be delivered; prohibiting the altering or backdating of the mailing date on such ballots; requiring a matching signature on such ballots; removing the secretary of state's authority to provide additional time for receipt of such ballots; prohibiting

candidates for office from engaging in certain conduct related to advance voting ballots; creating the crime of false representation of an election official; expanding the crime of electioneering; penalties for violations; amending K.S.A. 2020 Supp. 25-1124, 25-1128, 25-1132 and 25-2430 and repealing the existing sections; also repealing K.S.A. 25-608.

The substitute bill passed, as amended.

#### EXPLANATION OF VOTE

Mr. Vice President: I completely support fair, secure, and transparent elections. I would like to go on record thanking our current Secretary of State and our county election officers and county clerks. They did a terrific job this past election cycle and this bill is no reflection on them. I would also like to thank our chair who listened and made adjustments in committee with our many election bills. My only concern is with our elderly residents in nursing homes and the disabled who I fear will be disenfranchised by the provision in this bill from **SB 292**. Our Kansas residents with disabilities have a right to request whomever they want to assist them in voting. The limit of five ballots that a caregiver or personal care attendant or CNA can help them with is too restrictive and has some pretty serious consequences. For that reason I reluctantly vote yes on this bill and ask that this issue be addressed at conference committee and continue to be worked on.—BRENDA DIETRICH

Senators Bowers and McGinn request the record to show they concur with the "Explanation of Vote" offered by Senator Dietrich on **S Sub HB 2183**.

**HB 2245**, AN ACT concerning transportation; relating to the division of vehicles; authorizing the division of vehicles to collect emergency contact information; allowing individuals to list emergency contact information on applications for drivers' licenses, instruction permits and non-driver's identification cards; permitting law enforcement agencies to use emergency contact information in emergency situations.

**HB 2332**, AN ACT concerning elections; prohibiting the governor, the executive branch and the judicial branch from modifying election laws; limiting the authority of the secretary of state to enter into certain consent decrees in court without legislative coordinating council approval; directing the secretary of state to include mailing

addresses for registered voters in electronic databases maintained by the secretary; expanding the crime of election tampering; requiring identification of the sender on third party solicitations to registered voters to file an application for an advance voting ballot; prohibiting such solicitations by persons located outside this state; penalties for violations; amending K.S.A. 2020 Supp. 25-1122 and 25-2423 and repealing the existing sections.

Nays: Corson, Doll, Faust-Goudeau, Francisco, Haley, Hawk, Holland, Holscher, Pettey, Pittman, Sykes, Ware.

The bill passed, as amended.

#### EXPLANATION OF VOTE

Mr. Vice President: This past year has proven to us that we cannot anticipate what trials and tribulations we will face as a state. **HB 2332** blocks the ability of the Secretary of State, the executive, or the judicial branch from altering any election regulations even in the event of a natural disaster or other emergency. Not only is this a potentially unconstitutional encroachment on our executive and judiciary's powers, but it also renders our state potentially incapable of carrying out our elections and ensuring the right to vote for Kansans. It also contains many provisions regarding the logistics of mailing applications for advance ballots that are unclear, vague, and have not been vetted thoroughly. At one point in the committee, the chair claimed some of these amendments were being passed because of a problem that "we heard it maybe happened somewhere. We don't know if it happened in Kansas." Restrictive measures like these based on hearsay are solutions in search of a problem and tell the voters of this state that we do not value their right to vote. I vote NO on **HB 2332**.—DINAH SYKES

Senators Corson, Francisco, Pettey and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **HB 2332**.

# Journal of the Senate

FIFTY-SIXTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Tuesday, April 6, 2021, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 40 senators present.  
Invocation by Reverend Cecil T. Washington:

Freeing Yourself of Grave Clothes!  
Jeremiah 29:11, John 11:42-44, Hebrews 12:1

Heavenly Father, thank You for bringing us through a significant time of celebration, a time when we are reminded that You have power over death and the grave, that You are the giver, maintainer and re-generator of life. Your Word says in Jeremiah 29:11 that You have plans, plans for us to have a prosperous future.

In John 11:42-44, the future for Lazarus was looking rather dim. He was in the grave. But as a display of Your resurrection power and as a sign pointing to Christ's resurrection, You raised Lazarus from the dead.

But unlike the Christ, there was a problem with Lazarus. Although he was no longer in the grave and was granted new life, he was still bound by his grave clothes. Lord, as You bring us into a fresh newness of life, are there some ways we're being hindered? Are there grave clothes that we need to shed?

In Hebrews 12:1, You say we must get rid of everything that slows us down, especially the sins that want to hold on to you. And we must be determined to run the race that is ahead of us.

Give us the same kind of determination that Scott Drew, head coach of the Baylor Bears, gave reference to. He said they did not come to just play in the tournament. They came to win!

So Lord, that we may be winners, as You did with Lazarus, deliver us from any dead places that hold us back and free us from any dead clothes that slow us down or bind us. Thank You for being our Head Coach with a plan for us to win. I offer this prayer in the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

# Journal of the Senate

FIFTY-SEVENTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Wednesday, April 7, 2021, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 38 senators present.  
Senators O'Shea and Thompson were excused.  
Invocation by Reverend Cecil T. Washington:

Oh, To Be Close To God  
Genesis 4:1; Exodus 33:13

Heavenly Father, Your word says, in Genesis 4:1, that Adam knew Eve and she conceived a son. They became so intimate that new life was brought forth. The prayer today is that You would help us to know You, not just to know some things about You. But, to know You so closely and so intimately that new life-giving ideas and ways of thinking will be conceived.

In Exodus 33:13, Moses asked You to show him Your ways that he might know You and find grace in Your sight, that You would be pleased with him. Help us to know You like that, to the degree that we will conceive and give birth to that which is new and improved. New and improved thoughts, new and improved decisions that will bring forth new and improved lives. Not only for us, but for our families and for the people we serve.

So, Lord, keep us from arbitrarily straying away from You. Hold us close, real close. In Jesus' Name, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

#### EXPLANATION OF VOTE

Mr. President: I vote "AYE" on my amendment to increase the age both to possess a firearm with a barrel less than 12 inches long and to obtain a provisional license from no less than 18 years to no less than 19 years. Although I prefer the age be 21, I offered this amendment to decrease the likelihood that high school students socializing with their peers would be doing that with someone who has legal possession of a gun.—

MARCI FRANCISCO

A motion by Senator Holscher to amend **HB 2058** failed and the following amendment was rejected: on page 1, following line 19, by inserting:

"New Section 1. (a) The court shall issue an order requiring the defendant to relinquish all firearms in the defendant's custody, control or possession, and any concealed carry license issued to the defendant upon:

(1) The court's issuance of a qualifying protection order against such defendant; or  
(2) the conviction of the defendant for domestic battery as described in K.S.A. 2020 Supp. 21-5414, and amendments thereto, or any misdemeanor for a domestic violence offense as defined in K.S.A. 2020 Supp. 21-6301, and amendments thereto.

(b) A defendant subject to a relinquishment order issued pursuant to this section shall:

(1) Relinquish all firearms in the defendant's custody, control or possession to the sheriff of the county in which the court issuing such relinquishment order is located or to a licensed federal firearms dealer; and

(2) relinquish any concealed carry license issued to the defendant to the sheriff of the county in which the court issuing such relinquishment order is located.

(c) (1) If the defendant is physically present in court at the time a relinquishment order is entered against the defendant, the defendant shall comply with the provisions of subsection (b) within 24 hours after such relinquishment order is entered.

(2) If the defendant is not physically present in court at the time a relinquishment order is entered against the defendant, such order shall be personally served on the defendant by a law enforcement officer, or if personal service by a law enforcement officer is not possible, in accordance with K.S.A. 60-301 et seq., and amendments thereto.

(3) If the order is personally served on the defendant, the law enforcement officer serving such order shall require that the defendant immediately surrender all firearms in the defendant's custody, control or possession, and any concealed carry license issued to the defendant. The law enforcement officer shall conduct any search of the defendant permitted by law for such firearms or license. The law enforcement officer shall take possession of any such firearms and license that are relinquished, in plain sight or discovered pursuant to a lawful search.

(4) The defendant shall relinquish, in accordance with subsection (b), any firearms in the defendant's custody, control or possession, and any concealed carry license issued to the defendant that are not relinquished to or removed by a law enforcement officer at the time of service within 24 hours after service of the order.

(d) A law enforcement officer or licensed federal firearms dealer who takes possession of a firearm or concealed carry license pursuant to this section shall issue a proof of relinquishment or removal to the defendant. The proof of relinquishment or removal shall include:

- (1) The name of the defendant;
- (2) the date such firearm or concealed carry license was relinquished or removed;
- (3) the identification number of any relinquished or removed concealed carry license; and

- (4) the make, model and serial number of any relinquished or removed firearm.

(e) Within 48 hours after issuance of a relinquishment order pursuant to subsection (a), a defendant subject to such order shall:

- (1) File one or more proofs of relinquishment or removal showing that all firearms previously in the defendant's custody, control or possession, and any concealed carry license issued to the defendant, were relinquished or removed by a law enforcement officer pursuant to subsection (c), and attest to the court that the defendant does not currently have any firearms in the defendant's custody, control or possession, and does not currently possess a concealed carry license; or

- (2) attest to the court that:

- (A) At the time the relinquishment order was issued, the defendant did not have any firearms in the defendant's custody, control or possession, and did not possess any concealed carry license; and

- (B) the defendant does not currently have any firearms in the defendant's custody, control or possession, and does not currently possess a concealed carry license.

(f) If the defendant fails to file any proofs of relinquishment or removal or any attestations as required under subsection (e) after 48 hours from the issuance of a relinquishment order, the clerk of the court that issued such order shall notify the sheriff of the county in which the court is located that the defendant has failed to make any such filings with the court. Upon receipt of such notification, the sheriff shall make a good faith effort to determine whether there is evidence that the defendant has failed to relinquish any firearm in the defendant's custody, control or possession, or any concealed carry license issued to the defendant, as required under the relinquishment order.

(g) A relinquishment order shall be effective for either the duration of the qualifying protective order issued against the defendant, or for that period of time during which it is unlawful for the defendant to possess a firearm under K.S.A. 2020 Supp. 21-6301 or 21-6304, and amendments thereto.

(h) At any point while a relinquishment order is in effect, the plaintiff, the district attorney or county attorney, or a law enforcement officer may file an affidavit with the court that issued the order alleging that the defendant subject to such order has a firearm in the defendant's custody, control or possession, or possesses a concealed carry license. Upon the filing of such affidavit, the court shall determine whether probable cause exists to believe that the defendant has a firearm in the defendant's custody, control or possession or that the defendant possesses a concealed carry license. If the court finds that such probable cause exists, the court shall issue a search warrant for such firearm or concealed carry license in accordance with K.S.A. 22-2502, and amendments thereto.

(i) Except as provided in subsection (j), upon expiration or termination of a relinquishment order and at the request of the defendant, any items that were

relinquished or removed by the sheriff shall be returned to the defendant, provided the sheriff conducts a state and national criminal history records check that conforms to applicable federal standards, including an inquiry of the national instant criminal background check system and confirms that the defendant is not currently prohibited from possessing or receiving a firearm under state or federal law.

(j) A sheriff may dispose of any firearms relinquished by a defendant pursuant to a relinquishment order issued under subsection (a)(2) only after the defendant is notified of the pending disposal of any such firearm, and the proceeds from the disposal of any such firearm, less the cost to the sheriff for taking possession of, storing and disposing of any such firearm, shall be paid to the defendant.

(k) If a person other than a defendant claims title to a firearm relinquished to or removed by the sheriff, and such person is determined by the sheriff to be the lawful owner of such firearm, the sheriff shall return the firearm to the lawful owner if: (1) The lawful owner agrees to maintain, keep or store such firearm in a manner such that no person who is prohibited from possessing or receiving firearms under state or federal law shall have access to or control of such firearm; and (2) the sheriff conducts a state and national criminal history records check that conforms to applicable federal standards, including an inquiry of the national instant criminal background check system, to confirm that the lawful owner is not currently prohibited from possessing or receiving a firearm under state or federal law.

FIFTY-EIGHTH DAY

---

SENATE CHAMBER, TOPEKA, KANSAS  
Thursday, April 8, 2021, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.  
The roll was called with 40 senators present.  
Invocation by Reverend Cecil T. Washington:

Never, Never, Never Stop Praying!  
1 Thessalonians 4:17

Heavenly Father, thank You for the blessed privilege of prayer! For prayer is the opportunity You give us to connect with You. And as Your children, to get guidance from You, in 1 Thessalonians 4:17, You ask us to pray without ceasing, to pray continually.

Lord, we are such forgetful people. We spend a couple of minutes in some routine prayers. And as soon as the minute or two is over, we're done. And we turn our attention toward areas of concern, where Your guidance is really essential for making the right decisions. But where's the prayer?

So, Lord, when the few moments of this prayer are behind us, remind us to stay dialed in to You. Remind us to keep our antennae up and tuned to Your frequency. As we hear all the various voices trying to get our ear, the main voice we need to hear is Yours.

I pray Lord, that in the Name of Jesus, we never, never, never stop praying! Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

**EXPLANATION OF VOTE**

Mr. Vice President: Kansans deserve to live in a state where it is safe to learn, love, and grow. With this bill, we're allowing teenagers to carry guns while they socialize with their unknowing peers, despite the fact that firearms are the second leading cause of death for children and teens in our state. We're advocating for abusers and stalkers who move from states with more lenient laws to carry weapons which they are statistically likely to use to kill their partners and victims. Though 69% of gun deaths in Kansas are suicides, we're not expanding mental health resources; we're making it easier for that rate to rise. Since our state began chipping away at commonsense regulation of dangerous weapons over a decade ago, the gun death rate has increased by 37%. Increasing this number further – as this bill will do – is unconscionable to me. I vote no.—DINAH SYKES

Senators Francisco, Holscher, Pettey and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **HB 2058**.

Nays: Corson, Francisco, Hawk, Holscher, Pettey, Sykes, Ware.

Present and Passing: Faust-Goudeau, Holland.

The substitute bill passed, as amended.

#### EXPLANATION OF VOTE

Mr. Vice President: I vote "NO" on **Substitute for House Bill 2089**. It is inappropriate: the legislature has the responsibility to fund education but it is up to the State Board of Education and local school boards to determine the curriculum. It displays our lack of expertise: the programs for grades one through five are based on curriculum guidelines designed for grades one through four. The programs for grades six through eight could only be that fourth-grade curriculum or a curriculum based on hunter education. It is not comprehensive: the Senate declined to specify inclusion of prevention related to firearms, firearm safes, and lock boxes. And it is audacious; along with prohibiting alternative gun safety curriculums, the bill, cited as the Roy' Ale Act, could prevent the Roy' Ale Foundation from providing their gun safety classes in public schools. Local school boards can currently adopt gun safety curriculums that meet their needs; it is our responsibility to allow them, as fellow elected officials, to be responsive to their constituents.—MARCI FRANCISCO

**CONFERENCE COMMITTEE REPORT**

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2243** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 3, following line 20, by inserting:

"Sec. 3. K.S.A. 74-4927 is hereby amended to read as follows: 74-4927. (1) The board may establish a plan of death and long-term disability benefits to be paid to the members of the retirement system as provided by this section. The long-term disability benefit shall be payable in accordance with the terms of such plan as established by the board, except that for any member who is disabled prior to the effective date of this act, the annual disability benefit amount shall be an amount equal to  $66\frac{2}{3}\%$  of the member's annual rate of compensation on the date such disability commenced. Such plan shall provide that:

(A) The right to receive such long-term disability benefit shall cease: (i) For a member who becomes eligible for such benefit before attaining age 60, upon the date that such member attains age 65 or the date of such member's retirement, whichever first occurs; and (ii) for a member who becomes eligible for such benefit at or after attaining age 60, the date that such member has received such benefit for a period of five years, or upon the date of such member's retirement, whichever first occurs.

(B) Long-term disability benefit payments shall be in lieu of any accidental total disability benefit that a member may be eligible to receive under K.S.A. 74-4916(3), and amendments thereto. The member must make an initial application for social security disability benefits and, if denied such benefits, the member must pursue and exhaust all administrative remedies of the social security administration—~~which that~~ include, but are not limited to, reconsideration and hearings. Such plan may provide that any amount—~~which that~~ a member receives as a social security benefit or a disability benefit or compensation from any source by reason of any employment including, but not limited to, workers compensation benefits may be deducted from the amount of long-term disability benefit payments under such plan. However, in no event shall the amount of long-term disability benefit payments under such plan be reduced by any amounts a member receives as a supplemental disability benefit or compensation from any source by reason of the member's employment, provided such supplemental disability benefit or compensation is based solely upon the portion of the member's monthly compensation that exceeds the maximum monthly compensation taken into account under such plan. As used in this paragraph, "maximum monthly compensation" means the dollar amount that results from dividing the maximum monthly disability benefit payable under such plan by the percentage of compensation that is used to calculate disability benefit payments under such plan. During the period in which such member is pursuing such administrative remedies prior to a final decision of the social security administration, social security disability benefits may be estimated and may be deducted from the amount of long-term disability benefit payments under such plan. If the social security benefit, workers compensation benefit, other income or wages or other disability benefit by reason of employment other than a supplemental benefit based solely on compensation in excess of the maximum monthly compensation taken into account under such plan, or any part thereof, is paid in a lump-sum, the amount of

the reduction shall be calculated on a monthly basis over the period of time for which the lump-sum is given. As used in this section, "workers compensation benefits" means the total award of disability benefit payments under the workers compensation act notwithstanding any payment of attorney fees from such benefits as provided in the workers compensation act.

(C) The plan may include other provisions relating to: Qualifications for benefits; schedules and graduation of benefits; limitations of eligibility for benefits by reason of termination of employment or membership; conversion privileges; limitations of eligibility for benefits by reason of leaves of absence, military service or other interruptions in service; limitations on the condition of long-term disability benefit payment by reason of improved health; requirements for medical examinations or reports; or any other reasonable provisions as established by rule and regulation of uniform application adopted by the board.

(D) Any visually impaired person who is in training at and employed by a sheltered workshop for the blind operated by the secretary for children and families and who would otherwise be eligible for the long-term disability benefit as described in this section shall not be eligible to receive such benefit due to visual impairment as such impairment shall be determined to be a preexisting condition.

(2) (A) In the event that a member becomes eligible for a long-term disability benefit under the plan authorized by this section such member shall be given participating service credit for the entire period of such disability. Such member's final average salary shall be computed in accordance with K.S.A. 74-4902(17), and amendments thereto, except that the years of participating service used in such computation shall be the years of salaried participating service.

(B) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding retirement, such member's final average salary shall be adjusted upon retirement by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1998, such member's final average salary shall be adjusted upon retirement by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers as published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent per annum, measured from the member's last day on the payroll to the month that is two months prior to the month of retirement, for each year of disability after July 1, 1998.

(C) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding death, such member's current annual rate shall be adjusted by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1998, such member's current annual rate shall be adjusted upon death by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) ~~four percent~~ 4% per annum, measured from the member's last day on the payroll to the month that is two months prior to the month of death, for each year of disability after July 1, 1998.

(3) (A) To carry out the legislative intent to provide, within the funds made available therefor, the broadest possible coverage for members who are in active employment or involuntarily absent from such active employment, the plan of death and

long-term disability benefits shall be subject to adjustment from time to time by the board within the limitations of this section. The plan may include terms and provisions ~~which that~~ are consistent with the terms and provisions of group life and long-term disability policies usually issued to those employers who employ a large number of employees. The board shall have the authority to establish and adjust from time to time the procedures for financing and administering the plan of death and long-term disability benefits authorized by this section. Either the insured death benefit or the insured disability benefit or both such benefits may be financed directly by the system or by one or more insurance companies authorized and licensed to transact group life and group accident and health insurance in this state.

(B) The board may contract with one or more insurance companies, which are authorized and licensed to transact group life and group accident and health insurance in Kansas, to underwrite or to administer or to both underwrite and administer either the insured death benefit or the long-term disability benefit or both such benefits. Each such contract with an insurance company under this subsection shall be entered into on the basis of competitive bids solicited and administered by the board. Such competitive bids shall be based on specifications prepared by the board.

(i) In the event the board purchases one or more policies of group insurance from such company or companies to provide either the insured death benefit or the long-term disability benefit or both such benefits, the board shall have the authority to subsequently cancel one or more of such policies and, notwithstanding any other provision of law, to release each company ~~which that~~ issued any such canceled policy from any liability for future benefits under any such policy and to have the reserves established by such company under any such canceled policy returned to the system for deposit in the group insurance reserve of the fund.

(ii) In addition, the board shall have the authority to cancel any policy or policies of group life and long-term disability insurance in existence on the effective date of this act and, notwithstanding any other provision of law, to release each company ~~which that~~ issued any such canceled policy from any liability for future benefits under any such policy and to have the reserves established by such company under any such canceled policy returned to the system for deposit in the group insurance reserve of the fund. Notwithstanding any other provision of law, no premium tax shall be due or payable by any such company or companies on any such policy or policies purchased by the board nor shall any brokerage fees or commissions be paid thereon.

(4) (A) There is hereby created in the state treasury the group insurance reserve fund. Investment income of the fund shall be added or credited to the fund as provided by law. The cost of the plan of death and long-term disability benefits shall be paid from the group insurance reserve fund, which shall be administered by the board. Each participating employer shall appropriate and pay to the system in such manner as the board shall prescribe in addition to the employee and employer retirement contributions an amount equal to 1.0% of the amount of compensation on which the members' contributions to the Kansas public employees retirement system are based for deposit in the group insurance reserve fund. Notwithstanding the provisions of this subsection, no participating employer other than the state of Kansas shall appropriate and pay to the system any amount provided for by this subsection for deposit in the group insurance reserve fund for the period commencing on ~~April 1, 2016~~ July 1, 2021, and ending on ~~June 30, 2017~~ 2022. Notwithstanding the provisions of this subsection, the state of

Kansas shall not appropriate and pay to the system any amount provided for by this subsection for deposit in the group insurance reserve fund for the period commencing on ~~March 25, 2016~~ July 1, 2020, and ending on June 30, ~~2017~~ 2021.

(B) The director of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services a sum to pay the state's contribution to the group insurance reserve fund as provided by this section and shall present the same to the legislature for allowances and appropriation.

(C) The provisions of K.S.A. 74-4920(4), and amendments thereto, shall apply for the purpose of providing the funds to make the contributions to be deposited to the group insurance reserve fund.

(D) Any dividend or retrospective rate credit allowed by an insurance company or companies shall be credited to the group insurance reserve fund and the board may take such amounts into consideration in determining the amounts of the benefits under the plan authorized by this section.

(5) The death benefit provided under the plan of death and long-term disability benefits authorized by this section shall be known and referred to as insured death benefit. The long-term disability benefit provided under the plan of death and long-term disability benefits authorized by this section shall be known and referred to as long-term disability benefit.

(6) The board is hereby authorized to establish an optional death benefit plan for employees and spouses and dependents of employees. Except as provided in subsection (7), such optional death benefit plan shall be made available to all employees who are covered or may hereafter become covered by the plan of death and long-term disability benefits authorized by this section. The cost of the optional death benefit plan shall be paid by the applicant either by means of a system of payroll deductions or direct payment to the board. The board shall have the authority and discretion to establish such terms, conditions, specifications and coverages as it may deem to be in the best interest of the state of Kansas and its employees—~~which that~~ should include term death benefits for the person's period of active state employment regardless of age, but in no case, shall the maximum allowable coverage be less than \$200,000. The cost of the optional death benefit plan shall not be established on such a basis as to unreasonably discriminate against any particular age group. The board shall have full administrative responsibility, discretion and authority to establish and continue such optional death benefit plan and the director of accounts and reports of the department of administration shall when requested by the board and from funds appropriated or available for such purpose establish a system to make periodic deductions from state payrolls to cover the cost of the optional death benefit plan coverage under the provisions of this subsection ~~(6)~~ and shall remit all deductions together with appropriate accounting reports to the system. There is hereby created in the state treasury the optional death benefit plan reserve fund. Investment income of the fund shall be added or credited to the fund as provided by law. All funds received by the board, whether in the form of direct payments, payroll deductions or otherwise, shall be accounted for separately from all other funds of the retirement system and shall be paid into the optional death benefit plan reserve fund, from which the board is authorized to make the appropriate payments and to pay the ongoing costs of administration of such optional death benefit plan as may be incurred in carrying out the provisions of this subsection ~~(6)~~.

(7) Any employer other than the state of Kansas—~~which that~~ is currently a

participating employer of the Kansas public employees retirement system or is in the process of affiliating with the Kansas public employees retirement system may also elect to affiliate for the purposes of subsection (6). All such employers shall make application for affiliation with such system, to be effective on January 1 or July 1 next following application.

(8) For purposes of the death benefit provided under the plan of death and long-term disability benefits authorized by this section and the optional death benefit plan authorized by subsection (6), commencing on the effective date of this act, in the case of medical or financial hardship of the member as determined by the executive director, or otherwise commencing January 1, 2005, the member may name a beneficiary or beneficiaries other than the beneficiary or beneficiaries named by the member to receive other benefits as provided by the provisions of K.S.A. 74-4901 et seq., and amendments thereto.

Sec. 4. K.S.A. 2020 Supp. 74-4986l is hereby amended to read as follows: 74-4986l. (a) As used in this act, unless otherwise provided or the context otherwise requires:

- (1) "Act" means the Kansas deferred retirement option program act;
  - (2) "board" means the board of trustees of the Kansas public employees retirement system;
  - (3) "DROP" means the deferred retirement option program established by K.S.A. 74-4986m, and amendments thereto;
  - (4) "DROP account" means the notional account to which is credited the monthly DROP accrual;
  - (5) "DROP period" means the period of time that a member ~~irrevocably~~ elects to participate in the DROP pursuant to K.S.A. 74-4986n, and amendments thereto;
  - (6) "member" means a trooper, examiner or officer of the Kansas highway patrol or an agent of the Kansas bureau of investigation who is eligible to participate in the DROP and who elects to participate in the DROP as provided in this act;
  - (7) "monthly DROP accrual" means the amount equal to the monthly retirement benefit that would have been payable to the member had the member terminated service and retired on the day the member elected; and
  - (8) "system" means the Kansas police and firemen's retirement system.
- (b) Unless specifically provided in this section or in this act, words and phrases used in this act ~~shall have the meanings ascribed to them~~ mean the same as provided under the provisions of K.S.A. 74-4901 et seq. and ~~K.S.A. 74-4951 et seq.~~, and amendments thereto.

Sec. 5. K.S.A. 74-4986n is hereby amended to read as follows: 74-4986n. (a) (1) A member who is appointed or employed prior to July 1, 1989, and who did not make an election pursuant to K.S.A. 74-4955a, and amendments thereto, may elect to participate in the DROP by making application in such form prescribed by the system at the attainment of age 55 and the completion of 20 years of credited service or at the completion of 32 years of credited service regardless of the age of such member.

(2) A member who is appointed or employed on or after July 1, 1989, or who made an election pursuant to K.S.A. 74-4955a, and amendments thereto, may elect to participate in the DROP by making application in such form prescribed by the system at the attainment of age 55 and the completion of 20 years of credited service, age 50 and the completion of 25 years of credited service or age 60 with the completion of 15 years

of credited service.

(b) A member shall indicate on the application the DROP period such member wishes to participate in the DROP. A member may elect to participate in the DROP for a minimum of three years and may not participate for more than five years from the effective date of the election to participate in the DROP. A member may participate in the DROP only once. ~~An election under this section is a one-time irrevocable election.~~ Once the application is accepted by the system, such member becomes a DROP participant. If a member fails to participate in the DROP for a minimum of three years, all of the member's interest credits shall be forfeited, unless such member retires due to disability as defined in K.S.A. 74-4952, and amendments thereto. A member who remains in active service at the expiration of the member's elected DROP period shall not be eligible for any additional interest credits. A member who first elected a DROP period of less than five years may extend, with the employer's authorization, such DROP period upon making application to the system. The total aggregate DROP period for a member shall be consecutive and shall not exceed five years from the effective date of the initial election to participate in the DROP.

(c) A member who makes an election under this section shall continue in the active service under the Kansas police and firemen's retirement system but shall not earn service credit under K.S.A. 74-4951 et seq., and amendments thereto, after the election's effective date. On and after the effective date of the member's election to participate, such member is ineligible to purchase service credit under K.S.A. 74-4901 et seq., and amendments thereto.

(d) Participation in the DROP by a member does not guarantee continued employment. During a member's participation in the DROP, employer contributions under K.S.A. 74-4967, and amendments thereto, and member contributions under K.S.A. 74-4965, and amendments thereto, shall be made to the retirement system. No member or employer contributions shall be applied to a member's DROP account.

Sec. 6. K.S.A. 74-49,123 is hereby amended to read as follows: 74-49,123. (a) This section applies to the Kansas public employees retirement system and to all other public retirement plans administered by the board of trustees.

(b) As used in this section:

(1) "Federal internal revenue code" means the federal internal revenue code of 1954 or 1986, as amended and as applicable to a governmental plan as in effect on July 1, 2008; and

(2) "retirement plan" includes the Kansas public employees retirement system and all other Kansas public retirement plans and benefit structures, which are administered by the board.

(c) In addition to the federal internal revenue code provisions otherwise noted in each retirement plan's law, and in order to satisfy the applicable requirements under the federal internal revenue code, the retirement plans shall be subject to the following provisions, notwithstanding any other provision of the retirement plan's law:

(1) The board shall distribute the corpus and income of the retirement plan to the members and their beneficiaries in accordance with the retirement plan's law. At no time prior to the satisfaction of all liabilities with respect to members and their beneficiaries shall any part of the corpus and income be used for, or diverted to, purposes other than the exclusive benefit of the members and their beneficiaries.

(2) Forfeitures arising from severance of employment, death or for any other reason

may not be applied to increase the benefits any member would otherwise receive under the retirement plan's law. However, forfeitures may be used to reduce an employer's contribution.

(3) All benefits paid from the retirement plan shall be distributed in accordance with a good faith interpretation of the requirements of section 401(a)(9) of the federal internal revenue code and the regulations under that section. Notwithstanding any other provision of these rules and regulations, effective on and after January 1, 2003, the retirement plan is subject to the following provisions:

(A) Benefits must begin by the required beginning date, which is the later of April 1 of the calendar year following the calendar year in which the member reaches ~~70<sup>1</sup>/<sub>2</sub>~~ 72 years of age, or 70<sup>1</sup>/<sub>2</sub> years of age if the member was born before July 1, 1949, or April 1 of the calendar year following the calendar year in which the member terminates employment. If a member fails to apply for retirement benefits by April 1 of the calendar year following the calendar year in which such member reaches ~~70<sup>1</sup>/<sub>2</sub>~~ 72 years of age, or 70<sup>1</sup>/<sub>2</sub> years of age if the member was born before July 1, 1949, or April 1 of the calendar year following the calendar year in which such member terminates employment, whichever is later, the board will begin distributing the benefit as required by this section.

(B) The member's entire interest must be distributed over the member's life or the lives of the member and a designated beneficiary, or over a period not extending beyond the life expectancy of the member or of the member and a designated beneficiary. Death benefits must be distributed in accordance with section 401(a)(9) of the federal internal revenue code, including the incidental death benefit requirement in section 401(a)(9)(G) of the federal internal revenue code, and the regulations implementing that section.

(C) The life expectancy of a member, the member's spouse or the member's beneficiary may not be recalculated after the initial determination for purposes of determining benefits.

(D) If a member dies after the required distribution of benefits has begun, the remaining portion of the member's interest must be distributed at least as rapidly as under the method of distribution before the member's death and no longer than the remaining period over which distributions commenced.

(E) If a member dies before required distribution of the member's benefits has begun, the member's entire interest must be either:

(i) In accordance with federal regulations, distributed over the life or life expectancy of the designated beneficiary, with the distributions beginning no later than December 31 of the calendar year immediately following the calendar year of the member's death; or

(ii) distributed by December 31 of the calendar year containing the fifth anniversary of the member's death.

(F) The amount of an annuity paid to a member's beneficiary may not exceed the maximum determined under the incidental death benefit requirement of the federal internal revenue code.

(G) The death and disability benefits provided by a retirement plan are limited by the incidental benefit rule set forth in section 401(a)(9)(G) of the federal internal revenue code and treasury regulation 1.401-1(b)(1)(i).

(4) Distributions from the retirement plans may be made only upon retirement, separation from service, disability or death.

(5) The board or its designee may not:

(A) Determine eligibility for benefits;

(B) compute rates of contribution; or

(C) compute benefits of members or beneficiaries, in a manner that discriminates in favor of members who are considered officers, supervisors or highly compensated, as prohibited under section 401(a)(4) of the federal internal revenue code.

(6) Subject to the provisions of this subsection, benefits paid from, and employee contributions made to, the retirement plans shall not exceed the maximum benefits and the maximum annual additions, respectively, permissible under section 415 of the federal internal revenue code.

(A) Before January 1, 1995, a member may not receive an annual benefit that exceeds the limits specified in section 415(b) of the federal internal revenue code, subject to the applicable adjustments in that section. Beginning January 1, 1995, a participant may not receive an annual benefit that exceeds the dollar amount specified in section 415(b)(1)(A) of the federal internal revenue code, subject to the applicable adjustments in section 415 of the federal internal revenue code.

(B) Notwithstanding any other provision of law to the contrary, the board may modify a request by a participant to make a contribution to the retirement plans if the amount of the contribution would exceed the limits under section 415(c) or 415(n) of the federal internal revenue code subject to the following:

(i) Where the retirement plan's law requires a lump-sum payment, for the purchase of service credit, the board may establish a periodic payment plan in order to avoid a contribution in excess of the limits under section 415(c) or 415(n) of the federal internal revenue code.

(ii) If the board's option under clause (i) will not avoid a contribution in excess of the limits under section 415(c) or 415(n) of the federal internal revenue code, the board shall reduce or deny the contribution.

(C) Effective for permissive service credit contributions made in limitation years beginning after December 31, 1997, if an active member makes one or more contributions to purchase permissive service credit under a retirement plan, then the requirements of this section shall be treated as met only if:

(i) The requirements of section 415(b) of the federal internal revenue code are met, determined by treating the accrued benefit derived from all such contributions as an annual benefit for purposes of such section; or

(ii) the requirements of section 415(c) of the federal internal revenue code are met, determined by treating all such contributions as annual additions for purposes of such section. For purposes of applying clause (i) a retirement plan shall not fail to meet the reduced limit under section 415(b)(2)(C) of the federal internal revenue code solely by reason of this subparagraph (C), and for purposes of applying clause (ii), a retirement plan shall not fail to meet the percentage limitation under section 415(c)(1)(B) of the federal internal revenue code solely by reason of this paragraph.

(iii) For purposes of this clause, the term "permissive service credit" means service credit:

(a) Specifically recognized by a retirement plan's law for purposes of calculating a member's benefit under that retirement plan;

(b) ~~which that~~ such member has not received under a retirement plan; and

(c) ~~which that~~ such member may receive under a retirement plan's law only by

making a voluntary additional contribution, in an amount determined under the retirement plan's law and procedures established by the board, ~~which that~~ does not exceed the amount necessary to fund the benefit attributable to such service credit.

(iv) A retirement plan shall fail to meet the requirements of this clause if the retirement plan's law specifically provides for a purchase of nonqualified service purchase, and if:

(a) More than five years of nonqualified service credit are taken into account for purposes of this subclause; or

(b) any nonqualified service credit is taken into account under this subclause before the member has at least five years of participation under a retirement plan. For purposes of this subclause, effective for permissive service credit contributions made in limitation years beginning after December 31, 1997, the term "nonqualified service credit" means the same as provided in section 415(n)(3)(C) of the federal internal revenue code.

(v) In the case of a trustee-to-trustee transfer after December 31, 2001, to which section 403(b)(13)(A) or 457(e)(17)(A) of the federal internal revenue code applies, without regard to whether the transfer is made between plans maintained by the same employer:

(a) The limitations of clause (iv) shall not apply in determining whether the transfer is for the purchase of permissive service credit; and

(b) the distribution rules applicable under federal law to a retirement plan shall apply to such amounts and any benefits attributable to such amounts.

(vi) For an eligible member, the limitation of section 415(c)(1) of the federal internal revenue code shall not be applied to reduce the amount of permissive service credit which may be purchased to an amount less than the amount which was allowed to be purchased under the terms of the statute as in effect on August 5, 1997. For purposes of this clause, an eligible member is an individual who first became a member in the retirement plan before January 1, 1998.

(D) Subject to approval by the internal revenue service, the board shall maintain a qualified governmental excess benefit arrangement under section 415(m) of the federal internal revenue code. The board shall establish the necessary and appropriate procedures for the administration of such benefit arrangement under the federal internal revenue code. The amount of any annual benefit that would exceed the limitations imposed by section 415 of the federal internal revenue code shall be paid from this benefit arrangement. The amount of any contribution that would exceed the limitations imposed by section 415 of the federal internal revenue code shall be credited to this benefit arrangement. The qualified excess benefit arrangement shall be a separate portion of the retirement plan. The qualified excess benefit arrangement is subject to the following requirements:

(i) The benefit arrangement shall be maintained solely for the purpose of providing to participants in the retirement plans that part of the participant's annual benefit otherwise payable under the terms of the act that exceeds the limitations on benefits imposed by section 415 of the federal internal revenue code; and

(ii) participants do not have an election, directly or indirectly, to defer compensation to the excess benefit arrangement.

(E) For purposes of applying these limits only and for no other purpose, the definition of compensation where applicable shall be compensation actually paid or

made available during a limitation year, except as noted below and as permitted by treasury regulation section 1.415(c)-2. Specifically, compensation shall be defined as wages within the meaning of section 3401(a) of the federal internal revenue code and all other payments of compensation to an employee by an employer for which the employer is required to furnish the employee a written statement under sections 6041(d), 6051(a)(3) and 6052 of the federal internal revenue code. Compensation shall be determined without regard to any rules under section 3401(a) of the federal internal revenue code that limit the remuneration included in wages based on the nature or location of the employment or the services performed, such as the exception for agricultural labor in section 3401(a)(2) of the federal internal revenue code.

(i) However, for limitation years beginning after December 31, 1997, compensation shall also include amounts that would otherwise be included in compensation but for an election under sections 125(a), 402(e)(3), 402(h)(1)(B), 402(k) or 457(b) of the federal internal revenue code. For limitation years beginning after December 30, 2000, compensation shall also include any elective amounts that are not includable in the gross income of the employee by reason of section 132(f)(4) of the federal internal revenue code.

(ii) The definition of compensation shall exclude employee contributions picked up under section 414(h)(2) of the federal internal revenue code.

(iii) For limitation years beginning on and after January 1, 2007, compensation for the limitation year will also include compensation paid by the later of two and a half months after an employee's severance from employment or the end of the limitation year that includes the date of the employee's severance from employment if:

(a) The payment is regular compensation for services during the employee's regular working hours or compensation for services outside the employee's regular working hours, such as overtime or shift differential, commissions, bonuses or other similar payments, and absent a severance from employment, the payments would have been paid to the employee while the employee continues in employment with the employer;

(b) the payment is for unused accrued bona fide sick, vacation or other leave that the employee would have been able to use if employment had continued; or

(c) for limitation years beginning on and after January 1, 2012, the payment is made pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid to the member at the same time if the member had continued employment with the employer and only to the extent that the payment is includable in the member's gross income.

(iv) Any payments not described in clause (iii) are not considered compensation if paid after severance from employment, even if they are paid within two and a half months following severance from employment, except for payments to the individual who does not currently perform services for the employer by reason of qualified military service, within the meaning of section 414(u)(1) of the federal internal revenue code, to the extent these payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the employer rather than entering qualified military service.
